Teachers Nine Travels To Mercer University

The Georgia Teachers College "Blue Tide" travels to Macon tomorrow to meet the Mercer "Bears." Coach Clements hasn't stated who will pitch but is will probably be Reeves or Whaley.

On Saturday of this week the Newberry "Indians" will invade T.C. with the best team to face the local this season. In a game at Newberry two weeks ago Newberry defeated T.C. 8 to 1. Reeves pitched fine ball, but errors proved his downfall. This game will be played at Pilots Field at 3:15 p.m.

The injury jinx that has plagued the Teachers for so long is about to leave, with only Joe Middlebrooks still out after an ap-

pendicitis attack. The jinx started with Mason Clements going out with a sprained ankle, then Calhoun was hit by a pitched ball and missed two games, Middlebrooks was operated on and Al Williams sprained his ankle when he slid into second in the Erskine game in Due West. Williams still has a sore hand but by using a sponge he powders the ball consistently. With the team returning to top physical shape the win column is expected to increase rapidly.

After the trip through Carolina the Teachers had a record of ten wins and four losses for a percentage of .714.

Intern Supervisors Visit T. C. Campus

Twenty Intern Supervisors will be on the T.C. campus Thursday through Friday under the supervision of Miss Johnney Cox, a graduate of T.C., and Miss Reba Burnham from the University of Georgia. This is the first time that T.C. has been honored by having the supervisors visit our campus, and we hope that they will return for many years to come.

The supervisors that will visit T. C. are Mrs. Ruth Barron, Appling county; Mrs. Edna Tolbert, Atkinson county; Mrs. Dixie Pruitt, Banks county; Mrs. Alice Gouge, Brantley county; Miss Arkie Cook, Fannin county; Miss Miss Ruth Lightsey, Jeff Davis county; Mrs. Eudelle Wilcox, of Laurens county; Mrs. Grace Yancey, Lowndes county; Miss Nadine Patten, Mitchell county; Miss Dorothy Firor, Morgan county; Mr. James Murry, Pierce county; Mrs. J. H. Rockmore, Walton county; Miss Virginia Smith, Washington county; Mrs. Steven Goss, Ware county, and Miss Dorothy Brewton, Wilkes county.

Quartet To Give Concert Tuesday

The Savannah String Quartet will give a complimentary concert on Tuesday, May 3, in the college auditorium at 8:15 p.m. The personnel of the quartet are Mr. Fred G. Wiegand, director and first violin; Vera Dodge, second violin; Marion Moore, viola, and Emily Hagstrom, cello. Also appearing on the program are Georgia Florence Harper, violinist; Helen Chance Hoffman, pianist, and Mrs. Eugene Wallace, accompanist.

The students, faculty, and the public are cordially invited to attend this concert.

Hazel Tillman Honored

Hazel Tillman, Home Economics major, gained recognition for the Georgia Teachers College when her article, "Your Community Looks to You," was published in the April issue of the national Home Economics magazine, Colhecon. We are proud that one of our students received such recognition.

Business Club To Release Bulletin

The Georgia Federation of College Business Students Association's Bulletin has been made up and sent to the publishers. A dummy is expected back by the middle of next week. This bulletin contains information concerning the various college commercial organizations in the State and is to be used as an effort to widen the membership and strengthen the organization.

Of interest to the students at this college will be the article on bookkeeping by James Evans, a senior.

The bulletin will afford good publicity not only to the college but to the effort the business club and the business department is making to bring into closer working conditions the various departments of the other colleges of the state. The entire staff of the bulletin is made up from the members of the club, although some of them graduated last quarter. This represents the completion of one of the goals set by this club for the year 1948-49. Several hundred copies will be printed and set out over the state.

Dr. Little and Dean Carroll went to Atlanta to the Georgia Teacher Education Council meeting.

Miss Leila Stevens was in Athens last Saturday, acting on the Advisory Committee for the training of the County Instructional Supervisors.

Important, Please Read This Notice

Repetition is supposed to be the spice of life and I think that it helps the students to remember certain things that are prone to forget, so I am repeating an article that appeared in last week's George-Anne.

"The Blue Tide Store has requested that students put their bottles on the counter under the sign, "Place Bottles Here." It will be very much appreciated if the students will comply with this request, as it will help keep your store cleaner and give the students a place to enjoy the wonderful art of courtship.

Give the store a break by complying with this request.

Masquers Select Play For Spring

PAPA IS ALL, a comedy in three acts, by Patterson Greene, will be the Masquers' spring production. It is to be presented on Friday, May 27, as the first feature of the Alumni Week-End.

The comedy is a story about the quaint and amusingly tonguetied Pennsylvania Dutch folk down Lancaster and Reading way. The play has much of the charm of the all-time favorite, I REMEMBER MAMA.

It was presented in 1942 by the Theatre Guild, with Jessica Landis, Carl Benton Reid, and Celeste Holm playing the leading roles. Characters in the play include, Mama; her son, Jack; her daughter, Emma; her dominating husband, Papa; a loquacious neighbor, Mrs. Yoder, and State Trooper Brendle.

GED Test To Be Given Tuesday

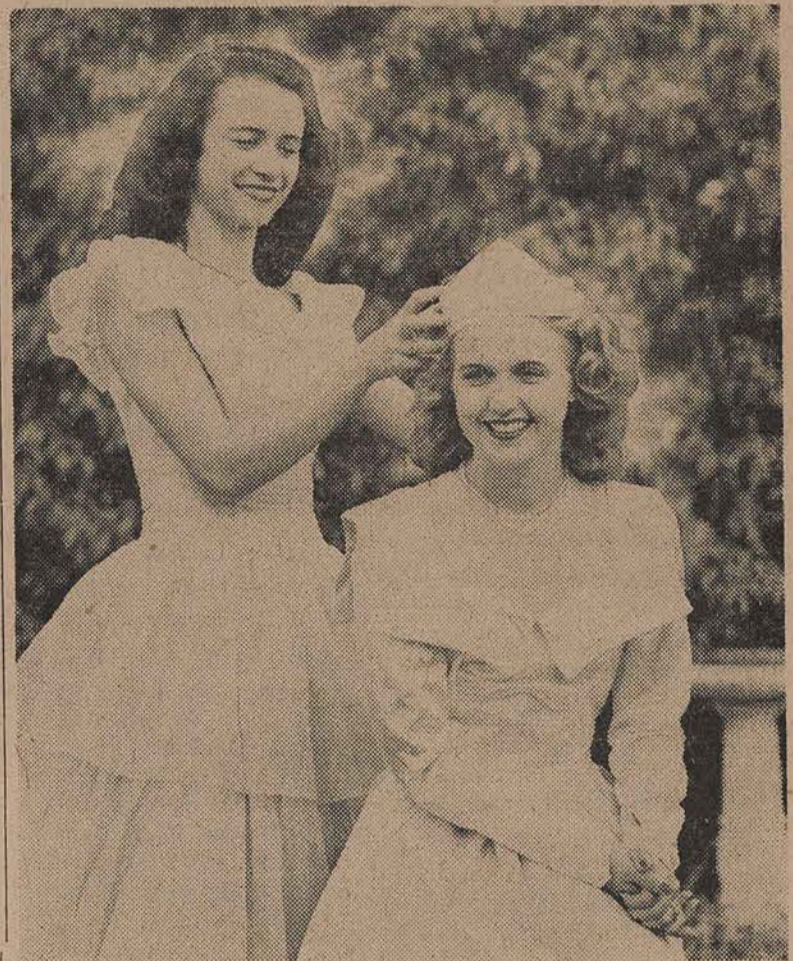

G.E.D. tests will be given in the college library on Tuesday, May 10, from 8:30 to 12:30 o'clock and from 2 to 4, and on Wednesday morning, May 11, from 8:30 to 12.

No student who has previously failed a test is eligible to take the same test.

If you desire to stand one or more of the tests on the dates indicated, please call by the office and make application on a form which will be provided.

Driver Education Institute at TC Today to May 6

Announcement is made here this week that a Driver Education and Training Institute will be held at the Georgia Teachers College on May 2 (today) to May 6.

Teachers College To Crown May Queen

Miss Evelyn Arnold, pretty senior of Pembroke, will be crowned queen in the annual May Day festival at the college on Friday afternoon. As maid-of-honor, Miss Betty Zetterower, Brooklet senior, will crown the queen. The girls, shown during a rehearsal, were selected by student vote. Miss Arnold is the daughter of Mr. and Mrs. J. L. Arnold of Pembroke. Miss Zetterower's parents are Mr. and Mrs. H. H. Zetterower of Brooklet. (Photo by Clifton)

County school superintendents have received letters explaining the program and inviting them to send representatives to the institute here.

Mrs. Mary D. Coleman, coordinator, Safety Education, formerly of Statesboro, will be here the four days of the institute, together with a safety representative from the State Department of Public Safety.

German Professor To Be Guest At TC

A friendship dating from a visit to Germany two years ago by Dr. Marvin S. Pittman is bringing a leading German education to Georgia Teachers College for a week.

Dr. Ernest Huettl (cq), young president of the teachers college at Bey-reuth, Germany, will arrive here on Monday morning to be the guest of Dr. Pittman, president emeritus and director of extension work at the local college.

They were in consultation during a study of 26 teacher training centers in Germany, made by Dr. Pittman at the direction of the United States Army. Afterward, Dr. Pittman recommended Dr. Huettl for a year of study in America. He was at the Arizona State Teachers College in the fall semester, and now is at the University of Maryland.

Dr. Huettl will speak at the Friday morning assembly at the Teachers College and at Rotary Club meetings at Statesboro on Monday, at Claxton on Wednesday, at Sylvania on Thursday, and at Millen on Friday.

He will discuss the promotion of better international relationships, the first objective of Rotary International. He will be

Dr. Pittman remembers Dr. Huettl as the youngest man to occupy the presidency of one of the teacher-training centers, as an accomplished linguist, and as a scholar of educational practice at home and abroad.

Dr. Pittman was president of the college here while serving as a visiting expert in teacher education in Germany and Korea.

Editorial

I would very much like to know
 in my own mind what could be
 done to improve the relationship
 between Statesboro and College-
 boro.

I had several ideas that might
 help cement a lasting friendship
 but that is only personal opinion.
 I would like to know what the
 masses want and I would appreci-
 ate any letters of suggestion as
 to the improvement of relation-
 ship. My only request is that the
 letters be kept to the point and
 that they give only facts and sug-
 gestions.

I was very disappointed in the
 response to the questionnaires that
 were printed in The George-Anne
 and I hope that you will still try
 to answer this form and turn it
 in The George-Anne office as soon
 as possible. I also want all the
 students to take part in this at-
 tempt of better understanding and
 turn in the suggestions. This is
 open to all on the campus, stu-
 dents, faculty, and administrative
 officials.

'YAK' SEZ:

"Good preparation is
 the basic essential for
 women and food."

A Letter of Suggestion

Students, Ga. Teachers College:

I wish to take this opportunity
 to thank all the students of the
 Teachers College for the fine co-
 operation that they have given
 the staff of The George-Anne in
 the past few issues. It is thankless
 job in trying to make a decent pa-
 per if you do not have the back-
 ing of the students.

This space is usually taken up
 by you, but this week I thought
 that, as a student, I would be
 allowed to express my views on
 the campus, with offense to no
 one and only in a sense of im-
 proving the campus.

I think that the tennis courts
 should be graded so as to give
 the students a fair opportunity
 at playing tennis and not golf, as
 you probably know the tennis
 courts are in deplorable condition,
 and in the same breath I wish
 to compliment the maintenance
 staff for a grand job in cleaning
 up of the campus.

Now, as is the favorite of all,
 I will start on the dining hall. It
 seems to be that a balanced diet
 of well-cooked food could be had
 on the campus, but for some un-
 know reason when you do have a
 well balanced diet the food is
 cooked until it has no taste. With
 proper supervision this could be
 remedied.

In ending this letter I wish to
 say that the stagger period is of
 no benefit to any concerned and
 it is of no value to student and
 faculty alike. I would like to see
 the administration abolish the
 stagger system and become a
 modern school.

THE EDITOR.

Know Your Library

Hi, Mac, let's go to the Library.
 What, you don't know where it
 is? Well, let me give you a little
 info on that wonderful place. Our
 Library is one of the prettiest
 buildings on the campus. It is lo-
 cated between East Hall and San-
 ford Hall, and is right on the
 circle. There are 38,000 volumes
 plus all those government reports
 and documents in the Browning
 room. There is an Audio-Visual
 room with more than 1,000 rec-
 ords available to you if you want
 to go down and listen to some
 good music. There is a 16 mm.
 projector and films are ordered
 or borrowed from the State De-
 partment of Education and the
 Georgia Extension Service. The
 hours that the Library are open
 are Monday through Friday, 7:45
 a.m. to 5 p.m., and at night 7 p.m.
 through 9:30. On Saturday the Li-
 brary opens at 7:45 a.m. to 3 p.m.
 The Library is closed on Sunday.

The staff is composed of Miss
 McElveen, librarian; Mrs. Jack
 Averitt, assistant librarian; Mrs.
 Gladys DeLoach, assistant librari-
 an in charge of the Children's Li-
 brary. There is a total of 15
 student assistants.

The Library is the best friend
 that a student can have, and is
 a good place to do your studying
 and it sure is easy when you have
 someone to help you. The card
 catalogue is a lot of help to the
 Freshman English 102 Class and
 you can always find someone to
 show you what you need. So come
 on, you students, DISCOVER
 YOUR LIBRARY.

An education is worth every
 effort that it takes—not for the
 mere dollars and cents that it will
 bring, but for the power that it
 gives a man to get and enjoy the
 best things in life.—Anonymous

Meet Your Instructor

THOMAS C. LITTLE

I was born in the hills of East-
 ern Kentucky among the hoot
 owls and moonshine stills. At the
 ripe age of five (my age that is)
 Pap saw a train, loaded his flock
 on it and homesteaded in the
 Blue Grass among pretty girls
 and fast horses (I dare you to
 turn it around). Of course, a cur-
 rent feud had nothing to do with
 our removal. They never would
 have whipped us if we had stayed
 in them thar hills.

I elementary schooled and high
 schooled at Paint Lick, Ken. (no
 cracks now); A.B.'d at Eastern
 Kentucky State Teachers College
 at Richmond; M.A.'d at the Uni-
 versity of Kentucky, and Ph.D.'d
 at Peabody College (if I had
 B.S.'d and M.S.'d instead of
 A.B.'d and M.A.'d, Bo Whaley
 would have made a crack).

I taught and principaled elemen-
 tary pupils for four years; taught
 high school students for two
 years; superintended board mem-
 bers for four years, and ranged,
 scaled, IFF'd, LORAN'd, CIC'd,
 dippered and dead-reckoned sail-
 ors for two years before coming
 to Statesboro. Miss Mae's charms,
 Dr. Henderson's sincerity of pur-
 pose and Mr. Bob's practices of
 economics brought me to Teachers
 College. Sun-bathing at Lewis and
 West Halls has caused me to want
 to stay.

P.S. — I married in 1933 but
 have retained fairly good eye-
 sight.

LEILA STEVENS

Most of my life has been spent
 as student or teacher in the class-
 room. A peripatetic student, I
 spent two years at the University
 of Iowa, graduated from Iowa
 State Teachers College, took an
 M. at the University of Chicago,
 completed the requirements ex-
 cept the thesis for a PhD at the
 University of Wisconsin, and re-
 cently took some brush-up courses
 at George Washington University.
 I run as a cashier in a de-
 partment store, deputy county au-
 ditor, and tour of duty in the
 Navy from 1942 to 1947 convinc-
 ed me that I want to be a teacher.

Contrary to my ancestors, who
 moved from England to New York
 to Wisconsin, I have migrated
 from West to East. I was born
 a Yankee — but anyone can be
 forgiven one mistake, cain't he?

I became a Georgian by choice.

My enthusiasms? GTC students
 —ice skating—GTC students—
 the short short story—GTC stu-
 dents—the theatre—GTC stu-
 dents.

FRIEDA GERNANT

I'm the "gal" from Kalamazoo
 (Michigan, that is) but I'm not
 the one the song was written
 about. Really, there IS such a
 place!!! Kalamazoo has a popula-
 tion of 75,000 (at present 74,999);
 has one daily newspaper — The
 Kalamazoo Gazette (sample in the
 Art Studio); produces Kalamazoo
 celery (which I guarantee as good
 nerve food); has a Kalamazoo
 Symphony Orchestra, Kalamazoo
 Civic Theatre and a Children's
 Theatre (for which I frequently
 designed costumes), and a Kala-
 mazoo Art Institute (for which I
 served on the board of directors).
 The Kalamazoo recreation depart-
 ment hired me as a playground
 director for two summers. That
 was fun! O yes, Kalamazoo has
 many other things but I have dis-
 covered that there are other won-
 derful places.

I learned that the University
 of Mexico had much to offer this
 foreign student, I learned how
 to do mountain-hiking as a craft
 counselor in the state of Washing-
 ton; I learned how tall the corn
 can actually grow while teaching
 for Iowa State Teachers College,
 and now I've found a place where
 all the people and nature smile.
 I THINK I've learned how to pro-
 nounce "orange" and "Florida";
 how to play on a see-saw instead
 of a teeter-totter; how to build
 toadfrog houses instead of sand
 castles, and I've learned to let
 people CARRY me to town.

My main interest is people and
 my favorite past time—well, just
 talking (if I'm lucky enough to
 have someone around to listen).
 That's all—I've passed the 150-
 word "limit."

P.S.—My favorite color scheme
 is blue and green—AND THEY
 DO GO WELL TOGETHER!!

BETTY JANE TROTTER

When the music for my open-
 ing number began, even my father
 and mother were becoming a
 little bored, for you see, there had
 already been several similar ap-
 pearances in their concert hall.

My beginning steps brought very
 little appreciation, and it was
 quite evident from the lack of

encores that I would not be tap-
 ping at the door of Fame.

It wasn't exactly a waltz, but
 I finished my B.S. at the Univer-
 sity of Tennessee in 1947, with
 only one deviation from the print-
 ed program, an innovation for me,
 a summer's work at Oak Ridge.
 As soon as I had polka'd up for
 my diploma, I hopped a locomo-
 tive for New York to get
 squared away for my Master's
 degree.

After a 10-weeks-stand there I
 made my debut at GTC, which
 leads me to a repeat performance
 in '48-'49, and needless to say, you
 Georgians are-keeping me on the
 trot.

LINES COMPOSED AFTER
 RE-READING POE'S
 "THE BELLS"

By E. C.

There are bells in the morning
 Bells in the eve,
 Bell calls for classes,
 Tell us when to leave.

I've bells with my breakfast,
 Dinner, supper, too!
 I've bells, bells, bells,
 Ten thousand and two!

Bells control my stomach,
 They tell me when to sleep .
 Bells get me up and knock
 me down,
 I cuss, I rant, I weep!

They rule my college life,
 I'm a machine run by a bell,
 Bells, bells, bells, bells,
 Bells, bells, oh

Gather good grades while ye
 may,
 The second year is tougher,
 For this same Prof that smiles
 today
 Tomorrow will be rougher.

That year is best which is the
 first,
 When students and Prof are
 strangers;

It is not until he knows the
 worst
 That you're in real danger.

—The Campus Canopy

To be always intending to live
 a new life, but never to find time
 to set about it—this is as if a
 man should put off eating and
 drinking, and sleeping from one
 day and night to another 'till he
 is starved and destroyed.—Author
 Unknown.

WMOG	Brunswick	No schedule—call station	

club news

SCIENCE CLUB

The Science Club held its regular meeting Wednesday night, April 27. Final plans were made for a fish fry to be held near Swainsboro. The club is to be the guest of Dola Brown at the time.

The program for the night was presented by Dr. Lundquist, the Bulloch county health officer. The club received a first-hand view of county health problems and how they are being solved, the research being done, and other information on the work of the department.

MEN'S CHORUS

"Hark the hour of ten is sounding, Hearts with anxious fears are bounding . . ." thus the Men's Chorus started with another of their glowing rehearsals for the coming concert tour. Basses, baritones, second tenors, and first tenors combined their voices together to form the opening chorus and lifted the sound of their singing up to the very heights of the campus. The Chorus has worked very hard on this operetta, "Trial by Jury," and look forward to making the concert tour. The Chorus was pleased to present the program on the T.C. Hour over WWNS last Wednesday night.

MU SIGMA

Mu Sigma is scheduled to meet tonight at 7 in the Audio-Visual room and all members are urged to be present. This will be primarily a business meeting, but everyone is asked to be present to help to plan their spring social. The social will be held at a very early date and all members are asked to offer their suggestions for the type of social to have.

I. R. C. CLUB

The I.R.C. held its regular meeting last Thursday night. The club discussed plans for the campus beautification project. They welcomed two prospective members. Clarece Murray, vice-president, had charge of the program and reviewed several of the books that have been presented to the club by the Carnegie endowment and are located in the library for the use of the whole student body.

HOME EC. CLUB

Monday night, the home economics girls put in an evening of work. They were making identification tags and luncheon tickets for the State Home Economics Club Convention. Eleven of the club members attended the convention, which was held in Atlanta, this past weekend, April 29-30.

MASQUERS

The Masquers will meet tonight at 7 o'clock in the auditorium. If enough members are present the club will plan a picnic.

The play for the spring production has been selected and will be announced at a later date.

"T" CLUB

If it was impossible to attend the baseball game last Wednesday night we hope you tuned in the local radio station. Thanks to the sponsorship by business men in Statesboro, who worked jointly with the "T" Club, the whole game was broadcast.

President Billy Tyre appointed Alvin Williams to head a social committee to plan a social which will probably be held some time this week. Formal presentations of T Club cards will be made to new members at this time.

ART CLUB

The Art Club held its first meeting of this quarter at the Community Center Monday night with a party. A business meeting was held with Mrs. Reba Barnes, new president, presiding. Plans were formulated for decorating the Amphitheatre for the May Day program. The art club has been working on program covers for May Day. Several new members have become eligible this quarter to replace others who have graduated.

STUDENT COUNCIL

The Student Council will conduct play-night in the gym from Monday through Friday starting next week. Play-night for the past few weeks has not been held on Friday nights. Students have requested that it be held on Friday night also.

Plans are still being made for May Day. This is a day for all students to enjoy.

Y.M.C.A.—Y.W.C.A.

The YM and YW held a joint meeting last Wednesday night. Fred McLendon, president of the YM, had charge of the business session. Miss Louise Bennett, faculty advisor for the YW, had charge of the program.

Plans have been made for a called meeting this Thursday night at 7 o'clock to elect officers for the new organization next year. All members are requested to be present so this important matter can be settled.

B. S. U.

At the Tuesday night meeting of the BSU Council it was decided to have the postponed Installation Service for the new BSU officers on Sunday night, May 15, at the First Baptist Church.

The Council has voted to ask Miss Mary Ellen Anderson, student secretary at GSCW, to come here to teach a study course in BSU Methods the week of May 22nd.

ENGLISH CLUB

The English Club will meet on Wednesday evening at 8 o'clock. A program of entertainment has been planned for the members. The meeting will be held in East Hall Parlor.

THE WESLEY FOUNDATION

The center of interest among the Methodists this week is the election of officers for next year. The nominating committee meets at 6:15 Thursday evening, and the election will be held at the regular Sunday School hour on Sunday, May 1. We'll let you know next week who heads the Wesley Foundation next year!

A final project for raising funds will be undertaken on Saturday, April 30, when we sponsor a clothing sale in town. Receipts of the sale will go toward paying for the motion picture projector that we are attempting to send our fellow college in India.

The Christian Service Committee would like to ask everyone who has pledged a contribution to the fellow college project, to get that in to his dormitory representative as soon as possible. If there is anyone who would like to make a contribution to this cause who has not been contacted, please see a member of the council at once. We appreciate those which have already been made.

The council was host to the Rev. Sawyer of Middle College, and Dr. O'Farrell, returned missionary to Rhodesia, at lunch on Monday of this week. He brought a challenging message to the young people concerning the opportunities in the mission field.

BUSINESS CLUB

The Future Business Leaders Club held its regular meeting last Wednesday in the lounge of Sanford Hall. Mr. Fred Whitehead, representative for the I.B.M. Co. in Savannah, presented an interesting demonstration of the IBM electric typewriter.

Smith Wins Award

Hoke Smith, of Savannah, former member of T.C. Band, and a graduate of Georgia Teachers College, has been awarded the Arion Foundation Music Award and it is announced that he will teach at Glynn Academy in Brunswick next year. Good luck to you, Hoke Smith.

THE GEORGE-ANNE

The regular meeting of The George-Anne was held in the office at the regular meeting time on Wednesday, the regular day (night.) The regular confusion by the regular staff was regular. Excuses were handed to the Editor as the regular latecomers arrived. Regular jokes and laughs were provided by Gene Henderson and Lola Robbins.

H. E. Students

Attend State Meet

The Home Ec Club of T. C. made a trip to Atlanta Friday and Saturday to attend the state meeting of the Home Ec Clubs. Students attending were Hazel Tillman, state treasurer of the club; Mary Frances Geiger, vice-president of the Georgia H. E. Club; Mildred Hamby, president of the T.C. H.E. Club; Lonadine Morgan, Mary Ellen Blocker, Sybil Daniel, Annella Wells, Thelma Winter, Betty Reagan, Wudie Gay, and Ruth Smith.

The club members were guests of the American H.E. Association Friday night at a banquet where they heard Dr. Marie Dye, president of the American H.E. Association, Miss Ruth Bolton and

SPORTS

BOOTS and BUNTS

The Teachers dropped two games in South Carolina on their recent road trip. In the game played at Due West, S. C., against Erskine on April 21 the "Blue Tide" dropped a thriller by the score of 7 to 5.

The Erskine nine opened the scoring in the second by scoring a run on three hits, and followed with single tallies in the fourth and fifth.

The Teachers tied the game up in the sixth when M. Clements singled, Bulloch flied to center, Davis walked, M. Conner walked, and K. Clements walked to force in a run, Calhoun walked to force another run across, Whaley grounded out, and Daniels walked to force in the third run of the inning.

In the seventh the "Blue Tide" scored a single run when Bulloch walked and Davis drove him across with a double.

Erskine scored four in the eighth on four hits and an error.

T.C. ended the scoring when they pushed across a single tally in the ninth when M. Clements tripled and romped across on Bullock's double.

On Saturday, April 23, at Newberry, the "Teachers" suffered their worst defeat of the season when they dropped a game to the "Indians" by the score of 8 to 1. The Newberry club is considered one of the best college nines in the Southeast. Four errors and ten hits proved the Teachers' downfall. The "Blue Tide" gathered eight hits off Stoudemire. The locals pushed across their only run when Parsons singled and M. Clements doubled.

INTRAMURAL

In the 4 o'clock game on April 25 Peacock defeated Springhorn by the score of 7 to 4. This was the most thrilling game of the season so far. "Casey" King was the winning pitcher and he had him a no-hitter in the last half of the last inning with two men out. Robert Able did away with the no-hitter at this point by beating out an infield hit. Able led the hitting for Springhorn with 1 for 3.

In the after-supper game on the same day, Lindsey's team beat Tomberlin's by the score of 10 to 3. Jack Lindsay led the hitting for the victors with two for three, while Jack Wynn duplicated the feat for the losers.

On April 26 Olliff defeated Lindsey, one of the strongest teams in the league, by the impressive score of 8 to 3. It was a good all-around game with both teams playing pretty ball afield. Ort led the hitting for Olliff's team with two for three while both Roberson and Corley got the same for the Lindseyites.

The after-supper game seemed, for a while, as it was going to be a repetition of the first, with the supposedly stronger team being beaten. Oliver's team led Williams' 3 to 2 until the Williams boys had their big sixth and pushed across four big runs. This was the last scoring and the game goes into the record book at 6 to 3 in Williams' favor. Cohan led the Oliver hitters with two for three, and he also pulled a couple of robberies afield. Sikes got one for one, Harver and Boykin two for four, and Adams and Eanes one for two for the Williams team.

Intramural Standings

Team	w.	l.	pct.
Williams	4	0	1.000
Lindsey	3	1	.750

Musselwhite	.400
Johnston	.400

(Note— Player must have an average of two times at bat for every game his team has played.)

Another word about the umpires for the softball games. We would like to take this opportunity to say that all these boys have been doing a good job. Those that are seen most frequently calling the plays are Bill Fordham, Charley Wireman, Clyde Pool, Zack Williams, Benny Walters, Coach Scarsee and George Roebuck. Give the boys a break, they are doing their best.

WORDS . . .

Limburger cheese is cream cheese with a secret weapon.

A prone is a plum that has seen better days.

Etiquette—Knowing which end of a match should be used for a tooth-pick after meals.

Wine — A high octane grape-juice.

Vodak—Russian coca-cola.

SPORT

Said in sport, meant in earnest. (German)

The strong man's sport is the weak man's death. (German)

He that cannot make sport should not mar none.

Bacteria—The rear entrance of a cefeteria.
