THE LATEST NEWS FROM THE GEORGE-ANNE *What's happening in your world this morning?*

ICYMI: What precautions should you be taking to keep you and your family safe?

The George-Anne reached out to Gemma Skuraton, health promotion coordinator, to see how we could prepare for the break and what we should keep in mind.

College students urged to stay on campus as Thanksgiving break nears (NBC News)

With the holidays fast approaching, health experts fear hundreds of

thousands of students who do travel home could spread the virus to their families.

Should I be freaking out about COVID-19? (CDC)

You may be feeling worried, bored, or frustrated. COVID-19 is frightening, and you are not the only one feeling stressed.

Travel during the COVID-19 Pandemic (CDC)

Travel increases your chance of getting and spreading COVID-19. Staying home is the best way to protect yourself and others from COVID-19.
