Should You Go First

*Should you go first, and I remain
To walk the road alone
I'll live in memory's garden, dear
With happy days we've known.
In spring I'll wait for roses red
When fades the lilac blue
In early fall when brown leaves call
I'll catch a glimpse of you.*

*Should you go first and I remain
One thing I'd have you to do
Walk slowly down the path of death
For soon I'll follow you.
I'll want to know each step you take
That I may walk the same
For some day down that lonely road
You'll hear me call your name.*
