**There's Sunshine In A Smile**

*Life is a mixture of sunshine and rain,  
Laughter and pleasure, teardrops and pain,  
All days can't be bright, but that's certainly true,  
There was never a cloud that didn't shine through,  
So just keep on smiling whatever betide you,  
Secure in the knowledge God is always beside you  
And you'll find when you smile your day will be brighter,  
And all of your burdens will seem so much lighter  
For each time you smile you will find it's true  
Somebody, somewhere will smile back at you  
And nothing on earth can make life more worthwhile  
Than the sunshine and warmth of a beautiful smile

*There is no Greater Blessing  
Than an Understanding friend  
who is there in times of trouble  
and on whom we can depend.  
A friend who knows our every mood  
and brightens cloudy days.  
One who's slow to criticize,  
but quick to offer praise.  
There is no greater blessing  
than a friend who always cares;  
one who remembers us  
in daily thoughts and prayers.
