I'm Free

*Don't grieve for me, for now I'm free
I'm following that path God laid for me
I took His hand when I heard Him call
I turned my back and left it all
I could not stay another day
To laugh, to love, to work, or play
Tasks left undone, must stay that way
I found that peace at the close of day
If my parting has left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I've savored much
Good friends, good times, a loved one's touch
Perhaps my time seems all too brief
Don't lengthen it now with undue grief
Lift up your head and share with me
God wanted me, now He set me free*
