Teachers Nine To Face Tough Foes This Week

With ten victories and two defeats under their belts before leaving for South Carolina last week, the "Blue Tide" will face two tough foes this week. On Wednesday and Thursday night at 8:15 the "Teachers" play host to the strong Erskine Club. Erskine proved a tough foe last year and everyone remembers this year's basketball results. Come out with the pep you displayed during the basketball game and let's take the visitors from Erskine for a ride.

On Friday night at 8:15 Mercer University will invade Pilots Field for a game with the local team. Coach Search has been unable to schedule the "Bears" for two seasons in basketball due to their "heavy" schedule. Last season the T.C. nine trounced the "Bears" by a large score and will

be out to insult to injury by a similar affair.

Several times the members of the team have made excellent plays in the field and received very little if any applause when they came to the plate. Also pitchers have pitched fine ball and received no applause on their trip to the plate. These boys are representing you, so let them know you appreciate their ball-playing when they have been doing a good job. One time that I recall was against North Georgia Trade School. Reeves was pitching fine ball and had singled on his last appearance at the plate. This time when he stepped into the box I could have counted the people who showed their appreciation on one hand. Come on, student body, back your team.

Art Class Put On Play Last Friday

Last Friday morning the Advanced Educational Art Class entertained the students with an original play using the paper mache animals that each member of the class had made as a character.

The committees working on the play were Music Committee, Betty Jane Caswell, Iris Lee, Irene Deese, Marguerite Miller; Stage Committee, Betty Thigpen, Rixie Horton, Helen Phillips, Della Mae mittee, Martha Jean Eason, Almittee, Martha eJan Eason, Alfreida Stebbins, Betty Williams, Reba Wilson, Dot Lancaster; Program Committee, Glennys Newson and Ann Griffin.

The programs that the class used were hand painted.

O'Farrell Speaks To Student Body

A well-known leader in the educational and missionary service of the Methodist Church to Southern Rhodesia, Central Africa—the Rev. Thomas A. O'Farrell, of Illinois, U.S.A., and Nyadiri, Rhodesia—was the guest speaker at chapel this morning. Mr. O'Farrell, now in the United States on a year's furlough, will speak on his experiences during more than thirty years in Africa, and of the changes he has seen on the continent during these years.

Mr. O'Farrell is superintendent of the Nyadiri District of the Southern Rhodesia Annual Conference. He travels constantly by car and on foot through a vast area of several hundred square miles, organizing chapels and schools for the native peoples, supervising the work of pastors and teachers, encouraging the people to organize Christian centers. For several years he has been active on an interdenominational committee for the establishment of Christian higher schools in Southern Rhodesia.

Mr. O'Farrell first went to Africa as a missionary in 1910, following his graduation from Northwestern University. He served in Umtali, Mutambara, Old Umtali, and Mrewa in both educational and evangelistic work before his present appointment to Nyadiri in 1927. When Southern Rhodesia became an annual con-

ference in 1931, he was its first ministerial delegate to the General Conference in the United States, and again he represented it in the same capacity in 1940. At Nyadiri he has been the leading spirit in erecting upon the mission station a boarding school for boys, boarding school for girls, a baby-fold, a hospital, a large church, and in carrying on a demonstration farm of 4,000 acres.

Mr. O'Farrell is a native of Pana, Ill.

Men's Chorus Sings To Veterans

The Men's Chorus of Georgia Teachers College, under the direction of Mr. Jack Averett, journeyed to Dublin Tuesday night where they presented four programs in the Veterans Hospital there. The Chorus sang in four different wards, presenting the same program in each.

The Chorus left T.C. Tuesday afternoon about 3:30 and journeyed to Dublin, where they were the dinner guests of the Red Cross. They then proceeded to the hospital where they were the dinner party where they gave the following program:

"Interger Vitae," a Latin prayer for peace; "The Desert Song," from the operatta of the same name; "Go Down Moses," a Negro spiritual; "One Alone," from the Desert Song; Viva la Companie," a French Air; "Oh No, John," an English Air; "I'll See You Again," from Bitter Sweet, and opening and closing the program with the T.C. Alma Mater. The Chorus was well received and all patients thoroughly enjoyed the program. They were accompanied by Mr. and Mrs. Bill Fordam.

The Chorus has begun extensive work on an operatta to be presented on their annual spring tour. The operatta is a Gilbert and Sullivan work, ably entitled "Trial by Jury." Mr. Laysal Bancroft has the lead role as Angelina, the girl done wrong by Edwin, played by James Hagan. H. M. Fulbright is counsel for the plaintiff; Gene Henderson is the judge, and Eddie Ort is forman of the jury. The rest of the Chorus will act as the jury and the spectators in the courtroom.

The entire fire loss for the United States last year exceeded \$711,000,000 and was the highest in history.

Practice Teachers Steadily Increasing

Georgia Teachers College is growing rapidly. This statement is proved by the decided increase in practice teachers over last year. Whereas, there were 99 students practice teaching in 1947 and 1948, there have been 148 practice teachers this year, an increase of 49.

The increase per quarter is obvious. This fall, there were 37 student teachers as compared to 20 in the fall of 1947, 48 last winter as compared to 29 the winter of 1948, and 65 student teachers this quarter as compared to 50 last spring.

This quarter there are 53 practice teachers in Secondary Education; 8 in commerce; 10 in social siene, 8 in English, 9 in physical education, 5 in industrial arts, 5 in math, 5 in science, and 3 home economics practice teachers.

There are 10 practie teahers in Elementary School, with two public school majors. Practically all of these practie teachers are planning to teach next year.

With the present critical need for good teachers in Georgia, it is evident that Georgia Teachers College is rendering a great service to this section and this state.

The graduating class this quarter is the largest in the history of this college. Georgia Teachers College was one of very few colleges which increased enrollment for this school term. There is decided increase in the number of practice teachers. Georgia Teahers College is taking her rightful place.

Not getting the better of another person, but getting the best out of one's self is success.—Anonymous.

May Day Festival Plans Announced Completed

Plans have been announced concerning the May Festival. The program will consist of dances typical of the countries that they represent. Some of these dances are the "La Cuaracha," Mexican; "Casebogor," Hungarian; "Highland Schottische," Scotch; "Hula," Hawaiian; a Chinese novelty dance; a melody of American dances consisting of an Indian dance, a square dance, a modern dance, and the traditional May Pole dance. At the close of the program the American flag will be raised with the singing of the Star Spangle Banner.

The decorations for the program will be very simple.

The coronation of the Queen which proceeds the proceeds the program promises to be very elaborate. The senior class attend-

dants will wear pink organdy dresses, the junior class attendants will wear yellow, sophomore class attendants will wear lavender, the maid of honor will wear blue, and the Queen will wear the traditional white.

The approach of the Queen and her court will be announced by heralds and the master of ceremony. Music for the coronation will be furnished by the music department. The programs are being made by the business department and the art department.

We would like to urge students to remain on campus for the May Day events and for the dance sponsored by the Student Council the night of May 6.

Coach Search has announced plans for a track and field meet to be staged between the freshman, sophomore, junior, and senior classes. This will be an annual affair after this year. A trophy will be purchased and put on display with the winning class and year being inscribed on it each year. Above the name of the winning class will be, "Annual May Day Track and Field Meet."

Track events are 100-yard dash, 220-yard dash, 440-yard dash, one-mile run, 220-yard low hurdles, 120-yard high hurdles, one-mile relay, pole vault, high jump, broad jump, discus, and shot put. All hurdles, shot-put and discus will be collegiate size and weight.

Preliminary heats will be held in the 220 dash, 440 dash, low hurdles, and the high hurdles on Tuesday, May 5, at 4. Two heats in each event shall be run and the fastest six in the two heats will be in the finals Friday. A qualifying mark for the high jump has been set at four-feet nine inches, and to qualify for the pole vault, the contestant must be able to vault eight feet.

On Friday afternoon at 1, all final heats and events will be run off. Scoring will be five for first place, three for second place, and one for third place.

Turn In Record Sheet Information

Don't forget to turn in the Information For Permanent Record sheet that was given out after chapel last Monday. The information you give on this sheet is very important, so fill it out and turn it into Miss Perry's office soon.

If you were in the service, list the information about your service record. Under campus activities, list any honors received, offices held in clubs or dormitory, your club memberships, extracurricular activities, and any jobs you have held in college.

Store Makes A Plea To Students

The Blue Tide Store has requested shat students put their bottles on the counter under the sign "Place Bottles Here." It will be very much appreciated if the students will comply with this request, as it will help to keep your store cleaner and give the students a place to enjoy the wonderful art of courtship.

Prof. Hanner Ill

Word has just been received that Mr. Hanner is confined to bed from a slight heart ailment. Mr. Hanner will have to be away from school for about two weeks, according to the report that the paper received. The students of T.C. joins with the staff to wish Mr. Hanner a speedy recovery.

T.C. STUDENTS INTERVIEWED

Three visitors on the campus last week were Wilbur McAllister, G. A. Bailey and J. C. Booth, affiliated with the schools at Tifton, Ga. Mr. McAllister was graduated from Georgia Teachers College and is principal at Tifton. The men were interviewing students to fill positions in the Tifton schools.

Editorial

Last week there was printed an editorial entitled, "Collegeboro vs. Statesboro," in which I mentioned the game of friction going on between the college and the city of Statesboro. Printed in this week's George-Anne you will find a questionnaire, and we request that you fill it out and place it in the box at the door of the George-Anne office. Our purpose is to find out just what the students of Collegeboro are giving to the merchants of Statesboro and to see if maybe we can not work out some sort of rules to govern this game that is being played. There will be several other questionnaires in the weeks to come and they will deal with other subjects. Help us and we will help you. Friendship between the college AND the town that the college is located in, is a great help, not only to the students but to the town as well. Do not try to give the exact amount that you spent in town, but just an estimate of what was spent. Do not count that part that went to THE LINE; we shall get that later. This week we want only the amount that went NORTH. Your cooperation is greatly appreciated by all the staff.

"ROSEBUD"

By E.C.

A rosebud she gathered, 'Twas
tiny and fair.
It shone like a ruby against her
dark hair,
As dark as the night in the
wintry wood.
The rosebud soon died in the
heat of the day;
The petals lost hold and drifted
away,
With no one to stop them who
would or could.

My darling, the rosebud is faded
and gone,
With only a memory still to live
on.
A mem'ry that fades slowly day
day by day.
But memories lie close to my
wild-beating heart,
The teardrops are coming—
soon they must start,
For your life, like the rosebud, is
drifting away.

The tennis courts have been put
in shape for this season and a
request has been made that you
play in FLAT-BOTTOM TENNIS
SHOES ONLY. Please help keep
these courts in condition by com-
plying with this request. This
means you girls, too.

A Letter of Suggestion

Editor, The 'George-Anne':

The conditions in the chow-hall
are deplorable, the smooching that
goes on is shocking, the daily
cave-ins of the Sanford Hall bath-
room ceilings are a menace, the
baseball team is to be commended,
house-mothers are too over-
bearing; cigarettes should either
be deposited in the urns of field-
stripped; the Line is too well pa-
tronized; Chapel regulations are
still unreasonable; the chow-hall
closes too early in the morning;
Dr. Henderson should be com-
mended for the renovations in the
Ad bulding, and eight o'clock
classes should be—BUT it is not
on any of these that I want to
speak. No, I want to put in a
word of praise for THE GEORGE-
ANNE's new editorial policy.

THE GEORGE - ANNE has
shown a new spirit of democracy
in its reforms. The staff has come
to realize that the antics of the
staff do not interest the students.
But why shouldn't a writer receive
credit for a job well done?

The makeup is better. More
work by students not on the staff
should be encouraged. Some of
our instructors have shown prom-
ise as writers.

The new art work on the Club
and Sports pages adds to the pa-
per. The Sports page is now get-
ting the emphasis it deserves.

The new George-Anne is to be
commended.

A STUDENT.

Meet Your Instructor

POWELL WHITFIELD

I was born on a farm near Van
Buren, Arkansas. At the age of
five I began in earnest my mis-
sion of making this a better world
by holding a revival in the fam-
ily mansion. The first sermon was
my last, since the collection plate
yielded only pennies and buttons.
However, this was only a tem-
porary set-back; in high school
I won the county spelling con-
test and realized that I was not
destined to be another "man with
a hoe." I graduated from Van
Buren High School, attended the
University of Arkansas, the Uni-
versity of Chicago, and Columbia
University.

My summer "vacations" were
spent in the Kansas wheat fields,
on the M.O.P. railroad as a con-
struction worker, in a brick plant
and lumber yard, and in Tennes-
see and Illinois as a book sales-
man. In the latter job I became
acquainted with ninety-nine ways
of accentuating the negative (a
door almost broke my foot during
one of these learning experiences),
wasted considerable time convinc-
ing mountaineers that I wasn't a
"revenoorer," and became rather
intimately acquainted with various
breeds of watch-counselor with
the East Side Boys Club of New
York City, and one summer with
the New York East Side Settle-
ment House as a recreation leader.
I served two years as an educa-
tional and recreational advisor in
the C.C.C.

My high school teaching field
was social studies, but during two
years I taught mathematics and
coached debate. I was a supervisor
of student teachers at Arkansas
State Teachers College before I
entered the service. Most of this
time was spent in Army Ordi-
nance, Special Service and Orien-
tation. After the war I did grad-
uate study in teacher education
at Teachers College, and while
there was employed to come to
G.T.C.

Deal with the faults of others
as gently as with your own. —
Chinese.

The very perfection of manners
is not to think about yourself. —

PAUL CARROLL

The first twenty-one years of
my life were spent in Spartan-
burg, S. C., attending the public
schools and Wofford College. Dur-
ing the following seven years I
taught English in two prep mili-
tary schools in South Carolina;
married; had two children, and
spent some time at Columbia Uni-
versity. In 1928 we moved to
Georgia. During the past twenty
years I have taught in the class-
room, served as dean and presi-
dent of a junior college, director
of a laboratory school, engaged
in field research, and spent a
number of summers at Peabody
College.

I have two married children
living in Spartanburg, the son
connected with newspaper work,
and the daughter engaged for the
most part in managing a two-year-
old son. The other son, Wesley,
is the third member of the States-
boro Carroll family.

My interests through the years
have been variously centered in
sports. (I have played football,
basketball, and tennis, but was
never a good performer in any
sport), travel, study, scout work,
and church and civic affairs.
Though I teach education, English
is my preferred field.

I came to Teachers College be-
cause I believe in her objectives
and have confidence in her fu-
ture.

In a teacher's life, the decision
of what position to accept is of-
ten difficult. On my last decision
I have no regrets.

MARVIN S. PITTMAN

If I were only half as good as
my parents hoped that I would
be, I would be wearing angel
wings. They named me for the
two most eminent Methodist di-
vines of that day—Bishop Marvin
and Dr. Summers. In those days,
parents hoped that the virtues of
those whose names were bestowed
would descend the high goal de-
sired for me by my aspiring par-
ents. Nevertheless, it has been an
interesting, yes, even a thrilling
journey during the sixty - seven
years which were completed only
last week, April 12.

Born in the hill country of north
Mississippi, country-bred and corn-

fed, farm-broke, blessed with pov-
erty and ambition, orphaned at
fifteen; entered college at eigh-
teen due to an accidental meet-
ing with a college president on a
little-traveled country road. Be-
cause of a thousand other acci-
dents and incidents along the way,
I am here today. I am at Georgia
Teachers College where I have
been for fifteen years—living, la-
boring, loving.

I am happy that I am a father
and also a teacher. As a father I
have taught only two children, but
as a teacher I have striven to be
a worthy father to thousands. The
teacher who loves his work and
who loves his pupils ALWAYS has
his MINIMUM FOUNDATION
PROGRAM. He must have food
and clothing, of course, to sustain
his physical existence, but his
REAL LIVING is EVER assured
—because there are always boys
and girls, men and women with
eager minds and responsive hearts,
with ears open and eyes aglow in
the presence of a teacher who be-
lieves in his mission and loves his
pupils.

For the teacher, there are no
diminishing returns, for interest
is compounded with each passing
day and with every pupil added
to the class rolls. Happy I have
ever been but, in addition now, I
am rich as I reap the dividends of
forty-five years of joyous work as
a teacher.

Henderson To Make Several Trips

President Henderson is a busy
man these days making speaking
engagements over the state. On
April 25 Mr. Henderson is to speak
to the Reidsville Lions Club at
their annual ladies' night program.
April 26 will find Mr. Henderson
making two addresses, the first
being to the student body of the
Statesboro High School. He jour-
neys to Camilla, Ga., for an en-
gagement at the men's meeting of
the Methodist Church that night.

On April 28 and 29 you can find
Mr. Henderson in Atlanta attend-
ing a meeting of Conference Lay
Leaders of the Methodist Church,
where he will lead the devotional.

Winding up his extensive travels
he will be the speaker at the
Sunday night services of the Kite,
Ga., Methodist Church. President
Henderson will deliver several
graduation addresses at the va-
rious high schools over the state.
These will be announced later.

T. C. Radio Programs Announced

WKTG	Thomasville	No schedule; call station	

club news

MEN'S CHORUS

The Men's Chorus has settled down to the hard but invigorating work on the operatta to be presented on the concert tour. Several members of the cast has been selected and last Monday the bridesmaids were selected—Mr. G. C. Futch and Mr. James Ethridge. In case three are used Mr. Escol Gay will fill out the trio. The cast has not been named but when it is released it promises to bring a laugh from the student body. The Chorus enjoyed their trip to the Veterans Hospital in Dublin last Tuesday and gave four much appreciated programs. We hope to return on the 5th of May to present our operatta.

MU SIGMA

Mu Sigma, music honor society, held their meeting in the Audio-Visual room Monday night at 7. This was primarily a business meeting and plans were begun for a social to be held in the near future. The new members were introduced.

The club welcomes them. As soon as the business was over, Art Justice announced about the opera season in Atlanta and gave the prices of admission. The club then adjourned to the East Hall parlor where the girls of the club served refreshments and all joined in a few games.

B. S. U.

The B.S.U. Council held its regular Tuesday night meeting in Room 21. The business concerned the Spring Study course. It was decided to invite Miss Mary Ellen Anderson, student secretary at GSCW, to teach it at the earliest suitable weekend. A motion was made to have an alternate secretary for Sunday School, and Teresa Dixon was elected. Plans were completed for the B.T.U. Enrollment Campaign. The meeting was dismissed by Jean Groover.

BUSINESS CLUB

The Future Business Leaders of America, Chapter 178, met Wednesday of last week in order to revise their membership list and to place stricter regulations on requirements for membership. Hereafter, members desiring to become affiliated with this club will have to submit their names through a member of the club to an officer of the club and await a two-thirds vote of approval before being accepted. Members missing two meetings in a row will be placed on probation; missing three meetings in a row will result in expulsion from the club and require a two-thirds vote of approval in order to re-enter.

The club was advised that the Federation Bulletin will be sent to the publisher some time next week. Also on deck is the meeting of the Federation to be held at Mercer University on May 14, which has been designated as FBLA Rally Day in the State of Georgia.

ART CLUB

The Art Club will have its regular meeting tonight at seven o'clock. The meeting will be held at the Statesboro Womens Club. The program will include a picnic supper, business meeting, and games and dancing. Possible pledges for the club have been invited.

Free sitters at a play always grumble most. —Chinese.

SCIENCE CLUB

The Science Club will hold its regular meeting Wednesday night, April 27, at 7 p.m. An interesting program has been prepared and all members—and visitors—are urged to be present. Final plans will be made for a fish fry to be held in the near future. An invitation remains open to all persons who would like to use the clubroom for studying, reading, visiting.

VETERANS CLUB

The Veterans Club held its regular meeting Tuesday night, April 19, 1949, and elected the following officers:

Judge Sorrell, president; Jesse Hurst, vice-president; Leon Riner, secretary; George Long, treasurer, James Watson, chaplain; Charlie Slaton, publicity chairman.

A committee was appointed to plan the quarterly social. After the meeting, refreshments were served.

ALPHA PSI OMEGA

Alpha Psi Omega met Monday at 7 in the auditorium. Four new pledges were initiated in a formal and impressive ceremony held on the stage. After the ceremony, discussion began on the social for this quarter. The final decision was to have a dinner dance party at the Country Club Tuesday night from 7:30 'till 10:30 for Alpha Psi Omega members and their invited dates.

The four new members, who withstood the rigors of the initiation were Misses Bettye Lewis, Elizabeth Bland, Joyce Johnston, and Mr. Marvin Norman. Conducting ceremony were James Evans, president; Julie T. Allen, worthy playwright, and Bobbye Quick, business manager. The remainder of the fraternity members formed the jury.

STUDENT COUNCIL

Student Council has purchased four concert benches that have been placed on front-campus.

The theme for the May Day formal dance has been set as a spring garden.

THE WESLEY FOUNDATION

The spring-planning retreat of the Georgia Methodist Student Movement will be held at Camp Dooley, near Vienna, Ga., on April 23 and 24. Delegates from our Wesley Foundation will be Ernestine Whitley and Joyce Johnston. J. D. Corbett, who is a member of the state council, will also be present from our campus.

The cast and production staff of "The Terrible Meek" are taking the impressive drama of the crucifixion on a tour to neighboring towns. The first performance is scheduled on Claxton on April 24.

The council is happy that at least two of its members, Lonadine Morgan and Gene Henderson, will be engaged in Christian Youth Activities this summer. Gene plans to go to the New York Work Camp and Lonadine to a work camp in Cuba.

The date of the retreat to Sunburg Lodge has been changed to May 20 through 23. Election of officers will be held before that date.

"T" CLUB

A billy goat with a strange looking boy dressed in sweat pants, parading up and down the campus last week, was nothing to get alarmed about, but merely part of the "T" Club initiation. The initiation was held last Tuesday and after all the smoke had cleared away, all 12 pledges were accepted in the club.

The "T" Club gives a hearty welcome to Billy Carter, Keith Clements, Mason Clements, Sonny Clements, Andy Cuneo, Durwood Davis, Shorty Edwards, Bucky Helton, Lawrence Mountjoy, Roger Parson, Bugs Roberson, and George Roebuck. Total enrollment of the club now is 35 men, with an active enrollment of 29 men.

Read the Sport Page.

The highest towers begin from the ground. —Chinese.

ENGLISH CLUB

The English Club met last Wednesday night in East Hall parlor. During the business session, much interest and enthusiasm was created and displayed by the members' present activities of the club, so as to arouse interest and provide special entertainment for the coming spring meetings. It was decided that the next English Club meeting to be held down by the lakes. A campfire and weiner roast will be the main event with a special program for entertainment. All club members are invited to come and bring prospective new members to be welcomed into the club. Watch the bulletin board for further details concerning the next meeting.

THE GEORGE-ANNE

The regular meeting of the George-Anne was held in the office at the regular meeting time on Wednesday, the regular day night). The regular confusion by the regular staff was regular. Excuses were handed to the Editor as the regular latecomers arrived. Regular jokes and regular laughs were provided by Anna Maria Tippins and Richard Strawn.

Y.M.C.A.—Y.W.C.A.

The new Constitution has been completed and is ready for ratification at the next regular meeting which is Wednesday night, April 27. It is very important that each member be present at this meeting. What do you say, let's give a full house. There is nothing which can take the place of a mid-week inspiration.

Mr. Charles Kopp Joins T. C. Faculty

We are proud to announce that Mr. Charles B. Kopp has been added to our faculty as publicity agent. Mr. Kopp comes here from the University of Georgia where he was assistant professor of Journalism. He has an A.B. and M. Ed. degrees and has been working toward an advanced degree. He also taught journalism at Norman Park Junior College and Mercer University before coming

here. He has done publicity work at these institutions and served in the Marine Corps as a combat correspondent.

SPORTS

BOOTS and BUNTS

"That class will tell" has been a slogan of our team for quite a while. The class did tell Friday night when the "Blue Tide" played Class "A" ball to defeat the Vidalia-Lyons Twins of the Class D, Georgia State League. The game was played in Twin City stadium before a large crowd and Walker "Bo" Whaley, a resident of Lyons, turned back the pros on nine hits and six runs while striking out 11. Al Williams led the hitting with three for six and Davis had two for five. Every player in the T.C. line-up collected at least one hit.

In the first of the second T.C. scored two runs on three hits. Davis walked, Conner sent a rain-maker to center, K. Clements singled, Calhoun singled to drive Davis in, and Daniels singled K. Clements across.

In the third T.C. added four more. Williams singled through the box, Davis singled, Conner forced Davis, and Williams scored. K. Clements walked, Calhoun lived on a fielder's choice and one run scored, and Whaley singled two more runs across.

The Twins scored in the third when Monroe pinch-hit for Stockwell and singled, Murray moved him to third with a single, and he scored when Morelli singled.

T.C. scored a single run in the fifth when M. Clements was hit by the pitcher, Williams doubled, and Davis scored M. Clements with a single.

Another run came in the sixth when Whaley scored after reaching first on a base on balls. He scored on an error by the shortstop.

Viadalia-Lyons added two in the sixth on a hit, two bases on balls, and an error. They also scored a single run in the seventh on two hits, another in the eighth on a homerun by Chilton the shortstop.

With the score 8 to 6, the Teachers scored one in the ninth when Parsons walked, went to second on an error, and scored on William's single to center. This ended the scoring.

On Saturday, April 16, at

Pilots Field, T.C. added another victory when Reeves won his fifth game of the season against no defeats. In a cold wind the Teachers won 7 to 5 from Green Cove Springs Navy.

Green Cove Springs scored three runs in the first when Sidlowski doubled, Bonomo reached first on an error, Gardner walked, Petro singled, and Sullivan reached first on a fielder's choice.

T.C. came back with two in the last of the first when Parsons singled, M. Clements reached first on an error, and Parsons scored as Williams ground out. Alderman reached first on an error and M. Conner M. Clements with a single.

In the second the "Blue Tide" counted three times. Reeves singled, moved to second as Daniels grounded out, went to third on a wild pitch. Parsons walked, M. Clements reached first on an error that scored Reeves. Williams then singled to drive in two more runs.

In the fourth, T.C. scored a run as Parsons singled, went to second on an error and scored as M. Clements singled.

T.C. pushed across a run in the seventh when Reeves reached second on an error and scored when M. Clements singled.

The "Tars" scored lone runs in the seventh and ninth to make the score 7 to 5.

HIGHLIGHTS

K. Clements made a nice running catch on Snider's drive to left in the sixth.

A. Williams duplicated the feat when he snagged Silverman's fly to right after a long run.

Whaley walked the first two men in the second, then whiffed the next three which made him strike out five of the first sixth men that were put out. The other popped to the shortstop.

M. Conner, M. Clements and Williams all hit balls that would have been out of the park at home.

The Vidalia - Lyons homerun came by their smallest man, Murray, who weighs 115 pounds.

Player of the day—April 15

Today we tip the hat to a hustling ballplayer who played all through last season without making an error, Al "Ted" Williams.

Al hails from Pulaski, Ga., and really gives the ball a ride when he steps into it.

Several times this season he's made fine running catches and hits at the right moment. But Friday night against Vidalia-Lyons

he collected three hits in six times at bat including a double. His ninth-inning single drove in the run that came when it was needed badly.

INTRAMURAL

The softball league got off to a good start last Thursday when Williams' team defeated Olliff's team by the score of 10 to 1. In the after-supper game Wireman defeated Oliver 22 to 1. On Monday, Williams trounced Springhorn 27 to 3. In the 5:45 game Lindsay defeated Wireman 7 to 2. On Tuesday two more games were played, Olliff winning from Oliver 5 to 3, and Peacock defeating Tomberlin 12 to 4.

We would like to put in a word here in favor of the umpires that call the intramural games. These fellows don't get paid for the time

they put in they do to help the boys out in the intramural program, so don't razz the umps. If you have to razz, please confine your razzing to players.

I'D LIKE TO SEE A SPRING

I'd like to see a Spring where a Cobb was coming up.
I'd like to see a Spring where another Ruth was due.
Where Matty was a kid again
And Speaker made his bid again,
And Grover Alexander shoved his curve
And fast one through.
I'd like to see a Spring
Again where Hornsby knocked 'em flat,
And a kid named Honus Wagner
Was advancing to the bat.

I'd like to see an April
Where a Collins covered second.
I'd like to see an April
With McGraw upon the job.
Where Walter Johnson, fast and free,
Threw something that no one could see,
And Rube Waddell was back
To please the cheering mob.
I'd like to see an April
Where another Dizzy Dean
And Frankie Frisch were with us
To adorn the happy scene.
—Grantland Rice
