My Brother

I thank the Lord for a brother such as you . All of the great memories of the things that we used to do. It seems like yesterday when there was nothing wrong, But I realize that God said that it is time for you to come home. Home for a man that has done his best.

So be at peace my brother because it is time to rest.
That is why I thank the Lord. Knowing that you have Passed the test.

A True Soldier

He was more than a soldier for the U.S. Army. He served in the military for many years and a day. A real American hero in everything that he did. He fought the battle the best that he could. Just like we all knew a true soldier would. He stayed true until the very end. Thank you my soldier And I'm so glad that we are kin
