Teachers Nine Takes On Jacksonville Navy

The Blue Tide of Georgia Teachers College will play the Jacksonville Naval Air Station nine here on Wednesday and Thursday night. The games will be played at Pilots Field at 8:15.

The Teachers' nine split two games with the "Flyers" in their swing through Florida. They lost the first game then came back to win the second, with Reeves chalking up the victory.

The Blue Tide has been slowed down to a calm sea by injuries to the boys who wield the big bats. Durwood Davis, a fine catcher and one of the leading hitters, has been out with a back ailment. Joe Middlebrooks, a solid .300 hitter for Statesboro of the Ogeechee League, is out with appendicitis. Daniels has a bad ankle and Williams, only recently out with a bad ankle. No doubt, with full force the Teacher would have had several more victories instead of those six defeats.

Dr. Caldwell Visits T. C. Monday

Dr. Harmon Caldwell, Chancellor of the University System, was a visitor on the campus last Monday and Tuesday. This was Dr. Caldwell's first visit since taking his present office as Chancellor. He was to appear at Douglas on Wednesday for the dedication of the Thrash Library on the campus of South Georgia College. Dr. Caldwell will return to TC for the graduation exercises when he will be the principal speaker.

Ga. History Class Tours the Coast

Twelve members of the Georgia History Class made a three-day tour last week of points of historic importance along our coast.

Some of the high spots of the trip included Bonaventure Cemetery, the Telfair Academy, Bethany Orphanage, the Pink House, several churches and the city hall, all in Savannah; the Ford Plantation at Richmond Hill, the old church and cemetery at Midway, a stop-over in Darien to see the George Washington Oak, Boys Estate near Brunswick, For Fredricka on St. Simons Island, and a day's tour of Jekyll Island. On the return trip the class stopped under the Lanier Oak in Brunswick while Jack Biles read Sidney Lanier's MARSHES OF GLYNN.

The members of the class, accompanied by Miss Hester Newton, included Earl Cherry, Bill Johnson, Ben Darsey, Regis Row-

Intern Supervisors Visit T. C. Campus

A group of intern supervisors were on the TC campus Thursday and Friday of last week. While here, under the supervision of Miss Johnny Cox, a graduate of TC, and Miss Reba Burnham from the University of Georgia, they visited and made a study of the Bulloch County schools. This was the first time the supervisors have visited our campus.

The supervisors who came were Mrs. Ruth Barron, Appling county; Mrs. Edna Tolbert, Atkinson county; Mrs. Dixie Pruitt, Banks county; Mrs. Alice Gouge, Brantley county; Miss Arkie Cook, Fannin county; Miss Ruth Lightsey, Jeff Davis county; Mrs. Eudelle Wilcox, Laurens county; Mrs. Grace Yancey, Lowndes county; Miss Nadine Patten, of Mitchell county; Miss Dorothy Firor, Morgan county; Mr. James Murry, Pierce county; Mrs. J. Masquers Reveal Cast for Play

The cast for the Masquers Spring Production, PAPA IS ALL, which will be presented on May 27, has been announced. They are "Jake," Dan Biggers; "Mama," Burney Anna Mann; "Officer Brendel," Arthur Yarbrough; "Papa," Albin Eber; "Mrs. Yoder," Mildred Page, and "Emma," Latha Tyson.

PAPA IS ALL is the story of a Pennsylvania Dutch mother, daughter, and son who rebel against a tyrannical father. Mama and Papa Aukamp are of the Mennonite religion, the son and daughter, Jake and Emma, exercising the privilege that is a part of the Mennonite faith, have not adopted it.

Papa misuses the Mennoite tradition for purposes of his own, suppressing in the name of religion, the simple pleasures and recreations of everyday life, to which Mama has no objection, but the children rebel. From that point Patterson Greene, the author, weaves a cheerful plot which provides a sufficient number of surprises at the proper points to keep the action lively.

Weaver To Leave Teachers College

Dr. Herbert S. Weaver, department head of the T. C. Social Science Department, has resigned from the faculty of Georgia Teachers College and will leave for Peabody College around June 1. Next fall Dr. Weaver will begin teaching in Vanderbilt University, holding the position of professor of History. The students of TC regret losing Dr. Weaver, but wish him the best of luck in his new position. His successor has not been named.

Prof. Heuttl Speaks To Student Body

Dr. Heuttl, German educator, spoke to the student body at assembly Friday. His talk was very interesting, as he gave a synopsis of what the United States had done for the people of Germany and how the boys and girls of Germany compared to the ones in the United States. Dr. Heuttl is the guest of Dr. M. S. Pittman, who was one of the first American educators that went into Germany. Dr. Heuttl has been on the campus for the past week and gave several interesting talks in various classes.

Turn In Record Sheet Information

Repetition again. Don't forget to turn in the information for Permanent Record sheet that was given out after chapel several days ago. The information you give on this sheet is very important, so fill it out and turn it into Miss Perry's office soon.

If you were in the service, list the information about your service record. Under campus activities, list any honors received, offices held in clubs or dormitory, your club memberships, extra-curricular activities, and any jobs you have held in college.

Editorial

I had planned to write a finish
to the series of editorials that I
have been writing for the past
few weeks this week, but I find
that there is something more im-
portant to write about on the
campus than in regards to our
mere faults between two peoples.

Some few on the campus have
caused a great deal of trouble to
the students of this college and
I think that it is about time that
something is done about it. May-
be it would be wise to remind
these few of one thing as a start,
the penalty for BURGLARY is
from one to twenty years in a
penitentiary and is considered a
felony. Yes, you have read the
above statement correctly I said
BURGLARY and as defined in
Webster's dictionary and I quote,
"Forcible entry into dwelling or
building by night or day with
intent to commit a felony within
(theft).

I think that a person of college
caliber should know that you
should not touch the things that
belong to other people and above
all not break into the private
offices of certain individuals to
obtain this property. I would
rather see a person fail a course
rather than use this method to
obtain his mark, and I think that
any instructor feels the same way
and would be only too glad to
help anyone who would ask for
help.

I think that this campus does
not have a place for a thief or
burglar, and I think that the stu-
dents should back the administra-
tion in removing these misfits of
society from our midst.

Dr. Weaver Resigns

This issue carries a short arti-
cle announcing the resignation of
Dr. Herbert Weaver. Dr. Weaver
is well known on the TC campus
and every student who has ever
taken a course under him has al-
ways tried to sign up for another.
TC loses one of their best teachers
and what is TC's loss is Vander-
bilt's gain. We know that Dr.
Weaver will do as good a job at
Vanderbilt as he has here and
when he does he will have the
students there liking him as much
as we do here.

So, we bid a very tearful fare-
well to Dr. Weaver. Never forget
us and do come back to see us
soon. The students will always
remember you and talk for a
long time about "The Good Ole
Doctor."

A Letter of Suggestion

Editor, The George-Anne,

I am mad. I never thought that
the students of TC were so child-
ish as to try to use the balcony
as a smooching place. I have been
embarrassed on this campus many
times just by walking from one
building to another and even
though I am married, my wife
and I never did anything like that
and we did our courting on a
campus. I think that the conduct
of the CHILDREN on this campus
should respect the age-old custom
of love and try to be consertive
about their love.

Now for some suggestions. The
hour of the Twilight Service
should be changed to a later time
so that the ones who work in the
Dining Hall could attend. The
hours of the swimming pool should
be announced and placed where
the students could see it and
know when to go down for their
daily dip. The time for the inter-
mural games should be changed
in order that the students could
go to see them. A better method
of transportation to the ball
games should be set up so that
the students don't have to wait
solong to come back. Members of
the faculty should try a little
harder to take in consideration
the feelings of the students and
their trials and tribulations. A
track team should be formed. A
football team should be formed
and games scheduled. Most of the
students want a ball team here.
There shouldn't be so much em-
phasis put on religion in the
chapel programs.

I shant mention the so-called
Dining Hall. Enough said when
the name is mentioned and you
won't print that I wish to say
about it.

More power to you and your
staff for the wonderful job you
are doing.

A STUDENT.

'YAK' SEZ:

"Women are funny.

You fight for them then
you fight with them."

while tolling a knell for Chief
Justice John Marshall in 1835.

Meet Your Instructor

WILLIAM B. MOYE

It is said that there are three
great adventures in a person's
life—birth, marriage, and death.
I have only experienced one of
these . . . birth. May the other
two be postponed for a long, long
time. Since I was born in this
State, I assume that I am a na-
tive Georgian, although a lot of
people think otherwise. I attend-
ed public schools about three
miles from our farm home without
benefit of school busses. After
elementary school I had the privi-
lege to attending a private prepa-
ratory school where my favorite
studies were Latin and mathema-
tics. I planned to be a doctor, or
a teacher. Teaching won as there
was no money to send me to med-
ical school. Money is still lack-
ing. After my college work I was
invited back to the same prepara-
tory school to teach Latin and
mathematics. After completing
work for my master's degree I
secured work teaching college
mathematics in a private college.
From this school I entered the
University System and was invit-
ed to Georgia Teachers College
in 1937. If old age and the other
two great adventures can be post-
poned long enough, I hope to fin-
ish my work on my next degree.
In the mean-while, my classes,
my garden, and my flowers tend
to keep me rather busy.

DONALD F. HACKETT

I was born in the iron mining
town of Wakefield, Michigan. That
is so far north that the word
"YANKEE" isn't even in the vo-
cabulary.

My parents moved to Wisconsin
when I was nine and rather than
homestead at that age I went with
them. After a year in Wisconsin
we moved to northern Illinois and
from there to a suburb of Chicago.
We were not NOMADS. My father
was a teacher (still is, too) and
an Industrial Arts teacher at
that.

I received my B.S. and M.E.
at the Universities of Illinois and
Missouri respectively. I taught in
a Junior-Senior High School in
a suburb of St. Louis my first
year and in the school I graduat-
ed from the second year. About
this time the Navy offered me
a four-year contract to see the
country. After the Navy episode
I taught in California (in the
part they don't talk about) and
before coming to Georgia I did
a little missionary work at Mur-
ray State College in the mud end
of the Blue Grass State.

I married the sweetest girl in
Chicago on June 6, 1942, still am,
and she still is.

JOHN H. ERICKSON

It is true that I am a native
Missourian but I came to Georgia
at my earliest opportunity.

I grew up on a farm in the
Ozarks of Southwest Missouri. Af-
ter attending high school and
junior college at Monett, Missouri,
I attended the University of Mis-
souri. It was there that I receiv-
ed my B.S. degree and later my
Masters degree. Also there I met
the long-searched-for Home Eco-
nomics major who later became
Mrs. Erickson.

Realizing the need for teachers,
we are now raising a Home Eco-
nomics teacher and an Industrial
Arts teacher who will probably
face their first students in 1966
and 1968.

We came to Georgia in the fall
of 1946 and are now enjoying our
third year here at TC.

My favorite pastime is fishing.
Through necessity, I fish only for
pleasure. I received much enjoy-
ment from working with young
people and teaching people how
to work with their hands.

JIMMY R. DeLOACH

I was born in Pembroke, Ga.,
Bryan county. I attended Pem-
broke elementary and high schools
and after graduation, through the
efforts of B. L. (Crook) Smith I
entered Georgia Teachers College.
While at Georgia Teachers College
I participated in athletics, Delta
Sigma Fraternity, Industrial Arts
Club, House Council, etc. When
I finished my work here, I was
as you seniors are today—confus-
ed—what should I do?

1. Teach school?
2. Go home for Daddy to sup-
port?
3. Find a pretty rich girl and
relax?

When numbers 2 and 3 failed,
I tried number 1. The highest bid
for my services was \$80 per
month. So I did as you seniors
are about to do, I left Georgia. I
accepted a position at Greer High
School, Greer, S. C. While there
I taught industrial arts, coached
football, basketball and baseball.
Then I came back to Griffin High
School, Griffin, Ga. There I had
similar duties. After that I enter-
ed the Southside Vocation School,
Chicago, Ill. After finishing there
I went to Norman, Okla., where
I taught in the A. & M. School,
and also studied at the University
of Oklahoma.

I was selected by the President
of the United States (along with
eleven million others) to the
duties of the U. S. Navy. While
there I served as an interviewer
at a separation center.

Then came item No. 3. I found
the girl (but without money) and
married. The stork came by and
left Emily Kay with us on October
6, 1947. So then I returned to
Greer, S. C., as industrial arts
teacher and Veterans' Coordina-
tor.

Today, I am where I was in
1936—at Georgia Teachers Col-
lege, and glad to be here.

STAY AS YOU ARE

By L.L.R.

Mother Dear, stay as you are—
A symbol of hope and love,
An inspiration for your children
To see and follow your
footsteps.

So unselfish in your every act—
Don't you ever think of
yourself?

So good and kind, and yet firm
In your convictions of right and
wrong.

So helpful when I need
guidance,
So willing to dedicate your
very being
To me and every child you bore,
And treat us as if each were a
separate star.

You're so thoughtful of my
every whim;
You work your fingers to the
bone

To de-do and work things out
for me,

And then praise me for the
work you've done.

Why, Mom, I wouldn't trade
you

For any other mother in the
universe,

Because you're all a mother,
could be—

You're my mother, and I love
you.

Steep thyself in a bowl of sum-
mertime.

Dean Veazey Fetes Her Senior Girls

Miss Mamie Veazey will enter-
tain her senior girls with a social
in back of Lewis Hall on May 12.
She also has invited some of the
faculty. Anne Miller and Bobbie
Quick will serve at this party.
It has always been Miss Veazey's
custom to entertain the senior
girls in her dormitory before they
leave the campus.

Baptists To Attend Convention May 18

Then thousand Baptists from
21 states will converge on Okla-
homa City, Okla., May 18-22, for
the annual meeting of the South-
ern Baptist Convention—expect-
ed to be the largest religious gath-
ering in America in 1949.

Rev. George Lovell, pastor of
the First Baptist Church, said
the 26,822 churches cooperating
with the Convention have a total
membership of 6,491,981.

The Convention at Memphis will
hear reports of the many agencies
supported by it both in this coun-
try and in foreign mission areas,
and will plan for future activity.
Rev. Lovell said. Evangelism and
mission expansion are slated for
primary emphasis in the years
just ahead.

Day sessions of the Conven-
tion will be held in Oklahoma
City's 6,500-seat Municipal audi-
torium and all night and Sunday
sessions will be held in Taft Sta-
dium, seating 20,000 people. A
youth revival service led by Texas
college students Saturday night
and an evangelistic service Sun-
day night are expected to climax
the sessions.

That the churches do choose to
cooperate is evidenced by the fact
that their gifts to the Conven-
tion's world-wide program totalled
\$8,865,000 in 1947. Colleges, semi-
naries, hospitals, benevolent insti-
tutions and mission work in a
score of countries bear testimony
to their united work in fulfilling
the Great Commission.

Thank You

I would like to say "thank you"
in the George-Anne to everyone
that was so nice to me while I
was ill in the hospital.

Thanks for the visits, the cards,
the flowers, and the gifts.

Mrs. J. B. Johnson
East Hall.

Wilbur and Tuberculosis

Wilbur was an adolescent,
Wilbur had no sense,
Wilbur didn't watch for symptoms;
He was very dense.

Springtime breezes brought him
sneezes;

Wilbur wheezed at night,
Wilbur thought 'twas smoker's
hack—

He wasn't very bright.
Wilbur read a little phamplet
"Beware tuberculosis," it said,

Wilbur paid it no attention,
Rocks were in his head,
Wilbur didn't get an x-ray,
"Ain't got time to come."

So he just forgot about it—
He was pretty dumb.

MORAL

Even if you do not have
Coughs and colds, etcet.,
Get an X-ray anyhow—
It's your safest bet!

—Bob Guder and Pam Lyght,
in "Here's To Your Health."

"God bless us, every one!" prayed
Tiny Tim,
Crippled and dwarfed of body, yet
so tall

Of soul, we tiptoe earth to look
on him,
High towering over all.

MEN'S CHORUS

With the results of the hard and invigorating practices showing in their work, the Men's Chorus settled down for a week of hard work to be in tip-top shape for their concert tour. Morning practices are being used to polish up various numbers and to drill the different voices on words and music while the afternoon is used for the full rehearsal of "Trial by Jury." The Chorus looks forward to this week and especially to this coming weekend. It is not definite yet, but we hope that we will be able to present the operetta on the TC campus.

MU SIGMA

Last Monday night Mu Sigma, music honor society, held their meeting mostly for the purpose of making plans for the forthcoming social to be held this Wednesday and also to plan for the reception to be given after Mr. Bancroft's and Mr. Williams' recital. Following the business meeting Bill Williams presented a program on the care of drums using a prepared script and color slides. Many helpful hints were received by the members.

The social Wednesday night will be a hay-ride to Dashers. The Society will leave about 4 in the afternoon and ride to Dashers where hamburgers will be cooked and dancing will be held. The Society will return to the campus about 10 o'clock.

HOME EC. CLUB

The girls had quite a big week last week. They worked all week on registration material for the state convention. Friday morning they left for Atlanta where the convention was held. At the convention the club was highly commended for their fine work during the year, by the state advisor.

This year the college clubs had a scrapbook and a state song contest. Georgia Teachers College won first place with their scrapbook, and although none of the songs were chosen for the state song, theirs was the best one turned in. Another honor which the club received was that one of the girls was elected as a state officer. Ruth Smith is the second vice-president of the college clubs.

The girls who attended the state convention are—Ruth Smith, Annela Wells, Margaret Harrison, Lorene Woodard, Mildred Hamby, Hazel Tillman, Mary Ellen Blocker, Wudie Gay, Sybil Daniels, Thelma Winter, and the sponsors, Miss Margaret Strahlmann and Miss Ruth Bolton.

"T" CLUB

It is very important that all members of the T-Club be present tonight at the regular meeting of the T-Club at 7:15 in Room 21.

Old and new T-Club members combined to have an enjoyable supper at Dashers last Wednesday evening. The new members were presented with their official cards. The social was held in honor of new members who were initiated into the club last week. The official T-Club card not only shows that the bearer has earned a T and is a member of a letter club, but entitles him to witness any athletic contest after leaving Georgia Teachers College free of charge.

SCIENCE CLUB

The Science Club of TC was lavishly entertained last Wednesday night with a fish fry on the farm of Dolan Brown, near Swainsboro. The group left the campus about 3:30 and traveled to the farm in cars. Mr. Pennington accompanied the group. The menu was composed of fish, corn bread, potato chips, pickles, and tea. Music was furnished

for those desiring to dance and many of the club tried their hand at fishing in the nearby pond.

The next meeting of the club will be held Wednesday night.

All members are urged to be present.

B. S. U.

Rev. George Lovell, new pastor, was the guest at the BSU Council meeting last Tuesday night. The business discussed concerned the Sacrifice Box, which has so far collected \$19.86, but to which, during the meeting, Mrs. J. B. Johnson and Miss Marjorie Crouch pledged \$5 apiece. Eddie Ort, Jean Fordham, Dan Biggers and Joyce Blanton was named chairmen for the Sacrifice Box, the contents of which will be used to help send three Southern Baptist missionaries to California. The date for the Installation Service for new officers has finally been set definitely for May 22. After the business came pleasure, in the form of Rev. Lovell's account of his first BSU Retreat—at which he met his wife.

The "Blue Tide" lost two out of three games during the week and went into a hitless streak that leaves only three men batting over .300.

In the first of the two-game series with Erskine the "Blue Tide" won a thriller from the "Flying Fleet" in the tenth inning.

TC jumped into a one-run lead in the first when Calhoun walked, stole second, went to third as Bullock grounded out to the first baseman, and scored on M. Clements' double to left-center.

TC added another run in the bottom of the second when M. Conner singled, and scored on Daniel's double to center.

Erskine scored three runs in the third when White singled, Shelton walked, and Fowler, Erskine third sacker, poled a home-run over the right center field fence. This put Erskine ahead 3 to 2, but TC racked up another tally in the eighth when Calhoun singled to left and went to third when the left fielder let the ball get by him. Bullock singled to drive him across to tie up the score at 3-3.

Reeves kept the Erskine nine at bay and TC pushed across the winning run in the bottom of the tenth. Parsons walked, M. Clements sacrificed him to second and Parsons went to third when the pitcher tried to pick him off second. Alderman drove a fly to right and Parsons came across with the winning run after the catch.

In the second game Erskine won 6 to 4 as Hendrix pitched a no-hit game for eight and two-third innings. Wildness forced him to leave the game at this time, with two runs in and the bases loaded.

Erskine scored two runs in the second when Middleton reached first on an error, Blackston sacrificed, Oates singled to score Middleton, Hendrix reached first on an error and Oates scored on the play. Erskine added three more in the third on one hit. Middleton reached first on an error, Blackston walked, Oates was hit by a pitched ball to load the bases, Tnady doubled to clean the bases.

Erskine scored a single run in the top of the eighth when Miller walked, stole second, and scored on a double to the left field fence by Fowler.

TC scored four in the eighth after two were out. Hendrix walked M. Clements, M. Conner, and K. Clements in succession. Daniels hit to the pitcher but Hendrix made a bad throw to first and two runs scored. After this Alderman walked to load the bases again. Harris came in to pitch for Erskine and Al Williams, who had been out of the line-up due to a sprained ankle, came in to pinch-hit and slapped the first pitch by Harris to centerfield to score two runs. This ended the scoring for the ball game with Erskine winning 6 to 4.

After the game with Mercer was rained out Friday night, the game was played Saturday afternoon,

with Mercer winning 4 to 1.

Mercer scored a single run in the third when Dixon walked, and scored on Dobbins' double. The "Bears" scored again in the fourth as Martain walked, stole second, and scored when Cockran reached first on an error. Mercer pushed across another run in the fifth when Dobbins clouted a home-run over the right field fence.

TC opened their scoring in the last of the fifth when K. Clements singled, went to second when M. Conner reached first on an error, went to third when Alderman was hit by a pitched ball, and scored as Calhoun grounded out.

Mercer added another run in the sixth when Bivins walked, went to second on a wild pitch, and scored on a single by Dixon. This ended the scoring, with Mercer front-running 4 to 1.

HIGHLIGHTS

K. Clements made a nice running catch of Birness' line-drive in the fourth.

Tyre walked the first man in the first, second, third, and fourth innings.

Birness, Mercer shortstop, made two nice catches of Al Williams' line-drivers in the first and again in the sixth.

M. Clements snared Marchman's drive in the seventh that was labeled for extra bases.

Al Williams was robbed of a hit in the sixth inning by the Mercer shortstop.

PLAYER OF THE DAY

(Wednesday, April 27)

A lot of players were considered for this "tip of the hat" today. K. Clements' hitting, Parsons' fielding, Alderman's fly that scored the winning run, but we'll have to give the nod to Herb Reeves who won his sixth game of the year against one defeat. Reeves gave up four hits and three runs in this ten-inning thriller. The only runs he gave up were scored on a home-run by Fowler, the Erskine third baseman. In the last seven innings he scattered two hits and kept Erskine scoreless, while striking out six men. Reeves has pitched excellent in all games this year and suffer his only defeat at the hands of Newberry when errors lost his game. If a player ever deserved an honor, Reeves hustling and fine pitching, give it to him.

(Thursday, April 28)

Today we tip the hat to a player who limped off the bench in the eighth inning with two out and the bases loaded to get the first hit of the game for the Blue Tide. He smacked a line-drive single to center to score two runs in the Teachers' 6 to 4 loss to the Erskine "Flying Fleet." We salute Al "Ted" Williams, a hustling ball player who smacks that long ball.

(Saturday, April 30)

Mercer's young Gus Pender would have achieved a not-hit, no-run ball game except for the Blue Tide's centerfielder, Keith Clements. Keith collected TC's only two hits in three times up and scored their only run in the fifth to deserve the honor of "Player of the Day."

In the 4 o'clock game on May 2, Lindsey defeated Peacock in what was the most exciting game of the season. At the end of the seventh inning the score was tied at 5 all. King and Smith led the losing team's hitters with 3 for 4 while Woodell had four for four for Lindsey. J. Lindsey got credit for another win.

In the after-supper game Williams defeated Tomberlin 13 to 1. Murphy and Burch got the only two hits for Tomberlin each getting one for three. The leading hitter for Williams was Brady, who has recently come out of a batting slump, with three for four. Eanes was credited with a two-hit win.

In a long-winded affair on May 3, Wireman defeated Olliff 19 to 7. Olliff got off to a 3 to 1 lead in the first inning but this was shortlived with the score being tied in the second inning at 5 up. Wireman went on into the lead and the game was called in the sixth inning on account of hun-
