*The clock of life is wound but once
And no man has the power
To tell when the hands will stop
On what day or what hour.
Now is the time you have
So live it with a will
Don't wait till tomorrow
The hands may then be still.*

ACKNOWLEDGEMENTS

*Maybe you sent a flower or smiled a warm smile-
Maybe you gave a hug or sat and talked a while.
Was it you who brought the food our family enjoyed?
Were you the friend there for support - forever loyal?
Did you lend us your shoulder for a moment to cry?
Was it you who said a prayer for us as you laid down at night?
For whatever kind deed you shared, no matter how great or small,
Comes a tremendous appreciation from deep within the hearts of us all.
Your memory will be in our hearts forever.*
