## Quotable from head coach [Dustin Wood](#)

"Through two weekends on the road for us, I'm not happy with our results but the maturity of our seniors are shining through. Anna (Wemger), Chev ([Megan Chevalier](#)) and Cathrine (Murray) are playing some good ball. I'm proud of how they are approaching the game. Our new players and young players need to follow their lead. We do have some young people and new personnel on the floor, but it's the time of year where you need to step up and perform consistently night in and night out."

"Arkansas State is a hot team right now, and I thought we competed well after the first set. We had our opportunity to score a lot more points but decision making was suspect, especially when we knew what was working and having the success we had in the middle and not going there enough."

"We have to regroup and get ready for Thursday. It will be nice to be home and our kids are looking forward to the prep for our home matches."
