Library Resource Updates for April

April 10, 2019

The University Libraries are happy to announce the following updates to our collections:

TumbleBookCloud Is Now TeenBookCloud

TumbleBookCloud is now [TeenBookCloud](#). TeenBookCloud is an online collection of ebooks, enhanced novels, graphic novels, videos and audio books, which offers students and adults of all reading levels access to an amazing range of content.

[TeenBookCloud](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to TumbleBookCloud will be removed from the library website April 24, 2019, so please begin using the new link.

Family Health Database (ProQuest) is now Consumer Health Database (ProQuest)

Family Health Database (ProQuest) is now [Consumer Health Database \(ProQuest\)](#). Consumer Health Database (ProQuest) covers an enormous range of subjects of value in the public library context; from sports injuries to women's health, from food and nutrition to midwifery, from eye care to dentistry. It includes important general medical journals such as The Lancet and The New England Journal of Medicine as well as a strong selection of consumer and news magazines.

[Consumer Health Database \(ProQuest\)](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to Family Health Database (ProQuest) will be removed from the library website April 24, 2019, so please begin using the new link.

Macon Telegraph Archive & Savannah Historic Newspapers Archive Are Now Part of Georgia Historic Newspapers

The Macon Telegraph Archive and the Savannah Historic Newspapers Archive have now both been fully absorbed into the Digital Library of Georgia's new [Georgia Historic Newspapers Archive](#) website. The Georgia Historic Newspapers Archive is a project of the Digital Library of Georgia (DLG), a part of Georgia's Virtual Library GALILEO and is based at the University of Georgia Libraries. Since 2007, the DLG has partnered with universities, archives, public libraries, historical societies, museums, and other cultural heritage institutions to digitize historical newspapers from around the state. The archive is free and open for public use.

[Georgia Historic Newspapers](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old links to the Macon Telegraph Archive and the Savannah Historic Newspapers Archive will be removed from the library website April 24, 2019, so please begin using the new link.
