New Search at GALILEO

August 22, 2012

In September, GALILEO will offer users a brand new way to search GALILEO!

Discover@GALILEO will replace

the old federated search product. While the main search page of Discover@GALILEO looks different, users will

be taken directly to [Discover@Georgiga Southern](#), Georgia Southern University's new, one-stop searching

experience. If you would like to try out the new search early, it is available [here](#).
