H and C Exams Set for Nov. 7 In McCroan

The History and Constitution exams will be given Thursday, Nov. 7, from 1:30-4:30 p.m. in McCroan auditorium.

All students are required to pass an examination on the History of Georgia and the United States and on the Constitution of Georgia and the United States before graduation, according to Larry Davis, assistant dean of students.

Courses which exempt a student from these tests are: History 250 or History 251, or History 351 and 352.

Students planning to take the exams must sign the roster on the Student Personnel bulletin board downstairs in the Administration Building.

Dr. Daniel Urges Flu Precaution; Shots Available

Flu shots will be given through Friday, Nov. 15 from 9-5 p.m. in the Health Cottage. Only 161 students have taken advantage of the free vaccine, according to Dorothy Wiggins, licensed practical nurse.

Dr. A. B. Daniel, director of health service, encourages one-hundred percent participation to these shots because of the predicted Asian flu epidemic for 1969.

Fraternities and sororities are urged to sponsor a mass support campaign.

Committee On Pageant Will Attend Forum

Five students will represent the college at the College Pageant Forum in Calloway Gardens, Saturday, Nov. 2 and Sunday Nov. 3.

The five are: Shelley Douglas, chairman; Sandra Hartness, president of SAGC; Pat Bolton, procurement chairman; Terry Owen, business chairman; and Mimi Flynt assistant director.

Miss Georgia, Burma Ann Davis, and Miss America, Judith Anne Ford, will speak to the representatives Saturday. Business discussions include: Management of the Pageant, Production and Direction of the Pageant, Organization and budgeting, and other group discussions.

The Miss GSC Pageant is tentatively set for February.

The Platters

SAGC to Sponsor 'Platters', Nov. 14

THE PLATTERS will appear in concert from 8-10 p.m., Thursday, Nov. 14, in Hanner Gym, according to Miss Sandra Hartness, president of SAGC.

The Student Association sponsored concert is free with I.D. cards. General admission at the door is \$2 per person.

THE PLATTERS, internationally famous vocal quintet, record for Mercury Record, Inc. They have 13 gold records and three gold albums to their credit.

The group includes Herbert Reed, the original "Mr. Platter"; Sonny Turner, lead tenor; Sandra Dawn, female vocalist; John Rodgers, baritone; and Ron Austin, second tenor.

Buck Ram, creator and

originator of THE PLATTERS, travels with the group. Ram composed such PLATTERS' hits as "Only You," "The Great Pretender," "Twilight Time," and "Remember When."

Duke Hall is pianist-conductor for the group.

Women may wear slacks. Dorm closing hours will be extended until midnight, according to Miss Hartness.

PIC to Sponsor Saturday Dance

The Professional Inter-Fraternity Council is sponsoring a dance in Hanner Gym, Saturday, Nov. 2, from 8 to 12 p.m.

Music will be furnished by "Ted Carroll and the Music Era."

I.D.'s must be shown to buy tickets. Admission will be \$1.50 in advance and \$1.75 at the door.

WSGA Proposes Change in Coed Dress Regulation

The Legislative Council of Women's Student Government Association has submitted a proposal concerning a change in the women's dress regulations for approval to the administration.

The proposal recommends changing the women's rules concerning dress to permit women to wear slacks or shorts anywhere except in the classrooms seven days a week. This proposal was decided upon at the WSGA meeting held Wednesday, Oct. 25.

The present regulation concerning women's dress states that "sports" attire may be worn only from 6:30-7:30 p.m. on Fridays and all day Saturdays until 7:30 p.m. Shorts and slacks may not be worn in classrooms, the Administration building, or downtown Statesboro. The EAGLE-EYE Handbook states that "regulation" dress must be observed at all times Sunday through Thursday.

The WSGA proposal is now being considered through the proper administrative channels. The proposal will not go into effect unless it is approved by the administrative officials.

"I am glad to see that students are utilizing the proper channels of government for

proposing major revisions in regulations such as this one," said Miss Sally Harvard, president of WSGA.

"I think the students involved in making this decision gave it much thought and considered all aspects involved," added Miss Harvard.

'No Exit' Casting Begins Monday At Coffeehouse

Casting for "No Exit", a one-act play by Jean-Paul Sartre, begins at 8 p.m. Monday, Nov. 4, at the EXIT coffeehouse. The coffeehouse is located at 120 S. Main Street in the basement of the Georgian Hotel.

"Anyone interested in reading for a part may come to the tryouts," said Carlton Humphrey, assistant professor of English and director of the play. There are openings for four characters—two male and two females parts. Readings will be open for students, faculty and Statesboro residents.

"No Exit" is an existentialist drama in which the characters are condemned to a psychological hell because they have failed to live their lives authentically.

"The tentative production date is the week prior to final exam week," Humphrey said. "The play will be performed only if there is sufficient student interest," he added.

SUDDENLY, I HEAR A SYMPHONY

The Golden Eagle Band presented a concert of light music Tuesday, Oct. 22, by the campus lake. The music included selections from musicals, marches, and other light selections. Approximately 200 students and faculty members attended the concert.

Gov't Agencies Scout Campus

Representatives of various government agencies will be on campus, Wed. Nov. 6, to conduct a Federal Employment Outlook Program. Information, brochures, applications, and individual consultation will be made available to interested students.

Eight government agencies will be involved with the day long program, Civil Service Administration, Defense Supply

Agency, Food and Drug Administration, Internal Revenue Service, National Labor Relations Board, Post Office Department, Social Security Administration, and the Veteran's Administration Hospital.

The program is sponsored by Phi Beta Lambda, an organization composed of business majors interested in promoting leadership and interest in business occupations.

College Level Exam Program

Given Sat., Nov. 23 in McCroan

The College Level Examination Program will be given Saturday, Nov. 23, in McCroan Auditorium.

The examination program is an achievement test battery in the areas of English composition, natural sciences, mathematics, humanities, social science and history, according to Larry Davis, administrative assistant.

"The six-hour examination is designed to measure achievement within general education areas," said Davis.

"Students who have completed 70 quarter hours will take the test. Students who are eligible this quarter must take the exams this quarter. Each student involved will be notified of the time and place through a letter sent to their boxes in the Landrum Center."

All units of the University System of Georgia are participating in the program and the tests are administered free of charge to students. Test results will be posted on student transcripts.

This is the slip-on for your **BLAZER or SPORT COAT**

Tale of the tassel: It's new and urbane, it's ideal with today's dressier sportswear. This Jarman slip-on also boasts hand-sewn moc seam. Try a pair with your blazer or sport coat.

MacLaine, Caine Star in 'Gambit'

A suspense thriller, "Gambit", is the free movie for this week to be shown at 8 p.m. Friday, Nov. 1, in McCroan. This movie starring three-time academy award winner, Shirley MacLaine, and Michael Caine of Alfie and Ipcress File, is set against the exotic backgrounds and intrigue of Hong Kong and the Middle East. MacLaine and Caine are cast as a pair of self-made master criminals.

Gambit is a tightly-knit film of international art theft and has several surprise endings—each one more amazing than the one before.

Kappa Sig Frat Chartered Here Sunday, Oct. 26

Kappa Sigma fraternity was installed as Kappa Zeta Chapter Oct. 26, at Pittman Park Methodist Church.

The chapter here made the total of Kappa Sigma chapters in the United States rise to 156. The Order was first founded in 1400 in Bologna, Italy. It was founded in the United States in 1869 at the University of Virginia.

Brad Holbrook, international ritualist, and Bob King, district grand master, officiated the ritual.

Following the ceremonies, the 20 initiates, President John O. Eidson, Vice-President Pope A. Duncan, Dean Maguire, Dean Lynch, and Shelton Evans attended a banquet at the Holiday Inn.

KD Pledges Hold Car Wash; Assist With Carnival

The pledge class of Kappa Delta is sponsoring a car wash Nov. 2, from 9 a.m. to 4 p.m. at Mac's Standard Oil Station. The charge is one dollar per car. Pledges will be selling tickets to the car wash this week on campus.

Kappa Delta members are assisting with the Halloween Carnival at Sallie Zetterower Elementary School, Oct. 30. The members are sponsoring a doll show at the carnival.

PIC Elects

Nease President

The Professional Interfraternity Council (PIC) elected officers at a meeting, Oct. 2. The new officers for the organization are: Jim Nease, president (Delta Sigma Pi); Ronnie Stewart, vice-president (Phi Mu Alpha Sinfonia); Frances Barclay, second vice-president (Kappa Phi Kappa); Cheryl Bracken, secretary (Kappa Delta Epsilon); and Gretchen Studier, treasurer (Sigma Alpha Iota).

Each member organization has one officer on the executive committee, according to Jim Nease, president.

Kit Kennedy Named Pres. D-Z Pledges

Pledge class officers for Delta Zeta sorority are: Kit Kennedy, president; Peggy Barnett, vice-president; Margie Callahan, treasurer; Jan Whitaker, secretary; Beverly Finleyson, projects chairman; Diane Reid, activities chairman; and Mary Ann Chandler, song leader.

TKE's Install

Six New Pledges

Lambda Upsilon of Tau Kappa Epsilon installed six pledges Monday, Oct. 28, at the residence of Hegemon Chip Sary, 302 Savannah Ave.

The pledge are: Ed Bailey, Mike Chomicki, Terry Cromer, John Ehrhardt, Pat Fox, and Bill Wilson.

Southern Greek News

Miss Chery Teston, senior art major from Alma, has been selected as the 1968 Rose of Kappa Alpha Fraternity.

Phi Mu Pledges Select Officers

Officers for the pledge class of Phi Mu sorority are: Dey Winslow, president; Mitzi Mills, vice-president; Linda Threlkeld, secretary; Joy Grizzle, treasurer; Susan Stuart, projects chairman; and Suzanne Hester, chaplain.

As their first project the pledges are making a directory for pledges and members for personal use by the sisters.

A D Pi Bazaar Set for Saturday

Alpha Delta Pi sorority will hold a bazaar Saturday, Nov. 9, on East Main Street, downtown Statesboro.

The items to be on sale have been made by the sisters and include flower arrangements, throw pillows, and many other original and useful items, according to Bebe Blount, sorority president.

Phi Beta Lambda Urges Voting; Holds Cookout

Phi Beta Lambda is carrying out its "Most Original-Project", a proposal to encourage students to vote by absentee ballot in the upcoming election.

Instructions for voting by absentee ballot and a form letter for writing for this ballot have been distributed in the meal lines at both student centers and copies placed in every dormitory. Phi Beta Lambda urges every registered voter to go to the polls on election day or vote by absentee ballot.

The fraternity held its first social of the year at the residence of Dr. Howard

Jackson. The event was a cookout held in the Jacksons' backyard, which was decorated in the Halloween motif.

After the social Dr. Jackson gave a tour of his home and showed the items he collected while with the Office of Education in India.

Correction

In last week's GEORGE-ANNE it was reported that Zeta Tau Alpha sorority had celebrated its seventeenth anniversary. A correction should be made. Zeta Tau Alpha celebrated its seventieth anniversary.

"Coca-Cola" and "Coke" are registered trade-marks which identify only the product of The Coca-Cola Company.

**Ever get
the feeling
you're
surrounded
by nuts?**

Cool it. Things could be worse. You could be out of ice-cold Coca-Cola. Coke has the refreshing taste you never get tired of. That's why things go better with Coke, after Coke, after Coke.

Attention

Of course you don't have to depend on dresses cut down to here with transparent sides and a curious lack of background to get attention! Anyone with your brains and talent and good looks can inspire approval and declarations of dedication just by being natural. But to be positively sure, wear something as pleasing as a dress or suit from THE VILLAGER®.

Tilli's

"For Your Shopping Pleasure"

EXISTENTIAL EXIT

Although Bob Dylan's "Mr. Jones" and other members of today's "uptight, stay at home, obey all rules, don't think" generation might feel a bit uncomfortable, we believe that the liberal portion of the students at this college now have a coffeehouse where free thought is not a shocking phenomenon.

Free thought and self-expression are not the only happenings at the coffeehouse. The entertainment is provided on the basis of "do what you feel." A 'happening' at the Exit could include anything. . . .

The Exit has taken on the atmosphere of a traditional European or Greenwich Village coffeehouse. Washington Square is not as far from Statesboro as you think. As the Exit has just recently re-opened, wall space is available for students who wish to exhibit their art work. Paintings which are for sale may also be displayed at the coffeehouse.

The existentialist drama, "No Exit" by Jean-Paul Sartre, will be produced at the coffeehouse this quarter. Carlton Humphrey, assistant professor of English, will direct the play. The play will not be produced unless there is sufficient student interest. Tryouts begin this Monday evening at the Exit and are open to anyone interested in reading for a part.

This play is apropos of the Exit as the definition of existentialism expresses our feeling about the coffeehouse. . . "that man exists as an individual in a purposeless universe, and that he must oppose his hostile environment through the exercise of his free will."

TIME FOR CHANGE

Legislative Council of The Women's Student Government Association met Oct. 23 and proposed a change in the regulation of women's dress. The proposal is to allow women students to wear shorts or slacks anywhere except in the classrooms.

The GEORGE-ANNE believes this new proposal is one long overdue. It will be one of the most beneficial changes if it is accepted by the Administration. The present rules regarding women's dress are misinterpreted and inconsistent among all the women's dorms. The regulations are violated, yet only a small percentage of the offenders are punished. This fact alone is enough to warrant a change. Why punish some persons and not the majority?

There has always been a double standard between men and women concerning dress regulations. Men actually have rules of dress concerning the classrooms and the lobbies of women's dorms, but these rules are not enforced.

The matter of dress is a triviality. Who cares what who wears? This new proposal does not say a woman has to wear sports clothes anywhere. It gives her the right to choose what she wears.

Hopefully, the Administration will see the argument through unbiased eyes and grant women their right of dress.

STAND UP AND BE COUNTED

Next Tuesday, Nov. 5, Americans are expected to go to the polls and elect the Presidential candidate of their choice.

You may think, why should I bother? What difference will one vote make? If you are doubting your importance, a look back in history may be helpful. The individual is all important.

In 1960, John F. Kennedy defeated Richard M. Nixon by less than one vote per precinct. When Harry S. Truman upset Thomas E. Dewey, less than one vote per precinct in Ohio and California swung those states into the Truman camp. Three American Presidents have been elected to office by one vote margins: Thomas Jefferson, John Quincy Adams, and Rutherford B. Hayes.

Many students are able to vote by absentee ballots and this is a very practical and convenient service. Others may vote in their local polls with the many citizens of their perspective county. Either way can only consume approximately one half hour of our time.

If you don't vote, don't complain about the outcome.

Southern Scribblin'

Study for Tests to End Mid-term Blues?

By SANDRA DYCHES
Editor

Faithful listeners of the tourist city's radio station may remember a catchy tune from a few quarters ago entitled "I Got the Statesboro Blues."

Not that this writer means to bring a slur against the fair city of Statesboro, but when the mid-quarter "slump" sets in, students find themselves wishing they were in East Georgia rather than South Georgia.

The old college cry of "nothin' to do" rings dolefully about the campus during the time of mid-terms. For surely no one in his right procrastinating mind is going to study. In answer to this cry Gertie Swartz offered some time-tried methods

to end boredom or at least give excuses for flunking mid-terms.

Gert suggested that mild-mannered bored students might curl up with a good book such as "Burning Bridges Behind

Me" by the Emperor Nero or "Tap Dancing Tricks" by Liberace.

Connoisseurs of culinary delights might be interested in trying the latest Ubangi recipes or joining the college cafeteria staff. One of Gertie's more enterprising friends even went to breakfast one morning—anything for a unique experience.

Another method to end dullness was to organize a parade. A few crepe paper streamers and a "just married" sign attached to one of your professor's cars will create a parade of approximately 25 cars. Of course, more work must go into larger parades.

Other suggestions included: learning to play the piccolo with one's toes; brushing up on the finer points of "Spite and Malice"; flying kites from the Foy Building; creating a free press; picking up pecans in Sweetheart Circle; riding through the A & W; bobbing for apples floating in beer; organizing a student congress; or going to a 7:30 class.

Gertie had millions of other ideas, but that's all I had time to listen to. I had to study for a mid-term.

The New Nixon Sows His Seeds

By LINDA LANE
Feature Editor

Who is Richard M. Nixon? Let us hope that he is the next President of the United States. He will end the Viet Nam war with honor, provide a new diplomacy, escalate the war on crime, and restore respect for America around the world, as well as at home.

Nixon states his policy on "winning the peace" in the following statement: "Every American wants peace in Viet Nam. The question is what kind of peace. The war must be ended, but in a way that does not encourage aggression and thereby sow the seeds of future wars."

As students we should realize the effect that Richard M. Nixon will have on this country. A complete "housecleaning" is what the government of the U.S. needs most.

We are tired of the disrespect shown to our flag, tired of the crime that makes it unsafe for us to walk the streets of our cities, and fed up with the governmental influence of the "labor bosses." Nixon states, "As President, I would recommend to the Congress a national program—to take the offensive against the criminal forces that threaten the peace and security of every American, and to rebuild respect for law across this country."

We have witnessed the faults and failures of the present administration, why should we give them another four-year shot at achieving the success that they have not yet been able to achieve. Nixon recently spoke of Humphrey as "the man of the past, applying principles of the thirties to problems of the seventies."

Dissension is the word of our era, dissension caused by loopholes in the Democratic administration. Nixon states "Dissent is a necessary ingredient of change." Let us hope that as citizens of the United States we will dissent in the upcoming election enough to change from a Democratic administration to a Republican one, headed by Richard M. Nixon as President.

Look back to the Chicago riots, Detroit, Washington, Newark...major cities of this great nation turned into "havoc", and what has the Democratic party done about it? Nixon states that "in a system of government that provides for peaceful change, there is no cause that justifies resort to violence. There is no cause that justifies rule by mob instead of by reason."

Nixon, in a successful rally at Cincinnati Gardens recently summed up what we hope will be done in the upcoming election, "I want to tell you this, my friends, that the work between now and election day can make the difference, so let's get out and work as we have never worked before. This time we're going to make sure we win. We're going to pour it on from now on."

THE George-Anne

The opinions expressed herein are those of the student writers and not necessarily those of the college administration or faculty. Regulations Inhibit Freedom of Female

By HUGH DE LACY
Staff Writer

I can see it now. A look of helpless incredulity would pass across the face of the New Zealand girl. She would probably swallow heavily, her eyes would become slightly glazed! She would put down her copy of "Georgia Southern College Campus Regulations for Women" as outlined in the "Eagle Eye" and phone the nearest booking office for the first flight to civilization after first checking to see that it was, as she believed, the year 1968 and not 1868.

Upon arriving home she would immediately proceed to drink deep of the cup of Bachannalial delights to make up for her brief sojourn in America.

Surely in America, she would reason—America, the self-styled champion of democracy and freedom—surely regulations requiring an independent, healthy, able young lady of post-high school age to be home by midnight on a Saturday night did not, could not, exist. Did the War of Independence achieve nothing after all?

But on reflection, the universally broad mind of the typical New Zealand girl would reason that the present state of

bondage that enshrouds the American female could, at worst, be only a temporary condition. She would work out mathematically that if America was a quarter of a century behind New Zealand in the emancipation of women (America enfranchised women in 1920, exactly 25 years after New Zealand), then, theoretically, a 1968 New Zealand co-ed would feel quite at home in a 1993 American university.

Although the New Zealand girl would have little difficulty rationalizing the staggering backwardness of her American counterpart, she would certainly have trouble both in condoning it and living with it.

In New Zealand, as in most countries throughout the world, the modern-day miss learns independence and self-reliance—and sometimes, unfortunately, karate—at a relatively early age. Not every girl is the antithesis of America's non-smoking, teetotaling prude, but they generally feel that two virtues out of the three is not bad going.

But then the question poses itself of which came first in America, the scrupulous regulations governing female behaviour or the scrupulously behaved American female. One might just as well ask: What came first, the chicken or the egg? Such surmising is pointless, however. Suffice to say that both the chicken and the American female do exist—and they have something in common.

On the credit side for the American female, though—they're very pretty and they do have beautiful teeth.

But roll on 1993.

Southern Scribbles

"ISN'T IT JUST WONDERFUL TO SEE STUDENT PARTICIPATION IN THE HEALTHY, CLEAN, WHOLESOME ACTIVITY OF AMERICAN PARTISAN POLITICS"

Senator Thurmond Explains Switch to Republican Party

Strom Thurmond, Senior Senator from South Carolina, arrived at the Statesboro airport for a political rally with Joe Tribble, candidate for Congress from the 1st Congressional District, on Wednesday, Oct. 23, at 4:30 p.m.

During an interview at the airport, Thurmond responded to several questions concerning his switch from the Democratic to Republican party. In 1964 when I changed parties I felt that there was no longer hope for saving this country under the democratic party. I had voted with the Republicans 75% of the time before I changed parties so I feel very much at home in the Republican party."

When asked why he felt the

Democratic party was failing he replied, "The Democratic party is for big spending, big taxes—it is controlled by the labor bosses and strongly influenced by the ADA. They are for massive foreign aid and cater to certain special groups in order to gain political support. They would regulate and regiment the lives of the people and deprive them of their freedom."

Thurmond expressed the aims of the Republican party. "The Republicans want to stop the flow of power to Washington and big spending, preserve law and order, and end the Viet Nam war with honor. It supports private enterprise and jobs instead of welfare. It stands for a national defense to ensure our freedom."

Letters To The Editor

Student hope lies in the advance of campus activities. Student Government is a part of it. To understand its role requires insight into Student Government's nature, power, and limitations. I thus shall dwell on these three points.

First, every student benefits from a student government that is representative of the total student body.

Second, understanding the process or student government—not just its products—understanding Student Government as a way of campus life, gives every student a firmer grounding in reality against his floundering and fumbling in abstractions.

And, third, Student Government's task is to serve every student by mastering their wants and needs, and not to become every student's master. In serving students, Student Government must close ranks with other servants of college life—faculty administration, clubs, fraternities—all striving for a new integrated humanism. I ask that you support your Student Government.

Thanks,
Rod Thomas

SCEC to Meet Thursday, Nov. 7

The Student Council for Exceptional Children will meet Thursday, Nov. 7, at 6:30 p.m. in room 5 of the C-R Building. Dr. Julian C. Stanley, professor of education and psychology at John Hopkins University, will speak on "Testing the Disadvantaged."

Student Board Provides Aid

Whitewater, Wis.—(IP)—A joint University-Community Relations Board to promote better understanding between the citizens of Whitewater and the students and faculty of Wisconsin State University was formed recently.

The board will serve as a "sounding board" of opinion on issues that concern the community and University. Membership on the board includes four persons representing the city of Whitewater, four faculty members, and four students.

Topics under discussion: traffic problems, social facilities, the beer age limit, and what the board's role should be in offering solutions to community-wide problems.

The board decided at the first organizational meeting that its function should be as a forum for community opinion on any issue of common interest to Whitewater and the University.

The board will meet monthly "to provide discussion, facilitate understanding, and promotion of the general welfare of the entire community of Whitewater," according to the by-laws of the board.

According to one student board member, any action that came from the board would be in the form of informing the public and promoting understanding.

Southern Belle

Jody Jackson, freshman from Allendale, South Carolina, is Minnesota Fat's latest competitor. Actually she is a novice to the game of pool, but enjoys dancing and reading. Miss Jackson is an elementary education major and a Delta Zeta pledge. After one month on campus her only complaint is the ratio of girls to boys on campus.

Photos by Randy Harber

Bus Chartered For Concert

On Saturday, Nov. 9, the college will charter a bus to take students and faculty to the Savannah Symphony Orchestra concert with Beverly Wolff as the soloist at the Municipal Auditorium in Savannah.

There will be no charge for the bus trip; tickets for the program will cost \$1.00 each and will be located in the balcony. All persons who wish to attend should contact Mrs. Margaret Williams, secretary in the music department, Foy Building. The arrangements are being sponsored by the Music Department with the belief that it can serve the students even beyond the concerts and recitals sponsored by the department and the Campus Life Enrichment Series, according to Dr. Jack Broucek, professor of music.

All college students and

faculty/staff are invited to take part in this trip. It is believed that the administration will provide similar service for later concerts if there is a need shown for this type of project through this initial experimental venture, said Dr. Broucek.

Beverly Wolff, former Atlantan and trumpet player with the Atlanta Youth Symphony (now the Atlanta Symphony Orchestra), is a mezzo-soprano of the highest order. She has sung with the leading orchestras of this nation and Europe and has been popular in recitals.

Miss Wolff appeared as part of the Campus Life Enrichment Series here at the college in 1966 and has been in demand both as a soloist and in appearances with the New York Philharmonic Orchestra. "A singer of superb quality," says the Christian Science Monitor.

Education Dept. Advises Students

Students majoring in elementary and early elementary education are requested to report to room 8, Marvin Pittman School, for advisement and pre-registration in accordance with the following schedule.

"Such advisement will determine course work for the winter quarter of 1969," according to Dr. Walter B. Mathews, professor of education. "Students must see an advisor to secure materials for registration."

FRESHMEN, Monday, Nov. 11, 1:30-4:30; SOPHOMORES, Tuesday, Nov. 12, 1:30-4:30; SENIORS, Thursday, Nov. 14, 1:30-4:30; JUNIORS, Friday, Nov. 15, 1:30-4:30; and JUNIORS, Monday, Nov. 18, 1:30-4:30.

All advisement must be completed by Nov. 19.

Annual Music Meet Held Here Nov. 8

The fifteenth annual convention of the Georgia Music Teachers Association will be held on campus Nov. 8-11, 1968. The association, whose membership is composed largely of college and private studio teachers, will hear programs devoted to piano, voice, theory and strings, according to Dr.

Jack W. Broucek, professor of music.

On Friday, November 8, the college student auditions will be held in the Foy Fine Arts Recital Hall followed by the junior and senior high school student auditions on Saturday, Nov. 9th. The finals for these auditions will be held on Sunday afternoon said Dr. Broucek.

The Convention Concert on Sunday evening at 8:15 will feature the Piano Trio from Peabody College, Nashville, Tennessee.

Harold Zabrack, famous pianist, composer and pedagogue, will present an open recital in the Recital Hall, at 10:30 a.m. Monday, Nov. 11.

The annual luncheon and business meeting will be held Monday noon at the Holiday Inn with special music furnished by students in the department of music. Dr. Broucek, is president of the GMTA until the conclusion of the convention.

Students and faculty are invited to attend the recitals and concerts connected with this convention, said Dr. Broucek.

Marketing Class Views Statesboro

Two weeks ago the Marketing Research class began a study of the clothing industry in Statesboro. Class members distributed questionnaires in the Landrum Center postal boxes to approximately 400 students, according to Terry Owen, a class member.

Students included in the study are encouraged to complete the forms and return them to the Landrum post office by Monday, Nov. 4, Owen added.

Owen stated that the results will be announced by Thanksgiving.

HOW'S YOUR MASCULINITY QUOTIENT?

What qualities make up the masculine mystique for "les girls" of our mad, mod civilization as compared with those of other times and other cultures? Here's an amusing and revealing report on the traits which prove the best date-bait with some he-man tips from Heublein on how to be hip when hosting.

Your Masculinity Quotient Measure Up?

New York (NAPS)—Two hundred years ago, snuff sniffing and lace-ruffled shirts were marks of the dominant male. But they wouldn't impress contemporary lasses of Africa's Tchambuli tribe, whose heroic he-men are expected to play with dolls! Today's more cosmopolitan miss would probably go for a debonair James Bond type or a shaggy-haired hippie. Time and place obviously have a great deal to do with the definition of masculinity.

According to a recent psychologists' report, American women rate a man's M.Q. (Masculinity Quotient) according to the following traits:

Decisiveness. Dominant males make decisions speedily—and stick to them. To gals this means a he-man with everything under control—including them!

Perserverance. Whether it's climbing Mont Blanc in a blizzard, setting off on safari, or working his way to the top of the executive ladder, the real man of action will "never say die." Whoever heard of a big game hunter skulking out of the steaming jungle without at least one tiger in tow?

Self-confidence. An aura of assurance marks the man who's a leader—or the one who's learned

to act the part. An aura of self-assurance is everlastingly appealing to women. They love a mystery!

Adventurousness. Explorers, astronauts and racing car drivers all have a high virility quotient. For the less heroic male the danger involved in gambling at Monte Carlo or growing a beard in Greenwich Village often supplies that special air of derring-do.

Originality. An inventive man, whether atomic scientist or raga-rock composer, is infinitely attractive to the female of the species.

Broad shoulders and bulging biceps aside, the measure of a man is not always what he does, but what he believes in—his philosophy of life. The masculine mystique was set up for all men for all time by that famous philosopher Aristotle, who once announced, "The male is by nature superior to the female!"

Geology Club Holds Barbecue November 6

The Geology Club will have a barbecue dinner at 6:45 p.m. Wednesday, Nov. 6, at the residence of Richard Turk on the corner of Highway 301 and Azalea Drive.

All members, prospective members, and other interested persons are invited to attend according to Roger Stahl. Dinner for dues-paid members is free, for guests or dates, 75 cents each.

Dr. Thomas A. Bond, assistant professor of geology, will discuss plans for a field trip to be taken into the Okefenokee Swamp later in November.

Zeta Tau Alpha Holds Service For Pledges

Zeta Tau Alpha sorority held their "big-sister, little-sister" service Tuesday, Oct. 29, in the Williams Center. Each pledge was assigned a big sister for the duration of her pledgeship.

Pledges were presented long-stemmed carnations and savings banks.

The pledge class elected officers Wednesday, Oct. 16. They are as follows: Marsha Rushing, president; Lynn Godbee, secretary; Kay Stroud, treasurer; and Kay Sarrett, music leader.

'Fly Navy' Team Visits Campus

The "Fly Navy" team will be on campus Nov. 6-7 to take applications, interview candidates, and give naval flight officer qualification tests.

Upon passing the qualification test, students are given a draft deferment until their applications have been fully evaluated.

"JUST POINT US NORTH—WE'LL GET THERE SOMEWAY"

Publications editors prepare for trip to press convention in New York City.

Editor's Attend ACP Convention in N. Y.

Deidre Cowne, junior English major from Thomasville, and editor of THE REFLECTOR, and Sandra Dyches, senior English major from Savannah, and editor of THE GEORGE-ANNE, are attending the 44th annual Associated Collegiate Press and National Council of College Publication Advisers Conference in New York City.

The conference is being held Oct. 31-Nov. 2 at the Waldorf-Astoria Hotel.

The conference will feature leading speakers from ACP,

NSPA, yearbook and newspaper judges and professional journalists. Plans are also being made to have one or more of the Presidential candidates speak at the conference.

The main speaker is Lee A. Iacocca, executive vice-president of North American Automotive Operations, Ford Motor Company.

Special sessions will highlight both Friday and Saturday sessions, including: magazine short courses, photography, advertising, feature writing and yearbook topography.

Spotlight on Sports

By MIKE CLARK
Sports Editor

A lonely path, a wooded area, a trench to cross. Sounds like a training area for the United States Army, but it is not. Instead it is the site (the GSC golf course) that each runner on the Georgia Southern cross-country team has been running for the last four weeks in order to get into top shape for the first cross-country season in the history of Georgia Southern College. It was very evident, from the meet that was held Tuesday afternoon, that Southern's runners had gotten themselves mentally and physically prepared for the long, lonely cross-country season. The "road-runners" completely swept Armstrong College off the course as they won 15-40 in taking the first five places.

Cross-country is not a sport that brings the glory that football, basketball and baseball does. Yet, a runner has to be in better physical condition than one does in most of the other sports. No headlines are received, only self gratification is obtained. No one talks about cross-country after the season is over and very few talk about it during the season.

The "harriers" are motivated to run by four goals which I think should be listed in this order. The first one is that the individual owes it to himself to do his best. Second a runner runs for the team. Third he runs for the coach and fourth he runs for the school.

These boys who represent Georgia Southern; Hugh de Lacy, Byron Pearce, Robert Phillips, Glenn Jones and Joe Williams are to be highly praised for the fine showing that they made on Tuesday. But a little more interest and support from the students would be of tremendous value to the team.

Maybe no one knew of the meet Tuesday, but when around 50 people come out, that included judges, coaches and timers, out of a student body of 4,000 that is very sorry. These boys deserve a lot more support than was given to them in the first meet.

So, when the next home meet is held go out and support the team. Like in any sport, the size of the crowd especially the home fans can really give the team a big life. The weather may be cold to the spectators but it is even more so to the "road-runners." Do not let a little cold weather stop you from attending the meets. Go out and give them the support that they fully deserve.

de Lacy Finishes First

HARRIERS WIN OPENER

Georgia Southern's cross-country team got off to a flying start on Tuesday, Oct. 29th, as the "harriers" defeated Armstrong College, in the first cross-country meet in the history of both schools. Coach Ron Oertley's "road-runners" ran up a perfect score as they blanked the visitors 15-40. Southern captured the first five places in the duel meet.

New Zealander, Hugh de Lacy led the runners across the finish line as he ran the three and a half mile course in a respectable time of 19:39.5. de Lacy took the lead from the

start and was never headed as he finished a good 20 yards ahead of teammate Robert Phillips. Phillips ran the race in 19:53.

Not content with just taking the first two places the "harriers" added more icing to the cake as they took the next three positions. Byron Pearce, Glenn Jones and Joe Williams finished third, fourth and fifth respectively.

The "road-runners" will be out to make it two wins in a row this Friday afternoon when they travel to West Georgia for another duel meet.

DUNKEL

COLLEGE FOOTBALL

INDEX

EXPLANATION - The Dunkel system provides a continuous index to the relative strength of all teams. It reflects average scoring margin combined with average opposition rating, weighted in favor of recent performance. Example: a 50.0 team has been 10 scoring points stronger, per game, than a 40.0 team against opposition of identical strength. Originated in 1929 by Dick Dunkel.

The 1968 Cross Country Season Gets Underway

Team members front row: L-R Glenn Jones, Hugh de Lacy and Bob Browning. Standing: L-R Coach Oertley, Byron Pearce, Joe Williams and Robert Phillips.

TEP Unscored on in Four Straight Games

The men's intramural football season has reached the half-way mark and at this writing only two teams are undefeated which are Kappa Alpha and ATO, of the Fraternity League. Over in the Independent League the Falcons, Unknowns, KOG and Phi Epsilon Kappa are battling it out for first place. But the real surprise of both leagues has been the outstanding play of Tau Epsilon Phi.

Through the first six games Tau Epsilon Phi has posted a 5-1 record and is breathing down the necks of ATO and Kappa Alpha for the "frat" title. (As the George-Anne went to press Wednesday, perhaps the biggest

game to date took place between Tau Epsilon Phi and Kappa Alpha.)

Offensively Tau Epsilon Phi has scored 126 points in six games which averages out to 21 points per contest. The offense is sparked by quarterback Jim Ermish and is built around scoring threats Dickie Riggs and Judson Viosotto. When the other teams aim their defense at these two TEP has several others who are capable of scoring.

Being able to score is not the biggest asset that Tau Epsilon Phi has. The defensive team has been the "scorage" of the league as it has given up only 18 points in the first six games, which is a

mere three points per contest.

TEP blanked its first opponent and then gave up the 18 points the next time out. Two of the opponents' scores in that encounter came on "freak" plays. Rivals have felt the sting of the defense in the last four games, prior to the KA game, as each has been shut out with the latest being a 26-0 romp.

Ronnie McLemore, Sandy Atkinson, Lenny Passink, Bill Megdel, Bill Cole, Riggs, Viosotto, and Ermish have been standouts on defense, just to mention a few. But the entire TEP defensive unit is to be praised for its fine showing to date.

Before the game with KA, Tau Epsilon Phi had reeled off four straight victories and has established itself as a big threat to capture the title.

Independent League Action

Fraternity League Action

S P O R T S

WOMEN'S INTRAMURALS

The Tigers renewed their claim to the speedball title as they beat the Yellow Jackets 22-14 on Tuesday, October 29th. The championship game was a different story than the previous encounter when they barely edged the Jackets 16-14. There was plenty of action to keep the players that were wearing shorts warm, (while spectators shivered on the sidelines).

The game was primarily an offensive battle with the Jackets deploring their usual fast break. The Tigers defense held the Jackets' offensive stars, Gale Williams and Jennie Garrison, under their usual offensive output.

Charlotte Taylor, of the orange and black, was outstanding for the Tigers as she poured in two drop kicks and two field goals for a total of 10 points. Tricia Knowles surprised the Jackets by scoring an additional six points.

After their first loss to the Tigers the Yellow Jackets met the Panthers and found more resistance than expected. At one point they trailed 8-2 but came on strong in the second stanza to win 22-15, as the Panther defense completely fell apart.

Jennie Garrison scored 12 points for the Tigers while Gale Williams chipped in with six. Marie Driggers and Jackie Cukage split the Panther score between them as they scored nine and six points respectively.

The road to the championship game was still rough for the Yellow Jackets, as they met a band of fired up Mustangs on Monday. The Mustangs led at the half 10-9 as Peggy Mathews, a speedy little blonde, came up with four touchdowns good for eight points. But the second half was a different story as the Jackets held the Mustangs to only four points as they came from behind to win.

1968-69 Eagle Cheerleaders

Varsity Cheerleaders

Monday night Oct. 28th, "Miss Dodson's children" had the jitters. The boys had little to worry about—but not so with the girls. Tonight nine girls tried out for the six cheerleading positions. As the time for judging

drew nearer, spectators crowded around waiting to be let into the gym, and striving to see the last minute warmups (which were going on next to the karate class.) Tension pervaded the atmosphere. The moment of truth was at hand.

One by one the judges arrived, and received a judging sheet from Janie Dodson. Finally the gym doors opened, and before long, the tryouts were under way.

One by one the girls performed before the seven judges. Each girl was judged on the designated stunts and cheers. The cheers were performed individually, in groups of three girls and in couples, respectively.

Though the result of many hours of hard work and practice, tonight's activity will come to represent the beginning for six cheerleading couples—six couples who will continue to practice and polish. So when basketball season starts, the student body will witness the performance of a cheerleading squad at least as polished as the ball team.

Thus, don't ever doubt the intentions of Miss Dodson's "children" if you see them at play, cartwheeling and carvorting with handsprings and flips, laughing, giggling, and jumping around. They're really working hard—honest.

Man, they've got that Spirit. Have you?

Beginning this week the sports section will list the top twenty teams and make an attempt to cover the top games each week until the football season is over. Anyone who wishes to make his own list of the elite "20" please do so and bring it by the George-Anne office no later than seven o'clock on Tuesdays.

The Top Twenty for this week looks like this.

- 1) Ohio State 5-0
- 2) Southern California . . . 5-0
- 3) Kansas 6-0
- 4) Penn State 5-0
- 5) Tennessee 4-0-1
- 6) Purdue 5-1
- 7) Georgia 5-0-1
- 8) Notre Dame 4-2
- 9) California 5-1
- 10) Michigan 5-1
- 11) Louisiana State 5-1
- 12) Texas 4-1-1
- 13) Missouri 5-1
- 14) Southern Methodist . . . 5-1
- 15) Michigan State 4-2
- 16) Houston 3-1-1
- 17) Florida State 4-1
- 18) Arkansas 5-1
- 19) Auburn 4-2
- 20) Florida 4-1-1

Top games this week.

SOUTH

Miss. State at Alabama: "Bear" and the "Tide" take on cellar-dwellers and the Crimson Tide should roll. 'Bama is looking to regain national prestige and for a 10th consecutive bowl bid. Ala. (32) State (0)

Auburn at Florida: Gators after brilliant start have flopped in last two games. Tigers coming off great win over 9th ranked Miami of Florida but Larry Smith and home crowd should give Fla. slight edge. Fla. (21) Auburn (17)

Houston at Georgia: Bulldogs

BASKETBALL BRIEFS

The basketball team was delt a major blow when it was learned that 6'7" Charlie Gibbon would not be eligible to play varsity ball. Under NCAA rules no freshman is eligible to compete on a varsity basketball team. Also, Southern may lost 6'5" Earl Hills for the season. Hills, one of the most sought after junior college prospects last year, is still favoring his right knee which was operated on this summer. Hills can still shoot with deadly but he has trouble going to his right and left.

The loss of one or both of these players would be felt by the basketball squad but the Eagles still have enough talent to make up for it.

MIDWEST

Illinois at Purdue: Leory Keyes "keys" on Illinois. Boilmakers roll. Purdue (35) Ill. (0)

Mich. St. at Ohio St.: Spartans will be sky high after upsetting Notre Dame but Buckeyes will be at home. Ohio St. has to stop States' brilliant sophomore Tommy Love. Slight edge to Coach Woody Hayes' crew. Ohio St. (21) Mich. St. (17)

Colo. at Kansas: Kansas is in hot pursuit of Southern Cal. and Ohio St. for number one spot. No stopping explosive Jayhawks. Ka. (28) Colo. (14)

SOUTHWEST

SMU at Texas: A lot of fireworks in the Longhorn state. SMU has the nation's leading pass receiver in Jerry Levias but Texas has Chris Gilbert. Texas (28) SMU (21)

Arkansas at Texas A&M: Razorbacks are after a Cotton Bowl berth but Aggies are always tough at home. Going with an upset. A&M (17) Ark. (14)

FAR WEST

Southern Calif. at Oregon: Oregon will be up for the Trojans but not enough to stop O. J. Simpson and Company. Simpson runs wild as Trojans prevail (35-0)

GEORGE-ANNE SPORTS

Notre Dame at Navy: "Fighting Irish" are mad over last weeks loss to Mich. St. Midshipman will be no match for passing combination of Hanratty and Seymore. Irish (48) Navy (14)

Roger Moore awaits practice to begin.

GYM SHORTS

by HUTCH DVORAK
Assistant
Gymnastic Coach

I guess this article would more appropriately be called a guest editorial this week because I feel that from my angle, something needs to be said about the ABC television network and the Olympics. Their slogan includes "the constant variety of sport" as part of their hardsell brand of athletics. Well, the Olympics gave them a chance to make their slogan a true statement. But what happened to volleyball, soccer, weightlifting, wrestling and the pentathlon, one of the most difficult tests of all-around physical ability in athletics? Of the 44 hours of glorious color coverage, the American missed seeing the finesse of championship volleyball, the artistry of Greco-Roman wrestling and the ordeal of the pentathlon. I thought great injustice was done to gymnastics too. We could have seen the true greatness of the sport through the performances of Cerar of Yugoslavia, Nakayama and Kato of Japan, and Veroniu and Diamadov of Russia. Women's gymnastics was done much better than in 1964 and very interesting. But the men were slighted in such areas as high bar, side horse (where Dave Thor of the United States was almost a finalist) and parallel bars. Yet, I'm sure that interest in gymnastics was greatly boosted by the performances

we saw in the free exercise and rings. But I accuse ABC of playing politics themselves by giving adequate coverage only to the sports in which we had a chance for medals.

I honestly do not believe that the American public is so gold hungry that they only want to see the sports we win. People are interested in seeing highly trained athletes compete on a high level. The Olympics should stimulate interest in all sports, not ignore some of them. For example, we saw almost every heat of every race in swimming simply because the Americans always won. The track coverage was tremendous and very well done. The swimming was too, but boring after a while. At one point they were showing the U.S. men gymnasts work free exercise and cut it off just to show a compulsory dive of an Italian, rather than show our own athletes perform.

This year the Olympics had many problems which tarnished the performances of great athletes. Controversy surrounded the games and judging was questionable on boxing and gymnastics. I think ABC should stop patting themselves on the back and objectively examine their Olympic coverage as the television coverage was incredibly lacking. They made some serious mistakes by misinterpreting the American public but this could be easily rectified in the future.

Georgia Southern College

Junior Varsity Basketball Schedule 1968-69

DATE	OPPONENT	PLACE
Nov. 30	Norman College	Statesboro
Dec. 2	Fort Stewart (Tentative)	Statesboro
7	Citadel Freshman	Charleston
