This is brought to you for free and open access by the Public Health, Jiann-Ping Hsu College of at Digital Commons@Georgia Southern. It has been accepted for inclusion in Public Health Syllabi by an authorized administrator of Digital Commons@Georgia Southern. For more information, please contact digitalcommons@georgiasouthern.edu.
## Prerequisites
HLTH 2130 or permission from the instructor. Co-requisite: HLTH 4134 Research Methods and Evaluation. (2013-2014 Georgia Southern University Undergraduate and Graduate Course Catalog)

## FOLIO Access
https://my.georgiasouthern.edu/portal/portal.php
Access to course materials are available for up to one year after graduation.

## Catalog Description
Provides the student with the theory and practical applications of planning, developing, implementing and evaluating health promotion programs in a variety of settings. The focus will be on a global approach to planning with emphasis on the 5 settings for health promotion programming which include school, community, clinical, college, and worksite settings.

CEPH Concentration Competencies
Forthcoming

CEPH BSPH Competencies
Forthcoming

Public Health Communication
The ability to communicate public health information, in both oral and written forms, through a variety of media and to diverse audiences

Information Literacy
The ability to locate, use, evaluate and synthesize public health information

Performance-Based Objectives Linked to Course Activities (Note: Assessment Activities Described in Next Section)
At the end of this course, each student will be able to complete the following:
1. Utilize health related data about social and cultural environments, growth and development factors, needs and interests. B
2. Identify physical, social, emotional and intellectual factors influencing health behaviors relevant to a proposed health education curriculum/program. B, C
3. Design developmentally appropriate interventions by identifying individual learning styles. E
4. Develop developmentally appropriate mission, goal and objectives statements, and rational supporting the need for a proposed health education curriculum/program. A, C
5. Apply principles of community organization in planning a health education curriculum/program.
6. Determine the range of health-related knowledge and skills requisite to a proposed curriculum/program. E
7. Develop a scope and sequence of subject areas and strategies to address a selected health issue/topic. D, E
8. Apply theoretical and conceptual models from health education and related disciplines to improve program delivery. C
9. Incorporate demographically and culturally sensitive techniques when promoting programs.
10. Demonstrate both proficiency in communicating health information and health education needs by appropriately using oral, electronic, and written techniques for communicating health education information.

*All course objectives are based on the responsibilities, competencies, and sub-competencies identified in the A Competency-Based Framework for Health Educators (NCHEC, SOPHE, & AAHE, 2010).

http://www.nchec.org/_files/_items/nch-mr-tab3-110/docs/areas%20of%20responsibilities%20competencies%20and%20sub-competencies%20for%20the%20health%20education%20specialist%202010.pdf
Assessment of Student Learning
Students may vary in their ability to achieve levels of competence in this course. Students can expect to achieve course competence only if they honor all course policies, attend classes regularly, complete all assigned work in good faith and on time, and meet all other course expectations of them as students.

COURSE REQUIREMENTS & ASSESSMENT:

A. Application for Project Team Position [10 pts]
You apply for a project team position by submitting a resume, unofficial transcripts and cover letter. Pay careful attention to the job announcement and tailor your cover letter to best fit. I recommend visiting Career Services to have your resume reviewed. DO NOT use a template. And no, you do not need to use heavy weight paper for this assignment. Regular paper will do. This will be due in class Thursday, August 22nd. Students will choose initial teams. Teams will be finalized by Dr. Lawrence based on quality of application materials for the program proposal will be created by the instructor by the second week of class.

Why? Your resume, transcript, and cover letter are the first impression that you will give to a future employer. The closer to perfection it is, the greater your chance of making a good impression on an employer.

B. Peer Evaluation (PE) team assessments and feedback [20 Pts]
Throughout the semester, you should have an idea of how you and your team members are progressing on your project. You are encouraged to keep an open dialog with your team members about issues as they arise. The PEs should be filled out and should address only the previous weeks’ performance (both positive and negative). You will be assessed points based on your performance according to yourself and your group members as well as on the quality of the feedback you provide on others. Rating your group members without substantiating your scores will lead to a lower grade. Please note that your assessment will be confidential, but the average of all the ratings for each assessment will be provided to each team member. There will be a place on the PEs to write messages directly to me that will not be seen by anyone else. In the event that an issue arises that needs immediate assistance from me, please email or call me on my office phone, as I only check the PEs after each submission date listed in the course schedule. The average peer evaluation will be incorporated into your final peer evaluation grade. This is to encourage you to be truthful with each of your teammates (4 PEs @ 5 pts each).

C. Examinations [150 points]
There will be a midterm (50 points) and a final (100 points) for this class. The midterm will be given online, and the final will be on the assigned time and date for this course. Exam material will cover: chapters, articles, handouts from course lectures, discussions, and activities. The format may include multiple choice, fill-in-the-blank, matching, and /or short answer items. A large portion of the CHES exam is from this information.
D. **Quizzes [40 points]**
Quizzes will be posted on your Folio page for this course. There will be a total of 8 quizzes, one for each chapter of the required text. The quizzes will be 5 points. You will have 2 opportunities to take the quiz. Your highest grade will count.

E. **Team Program Proposal [100 points]**
You will be placed in a group with 4-5 other students for your health project. As a group, you will work on one community project. Through the next two semesters, you will work with this group to plan, implement and evaluate a community health program. **Details included on Folio.**

F. **Assignments**
You will be asked to complete 6 group assignments ranging from 5-20 points throughout the semester to prepare you for your final project. Each team will turn in an assignment as a **group which means that only one assignment is submitted per group**; I would encourage you to make notes about team members to use for the **Peer Evaluations** after each assignment. Each of the assignment deadlines are listed on the syllabus and posted on Folio. The due dates and times are in Folio’s calendar and listed in Dropbox (please review and plan accordingly).

**NO LATE ASSIGNMENTS.**

G. **Proposal “Connecting the Dots” Presentation [25 points]**
During the final weeks of the course you will give a 10-minute presentation to highlight the aspects of your proposed program. A grading rubric will be posted on Folio. The last group presentations deserve the same attention and courtesy as the first group. You will be evaluated by the instructor and a panel of guests.

H. **Attendance [Deduction]**
**Attendance** – There will be a **5-point deduction on each absence** from your total grade.

THANKSGIVING BREAK: NO CLASS!!
GIVE THANKS!!

Week 16: December 3/5
12/3: Final Exam Prep
12/5: Final Exam Prep
*Peer Evaluation 4 (Due 12/2)
MEET WITH COMMUNITY PARTNER: Discuss Final Project; Plans for next
**Portfolio Inclusion**
Samples of your work may be reproduced for search purposes and/or inclusion in the professor’s teaching portfolio. You have the right to review anything selected for use, and subsequently ask for its removal.

**Instructional Methods**

Class meetings will be a combination of lecture, class discussion, and active participation. Computer-generated presentations will be used in the lecture portion of this course. Prior to each lecture, the student is encouraged to complete the recommended readings and actively participate in class discussions. In this way, it is hoped that the learner will be better prepared to successfully accomplish the learning objective of each lecture experience.

**Grading**

</tbody>
</table>
General Expectations

1. For every one-credit hour, you should expect to work roughly two hours outside the classroom each week. For example, for a three-credit hour course, during a regular fifteen-week semester, you should expect approximately ninety hours of work outside of class.

2. Students are expected to keep up with the class, to read the required material, and to submit assignments and activities by due dates and times.

3. Students are expected to independently complete all activities, exercises, assignments, and assessments including exams.

4. Students are expected to produce quality work. Typos and grammar errors should be kept to a minimum. The format and readability of submissions will be taken into consideration when assigning a grade.

5. Remember to check when assignments are due. It is recommended that you stay ahead of schedule on the assignments, so if an emergency happens, your assignment will be completed and ready to submit within the designated time frame. It is your responsibility to keep track of the due dates for each assignment.

Response Times

During a normal work week (i.e., Monday 9:00 AM through Friday 5:00 PM) students can expect responses as follows:

- Email: within 48 hours
- Discussion posts: within 72 hours
- Assignment grades: within 72 hours of submission date.

Exceptions: I may not check FOLIO or GSU email over the weekends. If you send me an email after 5:00 PM on Friday, please do not expect a response until the following Monday.

All assignments will be graded promptly so that students may accurately calculate their grades at any point in time during the semester. There are times when extraordinary circumstances occur (e.g., serious illness, death in the family, etc.). In such circumstances, and/or if you need additional time to satisfactorily complete any course requirement, please consult with the instructor within a reasonable amount of time. Extensions are not guaranteed and will be granted solely at the discretion of the instructor.

Course Expectations

Student Expectations and Responsibilities:
1. There will be no make-up exams given. Exams are the property of the professor, any exams removed from the classroom by students will result in the score of a “0” being assigned for that exam, and an “F” for the entire course. You must notify the professor IN ADVANCE if you have a university excused absence or a make-up test will not be offered. Any person not showing up for an exam without prior notification automatically receives an “F”.

No make-up tests are given except for a university excused absence with full documentation. If you miss a test, you have one week to make the exam up. If it is not made up within one week, you will receive 0 points for the exam. You have 24 hours after a test is taken by the class to contact me via email to schedule your make-up exam.

2. The final exam is mandatory.

3. Late work assignments are not accepted. Most assignments will be submitted through Folio (a day and time will be posted).

4. Please consult the STUDENT CONDUCT CODE 2014-15 for course policy concerning issues related to academic dishonesty. Anyone caught violating any of these regulations will be immediately reported to GSU's Judicial Board and be assigned an “F” for the course.

5. The last day to drop without academic penalty is October 8, 2018.

6. Samples of your work may or may not be reproduced for research purposes and/or inclusion in the professor’s teaching portfolio. You have a right to review anything selected for use, and subsequently ask for its removal.

7. This syllabus, my lectures, and all materials distributed and presented by me during this course are protected by copyright law. You are authorized to take notes in this class but that authorization extends only to making one set of notes for your personal use and no other use. You are not authorized to sell, license, commercially publish, distribute, transmit, display, or record notes from this class unless you have my written consent to do so.

8. If you are receiving services from the Student Disability Resource Center (SDRC), please notify me as soon as possible, to schedule an appointment to present me with your accommodation letter.

9. This course will use Folio (Desire 2 Learn) as a course supplement. You are responsible for all material uploaded online. To do well in this course you must check Folio regularly for any messages that I might have for you.

10. Read communication rules, technology requirements, netiquette requirements and other materials posted in the Course Information module. This module provides you important information regarding course requirements and course management.
11. When you need to contact me, please do so through FOLIO email account. Please give me 48 hours to respond to emails. To write a professional email, please include the following:
   - a salutation,
   - identify who you are,
   - what the contact is in reference to (i.e. PUBH4132), and
   - what you would like me to do.
At the bottom of the email, please type out your name.

Texting and Use of Cell Phones (and Other Technologies)

Cell phones are expected to be OFF (or on silent) and OFF your person (in your purse or book bag) at all times during all classes. If your cell phone goes off during class, you are using the phone (i.e. texting) or cell phone is on your desk/person at any time during any lecture you will be asked to leave the class and will lose 15 points from your total grade every time this happens. In case of an emergency, please notify me prior to class.

Class Attendance and Participation Policy

Attendance – Due to the nature and structure of this course, class attendance is of utmost importance. You are responsible for any material covered or distributed in class, including any announcements, whether or not you are present. Attendance will be taken regularly. There will be a 5-point deduction on each absence from your total grade. You are also expected to participate in online group meetings on WebEx. The instructor will verify your attendance through the recordings.

Georgia Southern believes that significant student learning occurs in the classroom and recognizes the importance of in-class experiences, and if missed by a student even for legitimate reasons, cannot be fully recovered.

Participation? Chapters should be read before coming to class, participating in class activities and discussions, and being responsible for turning in assignments on time. You are expected to spend an average of at least twelve hours in preparation/homework for this class per week. Sleeping with eyes open or closed, texting, earphones in, chatting, checking Facebook or Instagram, emailing are not considered “participating”. Deductions will be given to students found on their phones during class. This includes during group work.

Federal regulations require attendance be verified prior to distribution of financial aid allotments. Regular attendance is expected. Your attendance will be verified at the first regular class session.

It is the policy of the University to permit students, faculty, and staff to observe those holidays set aside by their chosen religious faith. The faculty should be sensitive to the observance of these holidays so that students who choose to observe these holidays are not seriously disadvantaged. It is the responsibility of those who wish to be absent to make arrangements in advance with their instructors.
Students participating in authorized activities as an official representative of the University (i.e., athletic events, delegate to regional or national meetings or conferences, participation in university-sponsored performances, and JPHCOPH funded) will not receive academic penalties and, in consultation with the instructor of record, will be given reasonable opportunities to complete assignments and exams or given compensatory assignment(s) if needed. The student must provide written confirmation from a faculty or staff advisor to the course instructor(s) at least 10 days prior to the date for which the student will be absent from the class. The student is responsible for all material presented in class and for all announcements and assignments. When possible, students are expected to complete these assignments before their absences. In the event of a disagreement regarding this policy, an appeal may be made by either the student or the instructor of record to the corresponding college dean. (University Undergraduate & Graduate Catalog)

Academic Misconduct

As a student registered at this University, it is expected that you will adhere to only the strictest standards of conduct. It is recommended that you review the latest edition of the Student Conduct Code book, as well as the latest Undergraduate & Graduate Catalog to familiarize yourself with the University’s policies in this regard. Your continued enrollment in this course is an implied contract between you and the instructor on this issue; from this point forward, it is assumed that you will conduct yourself appropriately.

Plagiarism:

According to the Academic Dishonesty Policy of Georgia Southern University, Plagiarism includes (but is not limited to):

A. Directly quoting the words of others without using quotation marks or indented format to identify them.

B. Using published or unpublished sources of information without identifying them.

C. Paraphrasing material or ideas without identifying the source.

D. Unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic material.

If you are accused of plagiarism by a JPHCOPH, the following policy, as per the Judicial Affairs website: (http://students.georgiasouthern.edu/judicial/faculty.htm) will be enforced:

PROCEDURES FOR ADJUDICATING ACADEMIC DISHONESTY CASES

First Offense - In Violation Plea
1. If the professor and the Dean of Students agree that the evidence is sufficient to warrant a charge of academic dishonesty, the professor should contact the Office of Judicial Affairs to determine if this is a first violation of academic dishonesty. The incident will be reported via the following website: http://students.georgiasouthern.edu/judicial/faculty.htm
2. If it is a first violation, the professor should talk with the student about the violation. If the student accepts responsibility in writing and the professor decides to adjudicate the case, the following procedures will be followed:
a. The student will be placed on disciplinary probation for a minimum of one semester by the Office of Judicial Affairs.

b. The student will be subject to any academic sanctions imposed by the professor (from receiving a 0 on the assignment to receiving a failing grade in the class).

c. A copy of all the material involved in the case (Academic Dishonesty Report Form and the Request for Instructor to Adjudicate Form) and a brief statement from the professor concerning the facts of the case and the course syllabus should be mailed to the Office of Judicial Affairs for inclusion in the student’s discipline record.

First Offense - Not in Violation Plea (student does not admit the violation)
If the professor and the Dean of Students agree that the evidence is sufficient to warrant a charge of academic dishonesty, the professor should contact the Office of Judicial Affairs to determine if this is the first or second violation of academic dishonesty. The student will be charged with academic dishonesty and the University Judicial Board or a University Hearing Officer would hear the case. If the student is found responsible, the following penalty will normally be imposed:

a. The student will be placed on Disciplinary Probation for a minimum of one semester by the Office of Judicial Affairs.

b. The student will be subject to any academic sanctions imposed by the professor.

Second Violation of Academic Dishonesty
If the professor and the Dean of Students agree that the evidence is sufficient to warrant a charge of academic dishonesty, and if it is determined this is the second violation, the student will be charged with academic dishonesty and the University Judicial Board or a University Hearing Officer would hear the case.

If the student is found responsible, the following penalty will normally be imposed:

a. Suspension for a minimum of one semester or expulsion.

b. The student will be subject to any academic sanctions imposed by the professor.

NOT RESPONSIBLE FINDING
When a student is found not responsible of academic dishonesty, the work in question (assignment, paper, test, etc.) would be forwarded to the Department Chair. It is the responsibility of the Chair to ensure that the work is evaluated by a faculty member other than the individual who brought the charge and, if necessary, submit a final grade to the Registrar. For the protection of the faculty member and the student, the work in question should not be referred back to the faculty member who charged the student with academic dishonesty.
In the case of a Department Chair bringing charges against a student, an administrator at the Dean’s level will ensure that the student’s work is evaluated in an appropriate manner.

CONFIDENTIALITY
In accordance with provisions of the Family Educational Rights and Privacy Act of 1974 and the Georgia Open Records Act, any information related to a violation of academic dishonesty or the outcome of a judicial hearing regarding academic dishonesty, is prohibited and must be treated as confidential by members of the faculty."
Accommodations for Individuals with Disabilities
In compliance with the Americans with Disabilities Act (ADA), Georgia Southern University will honor requests for reasonable accommodations made by individuals with disabilities. Students must self-disclose any disability for which an accommodation is being sought to the Student Disability Resource Center (SDRC) before academic or other accommodations can be implemented. For additional information, please call the Director of EEO and Title IX at (912) 478-5136 / TDD (912) 478-0273 or the SDRC Director at (912) 478-1566 / TDD (912) 478-0666. The TDD phone numbers are intended for individuals with hearing impairments.

University Calendar for the Semester
The University Calendar is located with the semester schedule, and can be found at: http://em.georgiasouthern.edu/registrar/resources/calendars/

One Final Note
The contents of this syllabus are as complete and accurate as possible. The instructor reserves the right to make any changes necessary to the syllabus and course material to ensure better student learning. The instructor will announce any such changes in class. It is the responsibility of the student to know what changes have been made in order to successfully complete the requirements of the course.

This syllabus, my lecture notes, and all materials distributed and presented during this course are protected by copyright law. You are authorized to take notes in this class, but that authorization extends to only making one set of notes for your personal use and no other use. You are not authorized to sell, license, commercially publish, distribute, transmit, display, or record notes from this class unless you have my written consent to do so.
STUDENT CONDUCT CODE
The Student Conduct Code is the official University publication governing student conduct and behavior. It is the responsibility of each student to become familiar with the rules and regulations governing student life. Student conduct procedures, appeal procedures, and disciplinary sanctions are found in the Student Conduct Code at http://students.georgiasouthern.edu/conduct. I acknowledge that I have read and understand this statement referencing the Student Conduct Code.

ACADEMIC DISHONESTY
The University goal is to foster an intellectual atmosphere that produces educated, literate people. Because cheating and plagiarism are at odds with that goal, they shall not be tolerated in any form. Students are expected to adhere to the rules and regulations as set forth in the Student Conduct Code. Therefore, all work submitted by a student must represent that student's own ideas and effort; when the work does not, the student has engaged in academic dishonesty. Plagiarism occurs when a person passes in another person's work as his or her own, borrows directly from another person's work without proper documentation, and resubmits his or her own work that has been previously submitted without explicit approval from the instructor. For example, academic dishonesty occurs whenever a student participates in any of the following: cheating submitting material that is not yours as part of your course performance; using information or devices that are not allowed by the faculty; obtaining and/or using unauthorized materials; fabricating information, research, and/or results; violating procedures prescribed to protect the integrity of an assignment, test, or other evaluation; collaborating with others on assignments without the faculty's consent; cooperating with and/or helping another student to cheat; demonstrating any other forms of dishonest behavior. Plagiarism directly quoting the words of others without using quotation marks or indented format to identify them; using sources of information (published or unpublished) without identifying them; paraphrasing materials or ideas without identifying the source; self-plagiarism - resubmitting work previously submitted without explicit approval from the instructor; unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic material. NOTICE: The list above is intended only to provide general guidelines for recognizing and avoiding common types of academic dishonesty. It is in no way an exhaustive or comprehensive list of all the types of academic dishonesty. For more information about academic honesty, see the Student Conduct Code at http://students.georgiasouthern.edu/conduct. I acknowledge that I have read and understand the Academic Dishonesty Policy.

I have read the syllabus and understand the contents and course requirements.
