Bottom Line Up Front…

“Restorative Practices keep students in learning, rather than removing them for suspension or expulsion…”

…But Now Let’s Make The Case
Creating a District that Cares

District 49’s Cultural Compass

**RESPECT**
We respect others for their abilities, qualities and achievements.

**TRUST**
We build positive relationships through honesty and openness with all stakeholders

**CARE**
We provide a safe and caring environment for students and staff

**RESPONSIBILITY**
We hold ourselves accountable for our actions

Nathanson’s Compass of Shame

- **Attack**: blame, banter, insults, assaults
- **Self Hatred**: play victim, put self down
- **Withdrawal**: isolation, run hide
- **Avoidance**: distraction, denial

**District 49**
### Stigmatic shaming:
A form of shaming, imposed as a sanction by the criminal justice system, that is thought to destroy the moral bond between the offender and the community.

### Reintegrative shaming:
A form of shaming, imposed as a sanction by the criminal justice system, that is thought to strengthen the moral bond between the offender and the community.

Restorative-PBIS Translation

PBIS
Embedding Restorative Practices Within a PBIS Framework to Support Student Success

PBIS
Equitable school-wide norms and expectations for all school settings that are taught and positively reinforced.

PBIS
- Individualized services for students in need of one on one and family support.
- Behavior Intervention Plans
- Ongoing support of Multi-disciplinary Team.

Tier 3
Restorative Practices:
Circles of support and accountability for re-entry and re-integration following suspension or expulsion with staff and students. Formal conferencing focusing on repairing.

PBIS
- Targeted supports
- Skill building groups
- Check-in/Check-out

Tier 2:
Restorative Practices:
Alternatives to suspension that support conflict resolution, peer mediation, family and community conferencing and circles for problem-solving.

Tier 1
Restorative Practices:
Practices that build community and relationships through relational trust and shared values. Practices include: community-building circles, affective questions/statements.
Restorative Practices Continuum

informal
- affective statements
- affective questions
- small impromptu conversation

formal
- circle
- formal conference

Restorative Questions

To Respond to Challenging Behavior
- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you need to do to make things right?

To Help Someone Harmed
- What did you think when you realized what had happened?
- What impact has this had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?
Table top (3 minutes)

Using one of the 5 reasons for suspension discussed earlier
- Role play going through the Challenging Behavior questions with
  the offender and for the victim

What is different about this approach?
What would the outcome be?
What might be learned from this?
Discussion: 5 minutes

• Take the 5 reasons for suspension and 5 for expulsion
• Discuss how you could use a restorative approach to those issues
  • Possible outcomes other than or with suspension
• What might the students learn from a restorative approach?

Circles

District 49
Using Restorative Circles to Change the Culture by

- Teaching a social skill
- Addressing a class wide behavior difficulty
- Creating relationships by getting to know each other personally
- Exploring problem solving
- Responding to incidents
- Teaching mindfulness
• Sit in a circle
• Establish expectations
• Use a positive tone
• Sequential
  • Have a talking piece
  • Can go sequentially so everyone has a chance to speak
  • Check in/check out, getting to know you, questions
• Non-sequential
  • May or may not use a talking piece
  • Free flowing
  • Open discussion
Teaching Social skills

• Start the week with a social themed circle (10 min)
  • Honesty
  • Integrity
  • Being a friend

• Practice that skill throughout the week

• Hold circle mid week and end of week to discuss how the students have implemented the concept (10 minutes each)

• Praise and reinforce the sharing
Addressing a class wide issue

• Using the Restorative Questions to discuss classroom issues
  • Getting out of seat
  • Being disruptive
  • Calling out
Building Relationships

- Have students get into a circle
- Pass the talking piece around the circle
- Ask a question and have all those who fit that category go into the center of the circle.
  - Favorite food
  - Something they did this weekend
  - Sport they play
  - How many people in your family?
  - Games they play
Problem solving and Incidents

• Have STUDENTS problem solve a situation by asking questions
  • “What should you do if you find some $ on the playground?”

• Discuss ways to improve class culture
  • “How will the teacher know when you want her attention?”

• Allow students to come up with solutions
Teaching Mindfulness

- Being in the moment
- Self Control
- Destress
- Breathing
- Visualization

Mindfulness training has shown to positively impact academics and behavior (Greater Good Magazine, 2014)
Involving our Community

• Parent trainings on Restorative Practices
• Working with Police/Sheriff using Restorative Practices.
• Working with community mental health agencies to support
• Training our support staff
• Training Security and SRO’s
Creating a District that Cares

Build a Caring Culture By:

1. Recognizing zero-tolerant discipline and building relationships early (*Early S-E support*)
2. Conducting outreach with all stakeholders (*Promoting restoration over punishment*)
3. Being transparent about your district’s efforts (*Implement strategies to achieve a fair process*)
4. Not letting moderate success go to your head, nor letting moderate failure go to your heart (*Build the culture that you want; don’t give up*)
