SUBJECT: Harassing and Threatening Behavior Statement

This memo is in response to your memo dated October 8, 2003, requesting adoption and distribution of the Senate endorsed “Georgia Southern University Statement on Harassing and Threatening Behavior.” Although the endorsed statement appears in most instances to duplicate or parallel existing policy and/or practice, I agree that harassing and threatening behavior is unacceptable and that members of the university community should be well-informed of actions to take when confronted with such behavior. Therefore, I have directed the Office of Institutional Compliance to revise existing Georgia Southern policies to incorporate the principles enunciated in the statement and to widely distribute those policies as recommended by the Faculty Senate.
