# Resource Update: WorldCat (at OCLC FirstSearch)

May 10, 2019

The University Libraries will continue to provide access to [WorldCat \(at OCLC FirstSearch\)](#) after GALILEO discontinues support for this resource on July 1, 2019.

As [previously announced](#), GALILEO is ending support for FirstSearch on July 1, 2019 in order to better align the consortium's resources with USG partner institutions' needs and to support new initiatives. Given the value of this resource to the University community and savings realized through this and other recent subscription changes at GALILEO, the University Libraries is able to continue access to this resource.

[WorldCat \(at OCLC FirstSearch\)](#) is available via the University Libraries' [A-Z Database List](#), the [GIL-Find Catalog](#), and [Discover @ Georgia Southern](#). Furthermore, the Libraries will continue to support access to the free version of WorldCat, which is available on the [A-Z database list](#) and at <https://www.worldcat.org/>.
