*Life is a mixture of sunshine and rain,
Laughter and pleasure teardrops and pain.
All days can't be bright, but it's certainly true,
there was never a cloud the sun didn't shine through
So just keep on smiling and whatever betides you.
Secure in the knowledge God is always beside you,
And you'll find when you smile your day will be brighter
And all of your burdens will seem so much lighter
For each time you smile you will find it is true
Somebody, somewhere will smile back at you,
And nothing on earth can make life more worthwhile
Than the sunshine and warmth of a beautiful smile*
