Minimum Documentation

In concert with the appointing department or unit, all teaching faculty are required to submit the following materials at the time of the initial appointment (accompanies the Personnel Action Form). The official repository for all faculty credential documentation is the Provost’s Office’s electronic file system, ApplicationXtender.

1. Official transcripts of all academic degrees (undergraduate and graduate). Transcripts must be in English; foreign transcripts must be evaluated by a U.S. Department of Education recognized credential evaluation service, such as:

   For a listing of recognized foreign credential evaluators, please visit the Association of International Credential Evaluators, Inc. (AICE) website at http://www.aice-eval.org/ or the National Association of Credential Evaluation Services (NACES) website at http://www.naces.org/.

   Note: Georgia Southern requests evaluation of foreign credentials as part of its visa employment processing for foreign nationals. The Office of Legal Affairs may already have evaluated credential documentation on file for the individual. Please check with that office first before asking newly hired faculty to submit their credentials to another service.

2. Current curriculum vitae

3. List of all courses the instructor will teach (including course number, course title, course CIP code), when known

4. Course syllabi for each course the instructor will teach, when available

These materials are used to document the faculty member’s qualifications.
