Library Resource Updates for April/May

April 24, 2019

The University Libraries are happy to announce the following updates to our collections:

Biology Database (ProQuest) is now Biological Science Database (ProQuest)

[Biological Science Database \(ProQuest\)](#) provides access to a wide range of biology topics. The database includes just under 400 titles, with more than 325 available in full text. [Biological Science Database \(ProQuest\)](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to Biology Database (ProQuest) will be removed from the library website May 8, 2019, so please begin using the new link.

Computing Database (ProQuest) is now Computer Science Database (ProQuest)

[Computer Science Database \(ProQuest\)](#) provides comprehensive coverage of computer topics. The database includes over 430 titles, with over 350 available in full text. [Computer Science Database \(ProQuest\)](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to Computing Database (ProQuest) will be removed from the library website May 8, 2019, so please begin using the new link.

Environmental Science Collection (ProQuest) is now Agricultural & Environmental Science Collection (ProQuest)

[Agricultural & Environmental Science Collection \(ProQuest\)](#) includes the renowned AGRICOLA, TOXLINE, ESPM (Environmental Sciences and Pollution Management) and Environmental Impact Statements (EIS) databases and provides full-text titles from around the world, including scholarly journals, trade and industry journals, magazines, technical reports, conference proceedings, and government publications. [Agricultural & Environmental Science Collection \(ProQuest\)](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to Environmental Science Collection (ProQuest) will be removed from the library website May 8, 2019, so please begin using the new link.

Health Management Database (ProQuest) is now Healthcare Administration Database (ProQuest)

[Healthcare Administration Database \(ProQuest\)](#) is designed to meet the needs of researchers studying the field of health administration. [Healthcare Administration Database \(ProQuest\)](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to Health Management Database (ProQuest) will be removed from the library website May 8, 2019, so please begin using the new link.

Discoverer WebFind is now SIRS Discoverer

[SIRS Discoverer](#) is an award-winning general reference resource for beginning learners and researchers in grades 1-9. [SIRS Discoverer](#) is available via the Libraries' [A-Z Database List](#), the [GIL-Find catalog](#), and [Discover@Georgia Southern](#). The old link to Discoverer WebFind will be removed from the library website May 8, 2019, so please begin using the new link.

Public Administration Abstracts Has Been Cancelled effective April 30, 2019

The University Libraries support Georgia Southern University by providing access to information, collections, and services designed to meet the scholarly needs of the University and the general public. As part of this effort, the Libraries continually review our database subscriptions to ensure that we provide the best possible mix of resources and research tools. As part of this review, [Public Administration Abstracts](#) was identified for cancellation effective upon expiration of the University's current contract. Access Public Administration Abstracts will end April 30, 2019. All links to Public Administration Abstracts and this FAQ post will be removed from the library website on May 28, 2019.
