Library Readiness Mini-Course

WELCOME (Start Here)	Research & Academic Integrity	Books
Articles	Get Help	Go to Library
		TAKE QUIZ

General Information

- Required resource across course levels including remedial, university orientation, and graduate/research classes.
- Approximately 2,000 users have enrolled in the course.
- First offered in September 2018.
- Students and faculty are able to access the mini-course at their convenience.
- >57,000 page views in a 1 week period in Sept. 2019.
- Positive faculty feedback.
- Course allows opportunity to retake quiz (some students do).
- Capability to provide proof of quiz completion.

Challenges:

- Anecdotal reports of cheating resulting in reduced course integrity.
- Clunky & confusing integration of the vendor unit (Credo).
- Website redesign requires repairs/edits to course.

Library Quiz

Due No due date   **Points** 100   **Questions** 20
Time Limit None   **Allowed Attempts** Unlimited

Instructions

Ready to test your library knowledge?

Students must score at least an 80 out of 100 points to pass the quiz (multiple attempts are permitted). The quiz consists of 20 questions.

When you have successfully passed the quiz, you can screenshot the results if your teacher asks for verification.

You'll also be able to access your grade anytime through the Grades area in this course.

Good luck!

Take the Quiz

Benefits:

- Reduces faculty burden of teaching research and library skills.
- Ability to self-enroll reduces burden on IT.
- Demonstrates the university's desire to foster student success to accreditation teams.
- Asynchronous, interactive, and concise format engages greater student participation.

### TROY's Library Search Box for Articles

Library Search Box

The Library Search box on the library home page lets you search most of the Library all at once!

Here's how to use it:

- Go to the Library home page.
- Select the "Articles" tab of the search box.
- In the Search box, enter your search term.
- To limit your search to peer-reviewed articles*, check the box "Scholarly (Peer-Reviewed)."

Ideas for the Future:

- Create Research & Academic Integrity unit.
- Switch from quiz screenshot to auto-generated certificate.
- Enhanced design.
- Generate a larger test pool of randomized questions.
- Gamification of course modules to enhance engagement.
