Double safety, double masking

Information sources have been discussing the merits of “double masking” since the new strains of Covid-19 began to show up. This involves adding a secondary layer of fabric over your already existing facemask with the theory that it would increase the effectiveness of the first facemask.

Renovating the records- Georgia Southern museum's plans for reopening

Though it's still closed for the moment, the Georgia Southern Museum is making preparations to open its doors once again this spring. As part of these preparations, the museum is in the process of hiring a new staff, including a new Curator of Education.

In honor of Black History Month, Georgia Southern Faculty Commons members affirm our belief that, being made in the image of God, every person has dignity & value, and that, being precious in the eyes of God, it is our hope & prayer that we would all be precious to one another, living in peace & harmony.

“And above these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts . . .” - 1 Cor. 3: 14-15a (ESV)

Faculty Commons is an organization dedicated to encouraging Christian faculty at Georgia Southern to grow in their faith and practice. Faculty Commons is not affiliated with Georgia Southern University. Contact Reed Smith (rsmith@georgiasouthern.edu) or Jamie Cromley (jcromley@georgiasouthern.edu) for more information.

“I refuse to accept the view that mankind is so tragically bound to the starless midnight of racism and war that the bright daybreak of peace and brotherhood can never become a reality . . . I believe that unarmed truth and unconditional love will have the final word.”
— Martin Luther King, Jr
