ALLEN BLIZZARD BYRD DUTTON HENDLEY McGIRT MEADOWS MILLER USHER WATKINS

Ten G.T.C. Seniors Named to '57 Who's Who

Ten G.T.C. seniors have been chosen to be included in the 1957 edition of "Who's Who in American Universities and Colleges."

Bob Allen, Ellen Blizzard, Bob Byrd, Dewayne Dutton, John Ell Hendley, Frances Belle McGirt, Gene Meadows, Clarence Miller, Cecil Usher, and Rose Watkins were chosen for this honor by students in nominations last spring and by faculty nominations this quarter.

The following qualities are included when making the selections:

1. The student's excellence and sincerity in scholarship.
2. His leadership and participation in extra-curricular and academic activities.
3. His citizenship and service to the school.

4. His promise of future usefulness to business and society.

BOB ALLEN, a veteran from Thomasville majoring in social science, is past president and vice president of Masquers, member of Alpha Psi Omega, I.R.C., English Club, German Club, Foreign Languages Club, and literary co-editor of the Reflector. Last year he contributed various columns to The George-Anne. He has also served as president of I.R.C. and as a student advisor. He is perhaps best remembered for his portrayal of "Shylark" in the "Merchant of Venice."

ELLEN BLIZZARD, Tennille, is at present serving as editor of The George-Anne last year serving as managing editor and copy editor. She is president of Kappa Delta Pi, secretary of Masquers, business manager of

Alpha Phi Omega, and member of F.B.L.A. Last year she served on the social committee and Lewis Hall house council. Ellen is also chairman of the Standards Committee.

BOB BYRD, science major from Patterson and transfer from South Georgia, is vice president of Student Council and chairman of the Social Committee. Bob has been president and vice president of Alpha Rho Tau, member of Masquers, Standards Committee, and Dining Hall Student Union Planning Committee, student advisor to the freshmen and art co-editor of the Reflector staff.

DEWAYNE DUTTON, social science major from Glennville, is president of the Student Council, member of the Standards Committee, Social Committee, and M.E.C. He has been

president, first and second vice president of I.R.C. He is president of the German Club, president of the Foreign Languages Club, parliamentarian of Masquers, literary co-editor of the Reflector, and member of the Philharmonic Choir. He has written columns for The George-Anne.

JOHN ELL HENDLEY, Garfield, is an exact science major, serving this year as president of the Science Club. He is a past member-at-large of the Student Council and served on the Social Committee. John Ell received the Freshman Chemistry Award and has been accepted as a student at the Medical College of Georgia.

FRANCES BELL McGIRT, Poulan, is president of A.C.E., and has served as vice president. Last year she was a delegate to

the A.C.E.I. conference in Washington. Serving on various house councils during her four years, she was assistant house director of East Hall last year. She is a member of Westminster Fellowship, Reflector staff, and secretary and past secretary-treasurer of I.R.C.

GENE MEADOWS, social science major from Register, is the only Student Council member to succeed himself. He was vice president of the freshman and sophomore classes, president of B.S.U., editor and business manager of The George-Anne, member of the Science Club and I.R.C.

CLARENCE MILLER, mathematics major from Portal, is state president of F.T.A., past president of the local F.T.A., and member of the Science Club. Last year he served as

vice president and president of the Student Council. He served his freshman year as president of the class. He won the Pittman Memorial Scholarship last year.

CECIL USHER, Egypt, is practice teaching in social science at Savannah High. He was vice president of the junior class, Vet's Column writer, member of Vet's Club. He received the James Allen Bunce award last year.

ROSE WATKINS, business major from Hinesville, served last year as president of Lewis Hall, secretary of F.B.L.A., vice president of Phi Beta Lambda, state vice president of F.B.L.A., secretary of junior class. She was selected as Miss Future Business Executive last spring. She is secretary-treasurer of Student Council.

Ways to Help The Hungarian Refugees Given

The committee for "Aid to Hungarians" is once again asking G.T.C. students to aid the freedom-seekers.

There are 100,000 refugees in Vienna, the majority being under fourteen years of age. Most of those asking for housing and assurance are former freedom fighters. It is in the best interest of the United States to help these people.

Here are two ways to help the freedom seekers:

One way is by mailing donations of money, food, or clothing to the following addresses:

Cash: International Rescue Committee, 62, West 45th Street, New York, N. Y.

Cash, food, or clothing: American Red Cross, Washington, D. C., or local chapter, or Hungarian Refugees, c/o Msgr. Anton Depold, Holzmangasse 14, Wien 9, Austria.

The fastest and most effective way to send the packages is direct to Austria.

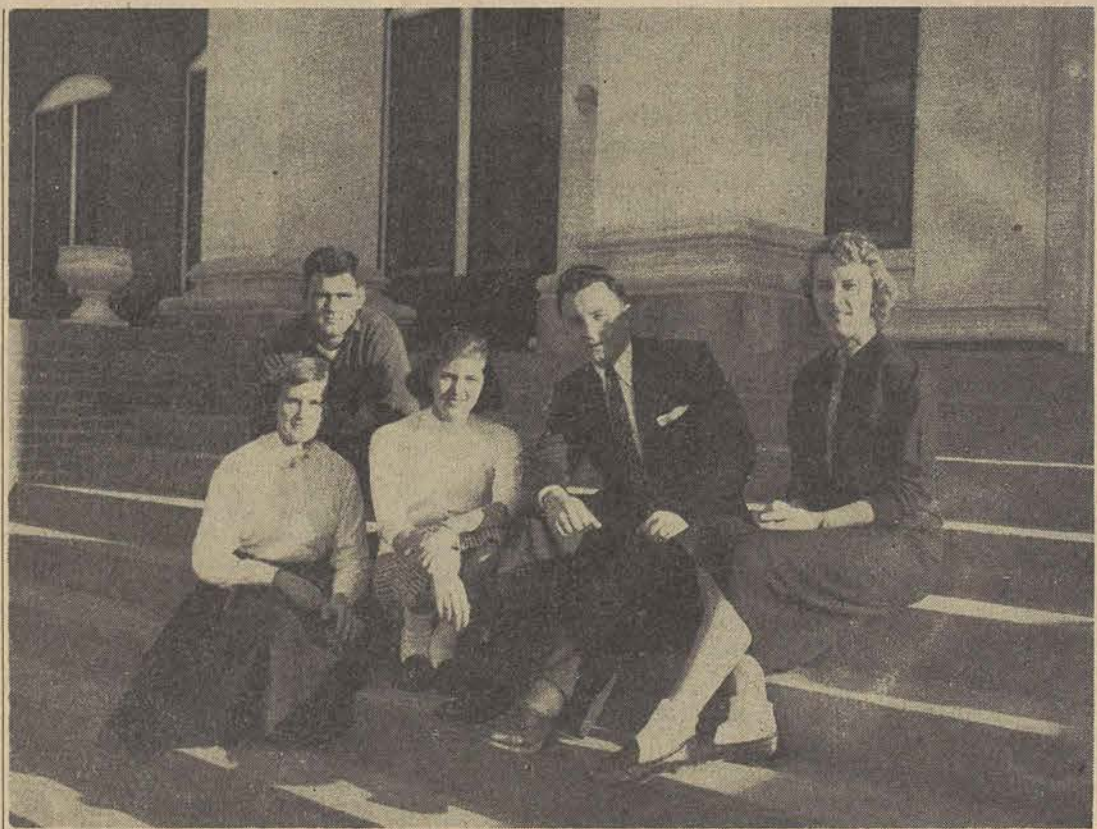

Here are the postal requirements for parcels to Austria:

1. Ask for four forms at the post office and fill them out accordingly.
2. Do not send jewelry or Austrian money.
3. There is no use to send cigarettes because the duty is high.
4. Weight limit: 22 pounds (strictly).
5. Postage: one pound, .73; 10 pounds, \$2.98; 20 pounds, \$5.84; 22 pounds, \$5.98.

The other way is the job and housing assurance plan in which the sponsor promises a job and housing without obligation. In case his financial status changes by the time the refugees arrive, the organization takes over his responsibility. In case the refugee employee gets sick or unable to work, the organization will take care of him and his family.

Ask for forms and return them

Continued on page 6

ELECTED TO SERVE as freshman leaders for this year, the five students shown here began their terms of office immediately following the election run-off on November 20. They are, (left to right), Secretary Jean Hightower, Brunswick; Student Council Representative Jerry Brown, physical education major from Manchester; Student Council Representative Ramona Wall, Cordele; President John B. Carroll, ministerial student from Unadilla; and Vice President Ava Owens, elementary education major from Fitzgerald.

Parking Committee Sets Rules

By WILLENE FISHER

The parking situation at G.T.C., which has been growing steadily worse, is on the road of improvement. A committee was appointed over a month ago to work on a solution.

The committee consisted of six faculty members and six students. The faculty members were Mr. James Searce Jr., Dr. J. A. Boole, Mr. Julian Aubrey Pafford, Miss Hassie Maude McElveen, Mr. Donald McDougald, and Mr. J. P. Folds. The students on the committee were Emory Cartret, Wallace Framp-ton, Ed Brown, Shirley Jones, Star Woodard, and Kitty Kelly.

The results of many weeks of work, trials, surveys, and polls

are compiled into a program which the committee hopes will be put into force later.

The program is as follows:

I. Registration and Permit Stickers:

1. Every student and employee who owns, maintains, or operates a motor vehicle must register the vehicle through the traffic control office. Dean Carroll will serve as director.
2. The vehicle must be registered by the owner or possessor within a week after it is brought to the college. Each student must register his own car. A student who registers in his name the car of another student will be subject to disciplinary action.
3. When the vehicle is

registered, a permit sticker will be issued at no cost. The sticker must be permanently affixed to the lower right hand corner of the windshield. The sticker may not be placed in any other location, and tape may not be used in applying it.

II. Regulations and Penalties:

1. Permit stickers must be properly displayed.
2. A student must give his name and show his I.D. card whenever it is requested by traffic enforcement personnel. Traffic enforcement personnel are instructed to be courteous in their dealings with violators. Courtesy is also expected of violators.

Continued on page 6

'Profs' Prepared For Invading Mercer Team

By BILLY JACKSON

Excitement will mark the day as Mercer University invades the G.T.C. campus to challenge the Professors to a duel tomorrow night. The Bear-Professor contests are always some of the most interesting games played in the state each season.

Last season the two teams met twice with the Profs winning both contests by substantial margins. The first of last year's games was played on our home soil with the outcome in our favor 121-94. The second game was played in Macon, with a close duel staged the first half, and with the Professors going ahead and winning by a 114-80 score.

The Bears' squad is sparked by five returning lettermen and some good transfers with height. Figuring high in future plans in Mercer basketball are guards Joe Lowe, Roger Bolton, and Melvin Kinslow; forwards John McGriff, Bobby Graham, and Woody Richardson; and centers Max Smith, Bill Jago, and La-

mont Craft.

The team from Mercer will be somewhat handicapped from the loss of Cary Moore, star forward from last year's squad. Moore is now at G.T.C. where he will become eligible late this season for duty. Moore figures high in future plans of the Professors.

The probable starting lineup for the Bears will be: At forward Woody Richardson, 6' 2" of Monroe, John McGriff, 6' 1", Edison; at guard will be Melvin Kinslow, 5' 9", Americus, and Bobby Graham, 6' 1", Lindhurst, N. Y.; and at center will be Lamont Craft of Uvalde, who measures 6' 6".

For the Professors Coach Searce has appointed forwards Don Avery, 6' 5", Canton; and Douglas Corry, 6' 5", Union Point. At guards co-captains Don Wallen, 5' 11", Wheelwright, Ky., and Bo Warren, 6', of Ludowici. At center Jim Long, 6' 7" of Richmond, Va., has been given the nod.

G.T.C. Introduced on Television This Afternoon for First Time

G.T.C. was introduced to TV audiences all over Southeast Georgia this afternoon in a program beginning a monthly series over WTOC-TV, Channel 11, in Savannah.

Billy Jackson, Joan Hurst and Stanley Brobston, as the upperclassmen on the program answered pertinent questions about college life posed by Emory Giles, Chip Culpepper, Roberts Adams, Joyce Ryan, and Sharon Ward, inquisitive freshmen.

From the faculty TV committee, Dan Hooley was in charge of this first program in the series introducing G.T.C. He is assisted by Joyce Kirkland.

WTOC-TV is running a series of programs about various colleges in Southeast Georgia every Friday afternoon at 3:30, and this college will sponsor one every month.

The first program was calculated to whet the curiosity of high school seniors and their parents, so that they would investigate the activities here on campus. First, the social life, then dormitory life, and various club activities were discussed.

In the future there will be programs involving dramatics, music, and student government.

We're On Television...

Today for the first time in Georgia Teachers College history, we are being presented on television. The program starts at 3:30 on the Savannah channel.

This is the start of a series of programs advertising the college, informing people about the various activities, building good will, and giving the students in Southeast Georgia varied pictures of college life.

The committee in charge of these programs are working hard to present as diversified a series as possible. Throughout the year, departments and phases of college life will be shown in some form or other. There is no set rule as to the type of presentation. It starts off this afternoon as a panel. The next program might well be a skit, a short play, a lecture, a class—anything that would put Georgia Teachers College across. Some of the programs will be for fun only; other programs will give information.

Congratulations and thanks are due to the persons responsible for this series. There is a lot of hard work ahead for this committee. Suggestions for programs and improvements will be welcome. The programs will be presented once a month. Watch for them and see your college on television.

Age-Old Problem

It seems that college students just never grow up. The age-old problem of line breaking at the dining hall is one that comes up every year.

This same situation is occurring again this year. In past years, this problem was solved by giving out ticket numbers. This year it has once again become necessary to give them out. This time, however, the problem has not been solved.

Having failed to defeat the plan last year, the line-breakers have pooled their ideas and attempts and have devised techniques to break line this year even with tickets. If a person can just beat the ticket giver to the post, then he breaks line where and when he pleases. The care-taker of the tickets can do nothing as he can prove nothing—and he does not see it.

The ideal situation would be for the ticket giver to be in place as soon as the first person arrives. But, of course, this is not always possible, as the ticket man has other things to do.

However, he is the one who gets blamed for the line breaking. After all, isn't he there to give out the tickets which are supposed to stop this rudeness. Looks like some of the line-breakers would stop and consider him.

It seems that the only thing that can be done is for the students to take it upon themselves to stop this line breaking that is characteristic of high school and grammar school students.

Solution to Parking

People have been talking about the parking situation on this campus for quite some time, asking for help, advice, solutions. A solution is now offered.

This week the Parking Committee released a plan which should meet with wide-spread approval. The rules and regulations are set down in an article elsewhere in The George-Anne. Read these carefully, study them, and know them. They will apply directly to each student whether he owns an automobile or not.

The Parking Committee has worked all quarter long to devise this plan. Questionnaires were given the students and these were carefully studied by the committee to see just where the problem lay. Any proposed plans were considered and debated. The plan is not one that was outlined and completed in one meeting. And it is one that takes into consideration the solution of the problem now and the prevention of problems in the future.

To be effective, this plan must be tried and tried earnestly by every student on campus. Consideration is the main theme. There will be problems at first that were overlooked. Take these to the traffic board and some solution will be found. The solution perhaps is not perfect, but it can be made practically perfect.

LITTLE MAN ON CAMPUS

'Who's Who Students Rate Honors For Excellent Work

Congratulations are certainly in order for the ten students who have been named to represent G.T.C. in Who's Who Among Colleges and Universities in America.

Last spring quarter the students were asked to select representatives from the senior class for Who's Who and then the faculty took the nominations and selected the ten they thought had contributed the most to this college.

These students have been chosen on the basis of their scholastic achievements and extra-curricular activity while at G.T.C.

Let us fully understand what is meant by the term "Who's Who." It means people who have done something outstanding enough to receive great recognition for it. Certainly that is what these students have done.

Each one of them has been outstanding in one field or another.

They have led their classes, supported various organizations on campus, and served as officers in many of them. These students have always been willing to do their share, and to go out of their way to do more than their share. They took on extra responsibility and did it well.

We all know it is one of the highest honors a college student can receive to be chosen to this group. Not only is it important to them now, but it will be a help to them in later life. It is a recognized honor throughout the United States. These ten students know they have accomplished something while going to school and also that they have helped to make G.T.C. a better place to stay.

We don't feel that these students tried to be outstanding just to receive this high honor, but because they had a sincere desire to contribute to the college they attend.

I am sure that there are other students who have been outstanding in college activities and were not recognized by receiving the honor of belonging to Who's Who, and perhaps some were even disappointed. But these ten students were chosen as examples of those students who have done more than their share. However, we feel this group of students is a good example.

Again we would like to congratulate you on contributions you have made to student life at G.T.C.

Hyde and Seek

By LARRY HYDE

The "Vet's Club" really started something when they got the jump on everyone by nominating their representative for the annual Beauty Revue. This was a smart move because it gave them a chance to select from all the lovely beauties on campus. You can bet your bottom dollar that all the other clubs and organizations will be looking around for a pretty girl that might well be "Miss G.T.C. of 1957."

I thought for a while last week that we wouldn't have "The Bell" for the ball game Saturday night. We took it out to Pilots Field last spring for a baseball game and through a misunderstanding, the bell was left out there. When I went down to measure the bell for a new stand, it wasn't to be found. After calling almost everyone in Bulloch County and going to places like the county jail, State Highway Department and Forestry Commission, I decided to take one more look at the baseball field. While driving around the park, I saw this car parked at a workshop. Since I had already asked so many people about the bell, I decided one more wouldn't hurt.

I started telling the man what I was looking for. He said, "I have the bell." Those were the sweetest words that I had heard all week long. I put the bell in the back of my car and brought it home.

I wish to thank Mr. McDougald, Mr. Taylor and the college maintenance crew for their wonderful cooperation last Saturday. We have them to thank for the nice stand on which "The Bell" is located.

I thought the cheerleaders did a wonderful job last Saturday and what I have to say is definitely not a "dig" at them.

BRITT FAYSSOUX

Liberal Democrats Revolt

Adlai Stevenson has announced that he will not run for the presidency again. It was already fairly certain in the minds of most people that he would not run again as the candidate of the Democratic Party. Stevenson, a two-time loser, no longer possesses the glitter and glamor of an untarnished candidate. There have been only two men in the past history of the Democratic Party to receive the nomination three times—Grover Cleveland and William Jennings Bryan. Cleveland won the first and third times he ran, but Bryan never won. "The boy orator of the Platte" was a political phenomenon and will almost certainly go down in history as the only three-time presidential loser, at least for the Democratic Party.

Stevenson states that his interest in the party will continue undiminished and that he will help the party in any way he can.

The former presidential candidate made one very interesting statement concerning the future leadership of his party. Stevenson said, "For these tasks of effective opposition and national leadership, the Democratic Party is fortunately blessed with many able men who represent the humane and liberal democratic traditions on which I believe our country's best future depends."

This statement is undoubtedly an endorsement of the liberal wing of the Democratic Party in their coming battle with majority leader Lyndon Johnson and the conservative wing

I have an unanswered question that comes to my mind everytime we have a basketball game. Why do the cheerleaders lead the students in spelling out "Teachers" when, just as plain as day, right across the front of the jersey, is the word "Professors." That is almost as bad as saying, "I go to T.C." Undoubtedly "T.C." is short for Teachers College, but this is Georgia Teachers College.

The Mercer Bears, from up Macon way, come to town tomorrow night. Although Mercer has de-emphasized basketball, they will throw their best at our Professors. Nothing ever gives them more pleasure than beating G.T.C.

You basketball fans that will be in and around Statesboro on December 21 have a treat in store for you. The G.T.C. gym will be the scene of an all-star game between former G.T.C. greats and an all-star squad from Fort Jackson, S. C.

Playing with Fort Jackson will be two all-Americans: G.T.C.'s Chester Webb and Furman's Darrell Floyd. Furnishing the opposition will be freshman coach Jim Harley, Glen Wilkes, coach at Brewton-Parker, and many other outstanding players who have worn the Blue and White of Georgia Teachers College in the past years. More information will be released at a later date.

There is a rumor going around that men in Sanford Hall and Cone Hall are organizing the "Society for the Prevention of Cruelty to Poor Unfortunate Lovers." What will they think of next?

Not in doing what you like, but in liking what you do is the secret of happiness... Selah.

of the party over their views on such issues as civil rights.

The liberals, headed by Ultra-liberal Senators Hubert Humphrey, Paul Douglas, and Wayne Morse are convinced that the party's only chance for survival is the adoption of a liberal program, especially on civil rights.

In the new session of Congress coming up, the liberals want a new Senate rule to limit the filibuster, which has been effectively employed by the Southern conservatives to block civil rights legislation.

The liberal leaders know that their chance of changing Senate Rule XXII to permit limitation of debate by a simple majority vote instead of a two-thirds vote is slim, very slim, but they will make themselves heard in the coming session and will hope that the Republicans in the Senate will cooperate with them in this endeavor. If the conservative Republicans who in the past have stuck with the conservative Democrats on civil rights issues decide that they must support the liberal cause then the possibility of a change in the rule becomes greater.

The liberal revolt is led by some of the most able men in the Senate. Douglas, Humphrey, Morse, and Neuberger are intelligent men and zealous fighters for the causes which they believe are right. Stevenson is still somewhat of a power in the party and he is behind the liberals 100 per cent. Lyndon Johnson has a tough fight on his hands in the coming Senate session.

Telephone System Discussed

The possibility of a new telephone system on campus to relieve the heavy overloading of G.T.C. phone lines was discussed at last Monday's Student Council meeting.

Although no final decisions were reached, a committee was selected to talk over the Council's ideas with telephone officials. Those on the committee include Ralph Walton, chairman for the group, Jane Jackson, Jerry Brown, and Ed Brown.

One idea advanced by the Student Council was to have a private system set up on campus, with student operators to run it.

Inquiring Reporter

By Dillard Maxwell

"Well," I know all of you are glad of the way the ball game turned out last Saturday night and I am sure this one Saturday night with our old rival, Mercer, will be even better. There was just one thing missing to make the ball game complete and that was a performance from our band at half time. The students' spirit was very good and I think a performance from the band would have added much to the evening of enjoyment and too it would have provided entertainment for those who did not visit

the concession stand. I have heard from reliable sources that the band will not be allowed to give any half time performances this year because it cuts down on the

number of people that visit the concession stand. I really can't see why the band should take a back seat and not perform at half time. Surely we want to show all the people what a good band we have and now that they are equipped with new uniforms we should be very proud of the band and give them the opportunity to perform at all home basketball games.

Here is what some of the students think of the idea:

RENA DIXON—I think the band should perform at half time because it generates school spirit.

CAROLYN DAVIS, ELLEN BRANDON, CLAUDIA TINKER—A performance from the band at half time provides good entertainment and it gives the band a chance to show off their new uniforms and their talent.

MAXIE JO MIMS—It promotes school spirit and I think everyone enjoys a chance to see and hear our band.

ANON—It adds to the school spirit and encourages students to attend the games who aren't particularly interested in basketball.

REE HALEY—It's a change of entertainment and builds up school spirit for the second half of the game.

MICKIE WILLIAMS—I think that since the band has new uniforms they should perform at the half. I don't believe their performance would take away the concessions.

MARTHA BRANTLY—I think the band could add much color and spirit to the games by a short performance at the half time.

JAMES JONES, MARALON WESTBROOK, STAN BROBSTON, CECIL WOODARD, GUY THOMPSON, BILLIE KINCHEN, MILT NORRAS, "JUICY" SMITH—Of course we feel that half-time shows would benefit us as future band directors, but we believe that it is not a question of what the band members want, but is, rather, a question of what the student body and administration desire.

F.B.L.A. Club To Elect Officers

The regularly scheduled meeting of the F.B.L.A. Club will come off as planned Wednesday night, 6:30, in the recreational room of Cone Hall.

There is some special business slated for this meeting. The officers for the coming quarter will be elected. There is a special invitation out to all members to come and make these selections.

Also on the agenda is a Christmas party after the meeting. Each member is asked to bring a toy for a child. These gifts will then be used for a club project.

All members are urged to be present at this very important meeting.

'Girl Of The Week'

BEVERLY ANN HALL, a blonde, hazel-eyed freshman from Albany, will be sponsored by the Veterans Club in the annual Beauty Revue in February. Beverly, The George-Anne's girl of the week, is majoring in business. She's a 5' 6", 122-pound 18-year-old, who loves blue and singer Nat King Cole. She doesn't get to do much of her favorite sport, which is horseback riding.

Interest In Children Leads Meadows As Nursery Head

Miss Betsy Jane Meadows, teacher of G.T.C.'s nursery school, almost missed the boat concerning her teaching career, when she majored in the wrong field in college. She had become interested in teaching children when she spent the summer after she graduated from high school, working for a pediatrician in Augusta. Even after deciding upon this field as a career, she hesitated about choosing a college major in child development, so she chose a liberal arts program instead. At the beginning of her senior year, she discovered her mistake and spent an extra year in college so that she could major in child development.

Miss Meadows is twenty-eight years of age and was born at Mt. Pleasant, Tenn. When she was in the third grade her family moved to Rome, Ga., and then moved again when she was in the seventh grade, to Augusta. She then moved a third and last time to Savannah where she attended Armstrong Junior College. She graduated from the University of Georgia in 1949, and taught the next three years at Tift College. In 1952 after having attended summer school each of the three preceding years, Miss Meadows received her master's degree from the University.

She heard of a planned nursery school at G.T.C. in 1953, and came here to inquire of the proposed project. She was consulted about the plans for the nursery school and helped the architect design the building itself. The faculty was impressed with her teaching background and ideas, and she has been here every since.

Hobbies and travel are important parts of Miss Meadows' life. Her love of travel took her through eleven European countries during the summer of 1954, and she stopped off to view

WINGO, MOORE TO ATTEND MEET

Miss Caroline Wingo and Mrs. Miriam Moore will attend the annual meeting of the Georgia College Home Economics Teachers on December 7 and 8. The meeting will be held in the Board of Regents conference room in Atlanta, Ga. There will be other teachers from all over the state attending this meeting under the control of the Board of Regents.

Harper Named P.B.L. President

Charlie Harper was named president of this year's Pi Beta Lambda organization in a meeting Wednesday morning at 10 o'clock.

Elected to serve with him in the student workers' club were Ed Brown, first vice president; Richard eCates, second vice president; Joyce Jackson, secretary; Sandra Wiggins, treasurer; and Miss Kirbylene tSephens, sponsor for the club.

All student workers are eligible for membership in the organization, and are requested to join. The next meeting will be on Tuesday, December 11, at 7:30 in the auditorium.

Dairy and Plant Visited by Class

The economics - geography class under Dr. George A. Rogers spent their class time at Sam Neville's dairy farm this past Wednesday, as part of a whole series of field trips scheduled for the group. The following day found them at the Rockwell Statesboro Corporation for a tour of the plant.

At each of the places visited the group studied types of location, methods of production, and general effects of the enterprises of the community.

Trips of this type are conducted regularly for the class.

Exam Schedule

Friday, December 14—2:30, all 2:30 classes.

Monday, December 17—8:00, all 8 o'clock classes; 10:30, all physical education activity classes; 1:30, all 9 o'clock classes.

Tuesday, December 18—8:00, all 10:30 o'clock classes; 10:30, history 102 (all sections); 1:30, all 11:30 o'clock classes; 3:30, English 102 (sections C and F).

Wednesday, December 19—9:00, all 12:30 o'clock classes; 10:30, all 1:30 o'clock classes.

Friday, December 14, classes will meet as usual until 1:30.

G.T.C. Basketball Contest

Win \$10.00 CASH!

Pick The Winners!

Name

.....

Address (Dormitory for Students)

.....

City and State

Pick all winners and receive \$10.00 cash. If no one gets all the winners, the person naming the most winners will receive \$5.00 in cash from The George-Anne. In case of ties among contestants, the prize is equally divided.

1. In each ad on this page you will find two college teams scheduled to play basketball this week. Check the teams you think will win. Tie games count against you unless you mark them ties.
2. Mail or bring your entry sheet to the George-Anne, located in the Public Relations Office, not later than Friday noon of each week. Letters postmarked on or before this time will be accepted.
3. Members of the George-Anne staff are not eligible to win.

Harley's Frosh Beat Armstrong In First Game

Coach Jim Harley made a successful coaching debut last Tuesday night as his freshman cagers whipped Armstrong Junior College 88 to 72.

Ronnie Rose paced the victors with 21 points. He was followed by Bill Criscillis with 18 and Joe Waters with 16. Farrell Dixon played a demon game off the backboards as he grabbed 14 rebounds.

The team journeyed to Atlanta on Thursday to meet the Georgia Tech Frosh and will make their home debut on Saturday night at 6:15 against Middle Georgia. This is a preliminary contest to the G.T.C.-Mercer game.

Adams Captures Cross-Country

Before a cheering crowd of students, Roberts Adams of the Eagles finished first in the 2-mile intramural cross-country run in the amazing time of 11.02.

Adams took over the lead with only three-fourths of a mile to go from Jack Phillips who finished at 11.30. Richard Cates breezed in right on the heels of Phillips in the time of 11.36. Phillips represented the Cards and Cates represented the Flyers.

Each boy who finished was awarded three entry points. Those who finished were: Adams, Phillips, Cates, Griffin, Alewine, Jack Allen, Bill Allen and Creasy.

Eagles Victorious

The Eagles were officially declared the intramural football champs by the athletic department last Tuesday. The decision was based on their overall season record as well as their third place finish in the play-offs.

Here are the official points each team has accumulated: Eagles, 110, 80 1st place, 15 entry, 15 play-off; Flyers, 110, 80 1st place, 30 entry; Wildcats, 110, 80 1st place, 30 entry; Stallions, 85, 30 2nd place, 30 entry, 25 play-off; Cardinals 60, 30 2nd place, 30 entry; Clodhoppers 50, 30 entry, 20 play-offs. The Colts and Rams lost their entry points because of forfeits.

The balloting results for the touch football all-star team are as follows:

OFFENSE

Reddish, Clodhoppers; Alewine, Cardinals; Cartrett, Flyers; Chance, Flyers; Fluornoy, Stallions; Hobbs, Flyers; Head, Stallions, and Stallings, Stallions.

Honorable mention: Davis, Cards; Morrell, Cards; Lee, Cards; Lanier, Cards; Esmonde, Wildcats, and Conner, Clodhoppers.

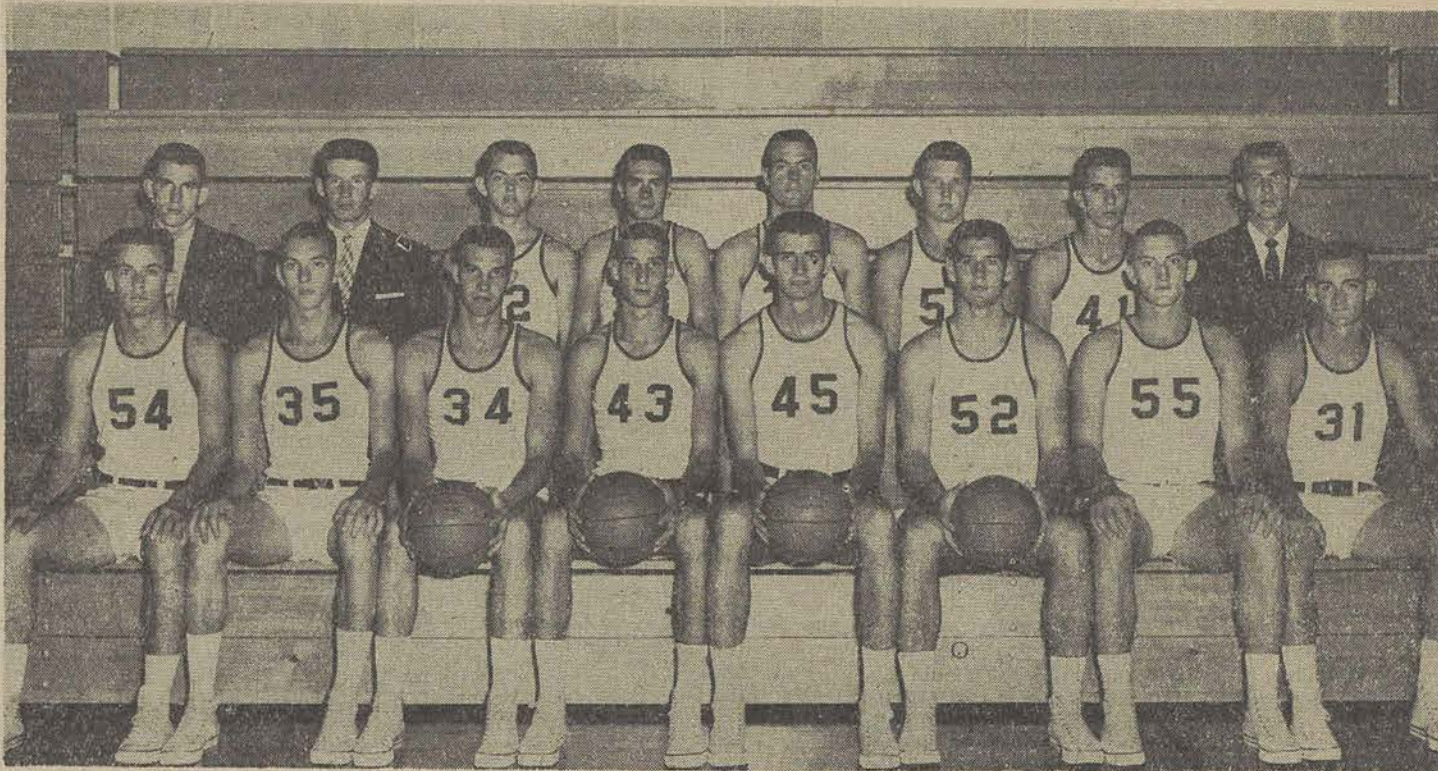

DEFENSE

Chance, Flyers; Reddish, Clodhoppers; Fluornoy, Stallions; Dixon, Wildcats; Swan, Clodhoppers; Miller, Flyers; Brown, Eagles; Brown, Eagles.

Honorable mention: Esmonde, Wildcats; Hall, Wildcats; Spurlock, Wildcats; Griffin, Cards; Alewine, Cards; Simpson, Clodhoppers; Baker, Stallions, and Strickland, Flyers.

Player of the year: Sonny Reddish, Clodhoppers.

The 1956 - 57 Version Of The Freshmen Professors

THE BABY PROFESSORS as they start the new season this year coached by former player Jim Harley. This team is figured to have both speed and defense over the freshman squad last year. Front row, left to right: Dan Williams, Ronnie Rose, Ty Adams, Ferrell Dixon, Joe Waters, Bill Criscillis, Don Bowen, and Franklin Pierce. Second row: Cary Moore (trainer), Ralph Turner (manager), Bill Mallard, Jack Calloway, Travis Doss, Harry Anderson, Ray Gordon, and Coach Jim Harley.

Age and the lightning-fast fists of Floyd Patterson caught up with "ageless" Archie Moore last Friday night and put boxing's most colorful trooper out of the heavyweight picture for good. To those who saw the fight on TV or heard it on the radio it was very plain that Patterson was in command all the way. "Old Arch" looked all of his 41 years as he huffed and puffed about the ring trying to avoid the lethal blows of the young (21 years) olympic heavyweight.

Patterson's victory was a double surprise for most of the fight experts. Moore was figured to win. He not only lost, but he was never even in the battle.

Patterson came out strong in the first round and never let up as he advanced against the always retreating Moore.

The 21-year-old flash was way out in front in points when he threw the long looping left that caught Moore square on the chin and put him down and out.

Patterson, at 21, is the youngest heavyweight champion in history. At the moment it appears the young champion may be in for a long reign. The heavyweight field is devoid of any worthy opponents for Patterson. Eddie Machen of California is touted as the most likely one, but even he is considered to be too green for a title bout. As could be expected, the result of this situation is a concentrated effort on the part of boxing promoters to get Rocky Marciano back into the ring as a Patterson opponent.

Rocky has reiterated that he will not try a comeback. Marciano has everything to lose and nothing to gain by trying a comeback, and he is smart enough to realize it. Barring some unforeseen circumstance, Rocky Marciano will remain a retired heavyweight champion of the world, and America's top boxing promoters will have to get out and beat the bushes for a challenger that can draw a reasonably good gate.

Frosh Have Tough Schedule

This year's freshman team will play one of the toughest schedules in its history this coming season. Coach Jim Harley reports that the squad shows plenty of spirit and determination.

Here are the boys who will represent the Little Professors for the 1956-57 season.

Bill Criscillis—A 6'2" guard from Loyall, Ky. Bill turned down an offer to play football at Tennessee to come to G.T.C. He is seventeen years old and weighs 190 pounds. Bill possesses an excellent jump shot from around the foul circle.

Ferrell Dixon—Stands 6'2" tall and was an outstanding scorer and rebounder for Blackshear's Class A champions. Possesses a fine jump shot and will be used at forward.

Don Bowen—6'2" forward. Don is a rugged rebounder and was a teammate of Dixon's of the Blackshear champs.

Joe Waters—6'6" pivot man from Statesboro, Ga. With some experience and polish Joe could develop into an outstanding varsity prospect.

Frank iPerce—5'11" speedster from Eastman, Ga. Will be used at guard in the G.T.C. attack.

Ronnie Rose—6'3" forward from Black Star High School in Alva, Ky. He played in the Kentucky State all-star game and will be one of the main offensive threats on this year's squad.

Tyre Adams—6'4" center from Canton, Ga. Tyre is an excellent rebounder and will be used at center.

Harry Anderson—Was coached by his father at Marietta, Ga. Stands 6' tall and weighs 185 pounds. Harry will be used at guard. He possesses a fine set shot and is a good ball handler.

Travis Doss—Hails from Attapalugus, Ga. Has good one-hand shot and will be used at guard. Travis is 6' tall.

Jack Calloway—5'10" guard from Washington, Ga. He is the only southpaw on the team and has a good outside push shot.

Ray Gordon—6'0" forward from Ludowici, Ga. Possesses a one-hand shot.

Bill Mallard—5'10" guard from Sardis, Ga. His brother was a star baseball player at G.T.C.

Dan Williams—5'11" guard from Miami, Fla. Has a one-hand shot.

Cates scored 19 points for Sardis, while Brennen was Pittman's leading scorer with nine.

Profs Conclude First Road Trip; Lose Two Tilts

By BOB POLLAK

The G.T.C. Professors have just concluded their first fatal road trip of the season dropping games on consecutive nights to East Tennessee State and Belmont Abbey after winning the opener from Stetson.

A last half rally fell short in Monday night's encounter with State and the Professors were on the short end of a 76 to 63 score. Down by 17 points at half-time 37 to 20 the Profs outscored State in the second half 43 to 39. Don Wallen was high man with 23 points.

On Tuesday night the Profs traveled to Belmont, N. C. to meet Belmont Abbey. After leading most of the game they dropped behind and were beaten 75 to 68. The loss of Don Avery and Jim Long on personals hurt J. B. Searce's squad as Abbey out rebounded the Profs in the final half. Bo Warren dropped in 25 points to lead the scorers.

In the season's opener with Stetson last Saturday night the Profs played a fine game and were lead by Don Wallen in the scoring department. James (Peabody) Denny also turned in a fine performance.

The Professors will come back to their home grounds to meet Mercer University's Bears on Saturday night immediately following the preliminary contest between the G.T.C. Frosh and Middle Georgia.

Marvin Pittman Splits Opener

Marvin Pittman High School opened their basketball season Monday night by splitting two games with Sardis High.

The Pittman girls romped over the Sardis Sextet by a score of 35-16. Brennen and Wilson, with 10 and 11 points respectively, led the scoring for Pittman. Angelina Jordan was outstanding for Sardis.

In the second game, Sardis got by the Pittman boys 49-41.

VET'S CORNER

By DAVID BEECHER

appointed by the President of the college. The committee also serves as the Board of Appeal. Direct administration of the regulations is under the director of the office of traffic control.

Penalties:

For Violation of Regulations
1. No's 1, 2, and 3 \$5.00
No. 4 \$2.00
No. 5 and 8 — Permit withheld.

2. Traffic violation tickets must be paid or appealed by not later than three days after the date marked on the ticket, or the fine will be doubled. Tickets should be paid at the treasurer's office in the Administration Building. The treasurer will notify the director of traffic control when fines are paid. Appeal may be made on a form which may be secured from the traffic control office.

3. Any student violation of a city, county, or state traffic regulation in the vicinity of Statesboro is subject to investigation and disciplinary action by the college, particularly violations for speeding, reckless driving, or driving under the influence of alcohol.

4. Within the discretion of the director of traffic control a student may be denied the privilege of operating a car in the county for a period of time for repeated violations or for other unusual offenses.

III. Designated Parking Areas:

1. (1) Behind Sanford and Cone.
- (2) Between music building and little store.
- (3) Around front circle except for restricted areas.
- (4) Between Sanford and Pembroke Road.
- (5) Between dining hall and East Hall.

No Parking will be permitted:

- (1) On the back road between science building and old gym.
- (2) In front of Administration Building except in areas marked for the purpose.
- (3) In a restricted area in front of Lewis, East, and West Hall.

It is recommended that parking be discontinued in the area between the Administration Building and West Hall; that a parking area be developed between the old gym and the nursery school; and that the road from Lewis Hall to the old gym be considerably widened to provide a parking area. It is further recommended that parking areas in the vicinity of the M.P.S. be designated by the M.P.S. faculty.

The effective beginning date of the program in operation will be announced in the future. The committee stated that some time will be necessary to secure signs, stickers, and other forms, and to mark off restricted areas.

Gun Brothers

Starring Buster Crabbe and Ann Robinson.

Among the many lovely young ladies present on campus this quarter the Vet's Club has chosen one as being truly outstanding. She has a warm friendly personality and gracious air about her. If there's one think that a veteran's group can never be accused of, it is the accusation that they can't pick beautiful women. Well, it is the opinion of these humble con-

noisseurs of beauty that they're outdoing themselves this time in their selection of Miss Beverly Hall, a blonde-haired Venus from Albany, Ga., to represent them in the annual beauty Revue to select Miss G.T.C. to be held next quarter.

This is Beverly's first quarter on campus. She graduated from Albany high school in June, 1956. Among the many other honors and activities held during high school, she was a very active member of the Tri-Hi-Y and Beta Club. After graduation Beverly worked as a typist in the Carolina Freight Carriers, Inc. office.

Beverly entered school here at G.T.C. this fall and says "that she has fallen in love with the friendly atmosphere here on our sweetheart campus." She plans to complete her college career here at G.T.C. majoring in business with the goal of becoming a secretary for some lucky fellow.

She is not only very pretty but she is very talented and versatile. She likes to dance especially to anything soft and slow, preferably by Nat King Cole. Among the many songs that she likes, her favorite is "If I May." She is a graceful water skier, loves to swim, owns four horses and rides like a real showman. Her favorite sport is football, but is fast changing to basketball after seeing the exciting game last Saturday night. If any of you unlucky fellows have not had the pleasure of meeting this delectable little dish—she is 5'6", weighs 122 pounds, has soft hazel eyes and long blonde hair.

Ways to Help The Hungarians

filled out to the following organizations:

Protestants — Church World Service, International Social Services, Inc., 45 East 46th Street, New York, N. Y.

Catholics: Resettlement Division, Catholic Relief Service, 149 Madison Avenue, New York, N. Y.

Jews: United Jewish Appeal and Federation, Savannah, Ga.

Other agencies: American-Hungarian Federation, 527 Mills Bldg. 17th, Pennsylvania Ave., N. W., Washington, D. C., and International Rescue Committee, 65 West 45th Street, New York 36, N. Y.

EDDIE HODGE AND CHARLES BERGER are pictured after a successful coon hunt. The dogs belong to Berger, a G.T.C. student from Coalgood, Kentucky. Charlie brought the dogs with him to school and a friend here in Statesboro keeps them for him. Both dogs are champion hounds. One is a "red" named Remus and the other a "black" named Moaner. Berger is an avid hunter and expects his dogs to see plenty of action before the school year is out.

Gernant, Remley Attend Meeting

Miss Freida Gernant and Miss Roxie Remley, art instructors at G.T.C., are attending a planning meeting for art education in Georgia today and tomorrow.

The conference is sponsored by the University of Georgia's department of art and will use as a theme "An Action Program for Art Education in Georgia."

Dr. Frederick M. Logan, author of "The Growth of Art in American Schools," will be the guest speaker tonight. He will speak on "Art Education, Some of its Dubious Disciples, and the Future."

From the first two sessions of the conference, plans will be developed for meeting Georgia's problems and needs, and in the third session groups will begin to develop plans uniquely suited to their region.

Knowlton Goes To Fla. Confab

Dr. Clark S. Knowlton, G.T.C. social science professor is at the University of Florida in Gainesville, Fla., attending a conference on political problems of the Caribbean.

Scheduled for Thursday through Saturday of this week, the confab will feature speeches and lectures by outstanding Latin American, English, French and American authorities on the Caribbean situation. The event is sponsored annually by the University of Florida, and considers a different aspect of the life of the Caribbeans each year.

Dr. Knowlton, who teaches Latin American history among other things, is the official representative of G.T.C. The instructor has spent several years in South America, and did graduate work at a University in Brazil, so he is especially interested in Latin American affairs, and usually goes to the conference each year.

CAMPUS COLUMN

By JOYCE JACKSON

Hi fellow students:

Well, I've seen a lot of ball games, but never one quite like the one Saturday night! I'm not a sports expert, but from a man's point of view I have just one word for it—Great!

Many students enjoyed the singing of Beverly Bower, a lovely soprano presented by the Community Concert Association, Friday night.

All the clubs are "eyeing" the beauties on campus this week trying to select the future "Miss T.C." The names of the contestants must be in by December 14.

President and Mrs. Henderson became the proud grandparents of a little girl last Saturday.

The infant is the daughter of Mr. and Mrs. Gene Henderson.

Another sophomore is flashing a diamond this week. Last Monday Enid Jackson became engaged to Ernie Border. "Cookie" Copeland and David Beecher are planning for a wedding in June.

But Roy Alewine has gotten ahead of the others. Last Sunday wedding bells rang for him and a girl from his home town, Augusta.

And Mrs. McCorkle is sporting around in a 1957 Dodge now. It sure is a beauty.

Since my column last week a sophomore boy has told me that he has one slightly used class ring that is ready for "lending" to the first girl that applies. I think that's a cue, girls!

Let's all remember the ball game Saturday night when the Professors met the Mercer Bears. I'll see you there.

BAND TO WAYNESBORO

The G.T.C. marching band was invited to play and march in Waynesboro, Georgia, Thursday, December 5, by the Waynesboro Chamber of Commerce.

The event was the annual Santa Claus parade and the marching began at 4 p. m.

THE BLACK STALLIONS, intramural play-off champions, who finished the season with a six wins and three loss record, and who came out victorious in the play-offs with a three wins and no loss record. Pictured here are front row, left to right: Matheson, Allen, Flournoy (team captain), Sellers, and Barker. Back row: Belcher, Rich, Bowen, Head, and Stallings.

Committee Sets Parking Rules

Continued from page 1

3. All traffic signs displayed on campus must be strictly obeyed. Campus speed limits have been deliberately set to insure the safety of all and will be enforced.

4. No car may be parked on a yellow curb or in a "No Parkin" or other designated reserved area; on the sidewalk or lawn or in a driveway or loading zone; in any form of double or multiple parking.

5. Cars operating on campus may not be equipped with noisemaking mufflers.

6. Any accident should be reported immediately to the traffic control office.

7. Pedestrians have the right of way. All vehicles must be operated with due regard to the safety of pedestrians and other persons driving cars.

8. Operators of automobiles must be able to show evidence that they carry liability insurance on their automobiles. (Effective fall quarter, 1957).

9. Traffic regulations and policies are formulated, modified and interpreted by a committee
