New Database: Westlaw Campus Research: Law

May 9, 2019

As [previously announced](#), GALILEO is replacing Nexis Uni with [Westlaw Campus Research: Law](#). GALILEO is undertaking this change to better align resources with partner institutions' needs and in order to support new initiatives.

[Westlaw Campus Research: Law](#) is a legal research database that provides an array of interconnected primary and analytical law content to help students get a more complete understanding of the issue they're studying. Additionally, Campus Research provides access to thousands of analytical resources including American Jurisprudence, 2d., American Law Reports, and more than 800 law reviews and journals from law schools across the country.

[Westlaw Campus Research: Law](#) is now available via the University Libraries' [A-Z Database List](#), the [GIL-Find Catalog](#), and [Discover @ Georgia Southern](#). Access to Nexis Uni will end July 1st, at which time all links to Nexis Uni will be removed from the library website. Please monitor [GALILEO Planet News](#) for more information.
