*I'm Free*

*Don't grieve for me, for now I'm free  
I'm following that path God laid for me  
I took His hand when I heard Him call  
I turned my back and left it all*

*I could not stay another day  
To laugh, to love, to work, or play  
Tasks left undone, must stay that way  
I found that peace at the close of day*

*If my parting has left a void  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Oh yes these things I too will miss*

*Be not burdened with the times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full, I've savored much Good Friends,  
good times, a loved one's touch*

*Perhaps my time seems all too brief  
Don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me, now He set me free.*
