Culture
CBS is committed to the pursuit and dissemination of knowledge about culture, the impact of culture on individuals and groups, and differences between cultures.

Science
Applying a variety of scientific methods to the study of social issues is at the heart of every discipline in the college.

Belonging
CBS is committed to building inclusive communities and organizations that affirm, value, and engage all identities.

Service
The work of CBS is done toward one goal: making a positive difference in the lives of others and in our communities.
