## Teachers Nine Takes On Clarksville

This afternoon at 3 P. M. at Pilot's Field the Georgia Teachers College Blue Tide plays host to the strong Clarksville Vocational School.

Coach J. I. Clements stated that he would send either Herb Reeves, George Cook or Billy Tyre to the hill. Reeves pitched excellent ball in winning three games in Florida on a recent road trip. In twenty innings Reeves gave up 10 hits against Jacksonville Naval Air Station. Tyre gave up 2 runs and 7 hits against Florida Southern College

in Lakeland. Reeves relieved Tyre and received credit for the victory in the tenth.

The probable starting lineup for the "Blue Tide" will be Davis or Alderman catching, M. Clements, Calhoun, Parsons, and M. Conner in the infield and K. Clements, A. Williams, and Middlebrooks or Daniels in the outfield.

Team batting average for the games through March 26, is .291. The boys went to bat 165 times and amassed a grand total of 48 hits.

## MINSTREL PRESENTED

Alpha Psi Omega, honorary dramatic fraternity on the Teachers College campus, presented "The Blue Tide Minstrels of 1949" in the college auditorium last Wednesday night.

Jimmy Gunter, author and interlocutor, interrogated, questioned, and in numerous other ways, annoyed the "End Men," Robbie Hodges, Bernard Morris, W. S. Hanner, Marvin Norman, Cam Bremseth and Jimmy Evans.

Aside from the questionable, but none the less aisle-rolling gags pulled by these "end men," confusion was added by Chuck and Frank Wireman as ushers; Betty Jane Trotter, Vera Bell, Jackie Upshaw, Ela Johnson and Dorothy Stewart composing the Quaint Quint Chorus. . . . Whoa! Bailly threw some gags on his own and accompanied Marvin Pittman on the harp. Strictly on the corny side were Jo Ellis and Mary Ann Harper. . . . Anne Trice and Joel Cooper artistically combined baby bottles, step ladders, and a girdle. Charlena Horn Clements, starring as "St. Louis Woman", eluded all the dusky pursuers, Betty Mikell, Martha Duffield, Jean Fordham and Carol Brown, despite the pleas of Bettye Lewis, the "woman left behind" . . . and fell into the arms of . . . you guessed it. . . . Jimmy Gunter.

Contestants for "Beautiful Beast" were Wilhelmina Fordham, Dearwood Davis, Leona Riner and Gay Eschol. Needless to say Madam Wilhelmina was the victor.

The curtains closed on a grand finale of "Dixie Land".

## ENROLLMENT INCREASES

The enrollment at T. C. for the Spring quarter of 1949 is approximately 710. Last year the figure was 608 for the Spring quarter. Last quarter there were 726 enrolled.

An overall view of the Teachers College enrollment shows that in the past nine months 840 different people have attended T. C. as compared with 743 people last year.

## CAMPUS CLEAN-UP

Urns have been placed at doors of Administration Building. Please deposit Cigarette Butts ONLY in these urns. Help keep our campus clean.

## Talent Show

Ten dollars will be awarded to the club winning first place in the TC Talent Show April 13 in the College auditorium.

Second and third places will be awarded five and three dollars respectively. Awards will be presented immediately after the show.

The Talent Show will consist of entrees sponsored by the various clubs and will include a variety of talent featuring "Bo Whaley as master of ceremonies.

Clubs having submitted entries are: Veterans, T Club, Men's Chorus, Industrial Arts, Home Economics, George-Anne, Anderson Hall, East Hall, West Hall, Sanford Hall, and Lewis Hall.

Other clubs wishing to submit entries must do so by Wednesday, April 6.

## Artist Series Ends Tonight

Henry Scott, Musical Humorist, will appear as the last number of the Artist Series on Monday, April 4, at 8:15 in the college auditorium. This is a return engagement for Mr. Scott, who appeared here two years ago and proved to be one of the most popular attractions we have ever had.

Mr. Scott is a pianist—but a pianist with a difference. He can, and does, play the piano seriously and his program offers a few numbers of this sort. His outstanding ability, however, is in finding fun in music. When he gets his finger caught in the piano bench, when he plays Chopin with a grapefruit and two oranges, when he appears as little boy genius and later as a doddering old musician, the audience howls with laughter.

Mr. Scott will open in a Broadway musical next fall. This is your chance to hear and see him in our own auditorium.

## Red Cross Drive

Contributions to the Red Cross drive reached \$248.85 on the Teachers College campus, Dr. Marvin Pittman, campus chairman, announced.

Donations by dormitories were East Hall \$6.57, West Hall \$6.98, Lewis Hall \$11.56, Sanford \$39.06, and faculty contributions amounted to \$184.79.

## Broucek and Summerlin In Piano Recital

### Bremeth Elected President of GBEA

Cameron Bremseth, chairman of Business Division at Georgia Teachers College, was elected as President of the Georgia Business Education Association during the first session of the GEA Convention held in Macon Friday, March 19, 1949.

TUESDAY

Jack W. Broucek of Statesboro and William Newsome Summerlin Jr. of Sandersville will appear in a duo-piano recital at the Georgia Teachers College auditorium Friday evening, April 8, at 8:30 o'clock.

Mr. Broucek is associate professor of piano, organ and theory at the Teachers College. He has been a member of the college faculty here for the past five years.

Mr. Summerlin is a senior piano student at the college and has gained a wide reputation as a pianist and accompanist.

The duo-piano program will include works by Buvtehude, Boccherini, Saint-Saens, Victor Herbert, Arthur Benjamin, Rachmaninoff, Shostakovich, Prokofieff, and others.

The concert is free and the public is invited.

### Broucek To Work on Music Revision Study

Prof. Jack Broucek of the Divisions of Music has been selected as one of a number of music teachers in this country to cooperate in a new study on the revision of music curricula for music students in colleges and universities throughout the nation. This nationwide study is being sponsored by the College of Education and the College of Music of the University of Colorado; it is being designed as a series of revisions which comes from teachers who will contribute their recommendations from a practical "on-the-job" approach in direct contrast to a purely theoretical philosophy of what students should study.

### 'WHY GEORGE-ANNE' POPULAR QUESTION

Why is the school paper named the George-Anne, and where is it printed, are two questions often asked and written to the editor of this paper.

Answer to the first, though somewhat vague, is in three parts:

(1) George represents the male student and Anne the female, so it reveals the co-ed relationship.

(2) It was named after King George and Queen Anne of England.

(3) It is a Georgia paper, hence George-Anne.

The paper is written by the students, made up at the office in the Ad Building, and printed weekly at The Bulloch Herald office in Statesboro.

### Important Meeting

On April 5, 1949, there will be  
a meeting of all teachers and fu-  
ture teachers from 7 a.m. to 6  
p.m., the place is your ballot box  
and the purpose is your future.  
In the past few weeks there has  
been a lot of talk and propaganda  
that we are voting for something  
that has no ultimate aim. I think  
that it is high time that the teach-  
ers and parents of Georgia woke  
up to the fact that opportunity is  
knocking at our door. Are we too  
weak or stupid to seize this  
chance?

Labor Unions and Retail Mer-  
chants are united in a plea to  
the public to vote against the  
referendum, and have a just cause  
in feeling that way. Yet we are  
knocking at the doorway to suc-  
cess, and if we fail to enter, the  
chance might never come our way  
again.

So talk to your friends and tell  
them that we are not asking for  
much, but we are asking for the  
chance of a decent future for the  
future Jims and Johns, Marys and  
Janes of Georgia.

'YAK' SEZ:

"If you think it's easy  
to run a newspaper  
tain't so."

## A Letter of Suggestion

EDITOR,

The George-Anne:

It seems as though the stagger  
system is here to stay; for no  
other reason than to impress the  
people of Statesboro and the sur-  
rounding vicinity that the students  
of GTC love the college so much  
that they do not want to go home  
on the weekends. I received the  
above statement for an answer  
when I asked why do have the  
stagger system.

Since we must endure the stag-  
ger system, I would like to sug-  
gest that some improvements be  
made so as to make life more  
pleasant for those that are un-  
fortunate and must stay on the  
campus over the weekends.

The swimming pool will be open  
soon. Why not have it open on  
the weekends? It could be drained  
at a time when it would not in-  
terfere with swimming classes. It  
would save the students money  
who pay for a ride to the beaches  
or other places for swimming.

The library could be held open  
on weekends. We could find lots  
of good reading material that  
we overlook while hurriedly  
checking our books on Saturdays  
before three o'clock. On Sundays  
we could relax and enjoy several  
good hours of reading.

Why not have hot water so  
that we might have a Sunday  
morning bath? There are only a  
few men in this world that like  
to shave in cold water. Then too,  
few of us can afford an electric  
razor.

There is the gym. We could  
keep a man in the supply room  
so the students could check out  
equipment and get exercise from  
such sports as ping pong, tennis,  
badminton, archery, and other  
playing equipment.

There is the chapel hour which  
consumes one of the best teach-  
ing hours. We could do away with  
chapel entirely, for there are  
many colleges that have no chap-  
el at all. However, if we must  
have chapel, why not have it from  
8:00 until 8:30? This would be  
one way of limiting speakers! And,  
at the same time, we could  
begin classes on the hour, there-  
by finishing a half-hour earlier  
in the afternoon.

Some people will say if you  
don't like this school, why don't  
you leave? There has never been  
an evil licked yet by running  
away from it. Where do you think  
we would be if we ran from Rus-  
sia and her Communism? Even  
in America where we live in a  
democratic society, we must fight  
all evils to improve our environ-  
ment.

I still contend that I had rather  
see students in swimming or  
engaging in some sport that will  
broaden them either physically or  
mentally than trying to kill a  
long, boring week end by getting  
thoroughly intoxicated! Why not  
try to make things enticing for  
the students who want to stay  
on the campus on the week ends  
rather than using forceful meth-  
ods?

Very truly yours,  
A STUDENT.

### FIELDING DILLARD RUSSELL

Born Jackson (now Barrow)  
County, Georgia, 193 years before  
22nd Century, the twelfth child  
of his parents and a grandson of  
his grandparents. Acquired his  
public school education by re-  
peating every grade. Under ten-  
year residence agreement, gradu-  
ated from University of Georgia  
*non compos mentis*. In early 1930's  
his test of Baconian theory that  
he who marries and rears a fam-  
ily gives himself a hostage to for-  
tune resulted in the establish-  
ment of several postulates: 1. Mar-  
riage may precede a depres-  
sion; 2. Children are born, and  
banks fail; 3. Bacon's word *for-*  
*tune* should be replaced by the  
term *promissory note*.

Is presently realizing one of the  
wishes he used to make as a  
child. When his mother would  
catch him and comb his hair, he  
often wished that he didn't have  
any. Clubs: Royal Debit and  
Credit; Thirty-Six Chevrolet; Vir-  
ginia Wilson Russell. Arms. White

### ELA JOHNSON

Born in the hills of Alabama,  
reared in the small town of Bow-  
den, Georgia, I can boast of  
nothing very different from those  
things that accompany the lives  
of all country children.

From high school I went to  
State Normal School, Athens, then  
back home to teach several years  
before going to Peabody for my  
degree. Home again, I taught in  
the branch of the University lo-  
cated there. After a few years  
I went back to Peabody for my  
M.A. degree. Since then I have  
taught in both high school and  
college. Although I have tried a  
few other types of work, I never  
once really gave up my first love  
—Teaching.

Prosaic enough, isn't it! But just  
as "unheard" melodies are sweet-  
er, so the unwritten lines of this  
sktech are far more fascinating.  
"A teacher's life is filled with  
troubles,

Squirt guns, spitballs, gum that  
bubbles,

Whispers, notes, and comic  
books,

Apple-polishers, dirty looks;  
Spring with its resultant fever;  
Earnest workers, gay deceivers  
Homework papers overdue,  
Recitations and review;

### T-CLUB

New officers were elected at  
the regular meeting of the "T"  
Club las Monday. Billy Tyre was  
elected president; Carlton Adams,  
vice president; Bill Hershcell,  
secretary, and Bill Fordham,  
treasurer. "T" Club members de-  
sire to express their appreciation  
to Alvin Williams, former presi-  
dent; Bill Fordham, former vice

Grades, with the complaints  
they bring,  
Bells that regularly ring;  
Youth that always keeps its  
bloom,  
Laughter filling up the room.  
And tho I speak with  
indiscretion—  
I'm glad I chose this mad  
profession!"

### MARJORIE T. GUARDIA

I was reared in Eatonton, Geor-  
gia, and grew up with the idea  
that its most renowned citizen,  
Joel Chandler Harris, was the  
world's greatest writer. I knew  
also about another great man,  
Gen. Robert E. Lee, who helped  
my grandfather fight the Yan-  
kees.

My college years were spent in  
Nashville, Tennessee, where I  
studied at both George Peabody  
College for Teachers and Vander-  
bilt University. I received the B.  
S. and M.A. degrees from Peabody  
and taught there for seven years.

Though I studied and taught in  
the field of English, I took my  
Ph. D. degree in the Department  
of Social Science, by marrying a  
fellow student and teacher at Pea-  
body. With him I went to a charm-  
ing Louisiana town, Natchitoches,  
where he joined the faculty of  
Northwestern State College.

Now I have been at Georgia  
Teachers College for eleven years.  
A few blocks from the campus  
is the place I hang my hat and  
correct themes. Mrs. D.L. Thomas,  
my mother, and Genevieve, my  
high school daughter, help me do  
a lot of living in this house that  
is a real home.

### DOROTHY STEWART

I was born, not as most theat-  
rical personages "in a dressing  
room at the end of the second-act  
with my mother making the fi-  
nale," but quite ordinarily in a  
hospital from which I was remov-  
ed to the country from thence to  
a village and from there to a sub-  
urb and then back to the coun-  
try by which time I was old  
enough to go to college, so I went  
and was removed in the proper  
course of time which ended my  
life in Ohio, it went on in Ken-  
tucky, I hunted possums at night  
and taught by day until summer  
when I sold my skins and went  
over the mountains to Virginia  
where I heard about GTC year  
before last and here I am this  
year.

president; Mitchell Conner, form-  
er secretary, and Bo Whaley,  
former treasurer, for the good job  
they have done in piloting the  
club thus far.

While we are throwing bou-  
quets, we would like to tip our  
hats to new members of The  
George-Anne and its entire staff  
for this revised paper, allowing  
each club a space on a Club Page.

## Ga. Ornithological Society Meets

The spring meeting of the Geor-  
gia Ornithological Society was  
held on the campus April 2-3.  
Saturday night, Dr. A. A. Allen,  
professor of Ornithology of Cor-  
nell University lectured to the  
society and students of the Col-  
lege. His subject was "The Quest  
Bristle Thighed Curlew's Nests."  
He showed pictures of the expedi-  
tion to Alaska for which he re-  
ceived the Burr award for the  
best leadership of any expedition  
in 1948.

Sunday the Society held field  
trips in the various habitats of  
this area. The main emphasis was  
placed on nesting. Dr. Malvina  
Trussell, First vice president of  
the G.O.S., entertained the entire  
society for dinner.

### THE LOVE THAT PASSED ME BY

By P.A.W.

The only girl I ever loved  
I did not take her hand,  
For I was very, very young  
And did not understand.

Years have passed—  
and still the though remains,  
Her quiet talk, her gentle voice  
A walk in summer rains.

Remembering her velvet words  
Which only she could say  
Forgotten were the minutes  
hours,  
The passing of the day.  
The fullness of her kiss  
The sweetness of her carms,  
The memories of the many,  
many times  
I held her in my arms.

I wonder now in darkness  
Without her smile to light  
my way—  
A burning pain within me  
That does not go away.  
My heart is oh, so lonely  
A tear drop in my eye—  
I've been so careless with this  
love  
That now has passed me by.

Harrison; Vice President, A. J.  
Woods; Secretary - Treasurer,  
Joel Newsome; Sergeant-at-Arms,  
Jesse Durden; Reporter, Delmar  
Cowart. This quarter the club  
plans to assist in the project of  
erecting a college identification  
sign to be located near the col-  
lege gate. The first regularly  
scheduled meeting of the club this  
quarter will be held on April 11,  
at 7:00 p. m.

## T. C. Radio Programs Announced

Several weeks ago members of the Division of Music faculty and students from the Speech De-

## MEN'S CHORUS

The first spring quarter meeting of the Men's Chorus was held Wednesday afternoon, March 30. Several new members were admitted into the organization. There was rehearsal of several selections which will be sung when the chorus goes on its spring tour. Members of the organization plan to begin work on Gilbert and Sullivan's "Trial by Jury."

## SCIENCE CLUB

Saturday night members of the student body and the Georgia Ornithological Society enjoyed a lecture-picture demonstration by Dr. Dr. A. A. Allen, noted zoologist from Cornell University. Dr. Allen, who was here through arrangements by the Science Club, showed his film on his search for the nest of the bristle-thighed Curlew, which was entitled: "The Curlew's Secret." Other pictures and recordings were shown of birds, frogs, and other nature scenes.

Dr. Allen, accompanied by Dr. Kellog, is touring the South in order to make more pictures and recordings of birds, frogs, and other wildlife. He is the guest of Dr. Malvina Trussell while in Statesboro.

## B.S.U.

The old and new members of the B.S.U. Council attended the annual B.S.U. Spring Retreat on April 1, 2, and 3, at the First Baptist Church in Atlanta.

The purpose of this retreat was to give suggestions and methods to the new officers for maintaining a more active B.S.U.. The following officers attended:

(Outgoing) Jimmy Gunter, president; Bettye Lewis, first vice president; Jean Groover, second vice president; Norman Cowart, third vice president; Ruth Swinson, secretary; Bobby Quick,

treasurer; Paul Jacobs, publicity director; Mary Sue Morris, deputations chairman; Jane Ashurst, B.T.U. representative; Dan Biggers, S.S. representative; Clarece Murray, editor of "Vista."

(Incoming) Eddie Ort, president; Jean Fordham, first vice president; Dan Biggers, second vice president; Joyce Blanton, third vice president; Martha Duffield, secretary; Ernest Hensley, treasurer; George Parrish, publicity director; Bobby Quick, deputations chairman; Jimmy Jenkins, B.T.U. representative; Jane Ashurst, S.S. representative; Jean Groover, editor of "Vista."

Several other students, Mrs. T. Earl Serson, and Bill Fordham accompanied the officers.

## VETERANS

The Veterans Club will hold regular meeting Tuesday, April 12, in the Sanford Hall Lounge at 7:10 p. m. There will be an election of officers. All veterans are cordially invited to attend.

## BAND

The band is not as large this quarter as last, but four new members have been added. They are Mike Saliba, Bob Thrash, Arlo Nesmith, and Dick Cohan.

The band is doing mostly sight reading at the practice periods. Tack Williams, who was one of the practice teachers last quarter, is taking advanced conducting and has charge of part of each practice period.

## Y.W.C.A. AND W.M.C.A.

On Wednesday night of last week the Y.M.C.A. and Y.W.C.A. of Georgia Teachers College held their first meeting of the spring quarter.

During this last quarter of 1949 they plan to move ahead rapidly through better programs and increased attendance.

## HOME EC

Miss Charlotte Ketchum, from the home service department of the Georgia Power Company, was guest speaker at their regular meeting on Monday night, March 28. Miss Ketchum talked on the different fields of Home Economics, and what her responsibilities are in the Home Service Department.

## VESPER CHOIR

What is the Vesper Choir? When does it rehearse? What is its purpose?

The Vesper Choir is a choir that is made up of any student who desires to sing. Rehearsals are held each Sunday afternoon at 2:00 o'clock. Its purpose is to furnish music for Vespers each Sunday evening and for other religious activities. During the past the Vesper Choir has been a rather obscure organization. We realize that it probably hasn't been publicized as it should have been. However, we invite you to come and join us. Let us be one of the largest organizations on the campus.

## W.A.A.

At the end of winter quarter intra-mural basketball games ended. The girls on the second floor of East Hall won first place, Lewis second place, and third floor of East won third place. We are now making extensive plans for our softball tournament and swimming meet, which will take place this quarter.

## STUDENT COUNCIL

We haven't had a meeting this quarter but would like to mention the fact that we are very well pleased with the reaction of students to the activity hour. This is for your enjoyment and is but one of the many student functions that are planned for the spring quarter.

If there is any way that the hour can be improved, would you please contact a Student Council member and give him your suggestion.

## BUSINESS CLUB

The Future Business Leaders of America Club, Chapter 178, begins this quarter with the hope of completion of their listed project, formation of a part-time job bureau.

Working with these projects is the completion and publication of a bulletin for the Georgia Federation of College Business Students Associations. Plans for attending the semi-annual meeting of GFCBSA to be held this year at Mercer University are being made. This year will be the first FBLA rally day, under the direction of Mrs. Zeb Vance, State Director of the Future Business Leaders of America.

## MASQUERS AND ALPHA PSI OMEGA

Alpha Omega and the Masquers have since the spring quarter combined efforts and talents in the presentation of the Blue Tide Minstrels, staged in the college auditorium on Wednesday of last week.

All Masquers are expected to be present at the first regular meeting of the quarter tonight at 7:00 o'clock in Anderson Hall. A temporary president will be appointed until the regularly scheduled election is held at the end of the spring quarter. Julie Allen, first vice president, will introduce the business of the selection of the major spring production of the Masquers.

The Alpha Phi Omega will hold its first meeting of the quarter tonight at 6:30. This meeting will be devoted to the pledging of new members. The pledges include: Bettye Lewis, Elizabeth Bland, Joyce Johnston, and Marvin Norman.

## BOOTS and BUNTS

Due to the graduation of "Lard" Green, I was asked to accept the position of sports editor of The **George-Anne**. I accepted and hope to give you a column that will not be "words to fill up space", but a column that will be of interest to you. If you like it—o.k.—but, if you don't, I am open to suggestions on how to improve it.

First, I want to say a word about my assistants. Hazel Nevil will cover all events in the girls' program and Richard Strawn will help with the writing of all the boys' sports, intra-mural and varsity. Without them, this column would be nothing. So you can contribute your thanks to them.

### Teacher Nine Has Good Road Trip

The Teachers College baseball team returned from Florida and their recent road trip, bringing with them a very impressive record. The Blue Tide was victorious in four out of five games.

In the opener on March 21 at Green Cove Springs, the Teachers won 8 to 1, with Herb Reeves giving up 4 hits while forcing 13 men to strike out. Davis and K. Clements led the hitting with 2 for 4, while Daniels had 2 for 5. Reeves was never in trouble, allowing on one man to reach first base on balls.

In the second game, played at Lakeland, Fla., March 23, "Bo" Whaley scattered four hits and struck out 11. M. Clements led the hitting with a perfect day at the plate, getting 3 for 3. He was followed by Parsons with 3 for 5, and Whaley with 2 for 4. The Blue Tide was again victorious by the score of 9 to 3.

In the game the following night the visiting Tide won 3 to 2. Reeves came in to replace Tyre after 7 2/3 innings and received credit for the victory. The score was tied at 2 and 2 at the end of

9 innings of play. In the top half of the tenth Clements walked, stole second, and romped home with the winning run when M. Clements, his brother, parked a single to left. Reeves held the Florida Southern boys at bay by forcing the last three to roll out in order.

After an all-night bus ride to Jacksonville, the Teachers dropped their first game by the score of 10 to 2 to the Jacksonville Navy team. The Teachers out-hit the Flyers 10 to 5 but wildness caused their downfall. Mixon, Conner, Cook, and Spell saw duty in this game, with Mixon being charged with the loss.

Rodgers led the hitting for Jacksonville with 2 for 4, while Davis duplicated the feat for T.C. Parsons hit a homer for T.C. in the fourth.

On Saturday afternoon, the Teachers won their last game of the trip by downing the Flyers 8 to 6. Trailing 4 to 0 into the top of the fifth, the Teachers pushed across three runs. Daniels led off with a homer. Williams singled Parsons drew a walk, Middlebrooks singled, and Davis singled to drive in two runs. In the sixth and seventh the Blue Tide pushed across single runs to move ahead. Jacksonville came back with two runs in the seventh to go ahead 6 to 5. In the top of eighth the Teachers pushed across three runs which proved to be the deciding ones. Reeves, hurling beautiful ball, held the Flyers in the eighth and ninth and received credit for his third victory of the trip.

Looking over this year's team gives a feeling of coming success. The infield is held down by such capable players as Mitch Conner at first, J. E. Calhoun at the key-stone, Roger Parsons at short, and Mason Clements at third, with Andy Cuneo and Otis Mobley as utility infielders. M. Clements is a hard-hitting third-sacker who batted .375 for the Sylvania club of the Ogeechee League last summer.

In the outfield are four ball hawks, Kieth Clements, Doug Daniels, Al Williams, and Joe Daniels and Middlebrooks are

former members of the Statesboro club. Daniels in one of the fanciest fielders and base runners seen in these parts in recent years. K. Clements supplies right hand batting punch, while Williams and Middlebrooks are south-paw swingers.

Behind the bat the Teachers have Durwood Davis and Mike Alderman, both former Ogeechee Leaguers, with Carroll Edwards in reserve.

A new feature of the sports page will be "Three - Hundred Club." This will be composed of players of the baseball team who are batting .300 or above.
