New “Research by Appointment” Service

February 3, 2020

Georgia Southern University students, faculty, staff, and community members may [schedule a research consultation](#) with a Librarian to obtain assistance with a paper, research, or other type of project. We are available to meet either in person or via WebEx. We will also help you make the best use of the Georgia Southern University Libraries' resources.

You can find a link to this service on our website under **Research Services and Collections:** [Research by Appointment](#). From there you can also see the availability of the different librarians.
