New Journal: Nature Online

January 8, 2014

We are pleased to announce that the online journal Nature is now available to members of the Georgia Southern University community. Nature is a weekly international journal publishing the finest peer-reviewed research in all fields of science and technology. We have online access to issues from 2006 to the most current articles. The library also subscribes to the print version of Nature, and our print holdings go back to volume 165 from 1950.

You can access Nature via GALILEO or directly with this link.
