10th Annual SoTL Commons Conference Opens Call for Proposals

SEPTEMBER 27, 2016

A call for proposals is now open for the 10th Annual Scholarship of Teaching and Learning (SoTL) Commons, an international conference hosted annually by the [Centers for Teaching and Technology](#) at Georgia Southern University. The conference will be held at the Coastal Georgia Center in Savannah March 29-31, 2017.

SoTL engages individuals in designing, conducting and publishing research on teaching and learning. SoTL emphasizes that teaching is a serious intellectual activity that can be both deeply personal and highly collegial.

Conference attendees will experience high quality presentations from recognized speakers and opportunities to join in conversations on SoTL with an international community of scholars. Conference strands include online learning, teaching with technology, assessment, academic and professional development, learning theories and pedagogy, and about SoTL.

Keynote speakers include Katarina Martensson, Ph.D., in the Division for Higher Education Development at Lund University in Sweden, Beth Marquis, Ph.D., of the Arts and Science Program and the School of the Arts at McMaster University in Ontario, Canada, and Aaron Long in the Department of English at the University of Kansas.
