Hot Doc: Tax Forms!

January 18, 2012

It's tax time again! All forms needed to file income taxes should be available from <http://www.irs.gov/> under forms and publications, and <https://etax.dor.ga.gov> under forms and publications, individual, or https://etax.dor.ga.gov/inctax/individual_income_tax_forms.aspx

The library has the print forms you need to get those taxes filed if you'd rather file by mail, and now is a great time to come in to the library and see what's new this semester* while getting the forms you need! We have 1040A instruction booklets and forms, 1040, 1040A and 1040EZ forms as well as schedules and common forms such as EIC. We also have GA Department of Revenue booklets with instructions and forms for 500 and 500EZ. We expect the instruction booklets for 1040 and 1040EZ soon. Forms and booklets are located between the Access Services and Information Desks on the 2nd floor.

If we don't have copies of the forms you need, we have a book of reproducible forms in the Documents Reference area in the Learning Commons on the 2nd floor.

Remember to allow yourself time to complete and submit your returns by Tuesday, April 17th this year.
