GO TECH

A photograph of a park path lined with trees and lampposts. The path is paved and leads into the distance. On the left, there are several large trees with dark trunks and green foliage. A series of white spherical lampposts on tall poles are spaced along the path. To the right of the path, there are more trees and some purple flowers. The overall scene is a lush, green park setting.

A vibrant sunset scene with three people jumping joyfully in the foreground. The sky is a mix of orange, yellow, and blue, with the sun low on the horizon. The people are silhouetted against the bright light, with their arms raised in celebration.
