Response:

A second request came from Barbara Hendry, Sue Moore, and others. They submitted an RFI about the due dates for the Faculty Development funds request that was discussed at last month's Senate meeting. Basically, they wanted to know if the deadline could be extended. I conferred with Dr. Amy Heaston, the Associate Provost, and Bill Yang, the Chair of the Faculty Development Committee. Dr. Heaston said that she had well publicized the deadline to new faculty. In addition, the committee did not feel that an extension was warranted in light of a typical number of proposals. Dr. Heaston did request an additional link to General Internal Faculty Grant Opportunities from the faculty/staff web page. That has been done and is in place.
