I will work to **ACKNOWLEDGE** that I am a UNICORN! One of a kind. And to recognize that the changes I make in this world will be the result of *my own* unique combination of gifts, talents, and experiences!

I will **AVOID** emotional vulnerability by recommitting myself to:

- ___ Treating Physical Illnesses
- ___ Laughter
- ___ Exercise
- ___ Avoiding Mind/Mood altering substances
- ___ Sleeping well
- ___ Eating well

*(And... I will get *really good* at ...
_____)

I will work to **APPRECIATE** the life-changing experiences I've had, and will plan for more:

- | | |
|---|---|
| 1 | 1 |
| 2 | 2 |
| 3 | 3 |
| 4 | 4 |
| 5 | 5 |

I will practice being **AWARE** of how I feel, without _____ my emotions, so that I can avoid turning my _____ into _____.

I will work to develop my **ANDITUDE!**

I want to change:

- 1
- 2
- 3

About myself...

AND...

"... I recognize that right now, even without those changes, I am loveable, capable, worthy, and valuable. as I am. I am deserving of respect."

I will work to **ACCEPT** these things I cannot change:

I will commit to **ACTING OPPOSITE** to the emotions I have that aren't effective for me.

**(I will use the 90-Second Rule!)*
