Only One Step

*Do not grieve for me, my dear ones,
Now that I have gone away,
I have only stepped quietly through the door,
Into the dawn of a brighter day.*

*If you could see the beauty,
Of the garden I am walking through,
If you could feel the touch of His hand,
You would want to walk here too.*

*If you could see the sunshine,
With no dark shadows lurking near,
If you could know the joy supreme,
I find with my Lord so dear.*

*With no sorrow can ever be,
You would be glad I slipped away...
To this beautiful land of eternity.*

*I will be waiting for you, my dear ones,
I will be watching day by day,
And I will ask my Father to guide you,
Lest you falter along the way.*

*So when this life is over,
And the night is drawing nigh,
I pray you too, find it only a step,
To walk with my Lord and I.*

*With much love,
Your Son, Bobby*

DON'T
*Don't spend too much time in mourning
Tears are for the sad.
Don't waste your hours in grieving
No need to feel distress
I'm tired of life's frustrations
And had to get some rest.
Don't vex yourself with questions
Or try to reason why
Life here for me was ended
It came my time to die.
Don't loose the love I gave you
Spread it everywhere.
Don't fret because my leaving
We'll have another meeting
In God's Eternal Day.
