# Recently Added Databases

We're pleased to announce that we now have access to the online [ProQuest Historical Newspapers](#). This database includes the full text of The Atlanta Constitution (1868 – 1945), The Atlanta Daily World (1931-2003), and The Irish Times (1859-2009), and is funded by the Student Technology Fee at the request of the Department of History.

We also have several new Cabell's databases for identifying publishing opportunities. We now have Cabell's Directories of Publishing Opportunities in Accounting; Economics & Finance; Educational Curriculum & Methods; Educational Psychology & Administration; Educational Technology & Library Science; Health Administration; Management; Marketing; and Nursing. They're [all listed here](#).

We also now provide a database of [ASTM Standards in Building Codes](#). These standards from the American Society for Testing and Materials (ASTM) are sought after by engineers.
