Mother

She was a Mother, She was a friend
She was a woman who loved to the end
There are so many things that can be said
Just remember, Our Mother, She had no regrets
She is now peaceful in that place above
Surrounded by people with so much love
She is an angel on high
No longer is there any surprise
Because we know our mom is free
Free from trouble, free from pain
We will be left here to remember her name
But we are happy and filled with glee
We'll remember you Mother, Our Mother, Shirley.
