Changes to Spring 11 semester Calendar

Submitted by: Christian Gibson, SGA

Question:

What are the changes to the academic calendar for the Spring 11 semester specifically referring to class times and breaks?

Rationale:

This should be a general concern because the academic calendar affects everyone, especially the students. As the SGA VP of Academic Affairs it is part of my job to explain why changes such as these are being made, to the student senate and my peers. When the possibility of the calendar changes were brought to SGA and then from there, surveys taken of our other students on campus, what the students expressed they would like to see, did not occur. So I am requesting more information the subject.

Response:

8/30/2010: You can find the updated calendars at the link below.
