"HAPPY NEW YEAR"

JANUARY 3, 1979

"LUD DAY" Proclaimed

Monday, January 8th, has been declared "Lud Day" by the Armstrong S.G.A. President and the College Union Board. This day is to honor President Henry L. Ashmore, the head of our beloved college. To honor this day, we have had "King Lud Fan Club" T-shirts made up and will be selling them around Lake Ashmore (the fountain) for \$3.00 each. President Ashmore will find out about this day, Wednesday, January 3, for the first time. At 9:00 today a group of people, wearing Lud T-shirts, will present President Ashmore with his own T-shirt. Be sure to get your T-shirt early. We have a very limited supply, and I hear they may be collectors items in a hundred years or so.

Booster Week And Homecoming

This years Homecoming game will be held at the Savannah Civic Center on Saturday Night, Jan. 13. Students with current I.D.'s get in free. To help celebrate homecoming the Armstrong College Union Board has planned a week of events leading up to Jan. 13. Booster Week starts on Friday the 5th

with the deadline for float entries. The sign up sheet is at the Office of Student Activities. Monday the 8th will be declared "Lud" Day in honor of President Henry Ludlow Ashmore. King Lud T-Shirts will go on sale Monday around Lake Ashmore at \$3.00 each. The deadline for homecoming queen

entries will be 4:00 Monday at the Office of Student Activities.

Tuesday, Jan. 9 will bring the return of free haircuts by Great Hair Cuts Unlimited. They will start cutting hair around 12:30 till 2:30. The hair cuts will be held in the M.C.C. lobby.

Wednesday Jan. 10 we will have a side walk art day. This will be held around Lake Ashmore and anyone finishing a sidewalk square will receive a prize. Chalk will be provided by the College Union Board. Some of the prizes will be free T-Shirts (Lud), free passes to the Homecoming dance and free passes to a upcoming concert here at Armstrong, also some back stage passes.

Thursday Jan. 11 will bring a new high to Armstrong State College. We will have Sky Divers landing on campus in honor of booster week. Starting at 12:30 we will have an instructor talking about jumping and at 12:30 we will have sky divers landing on campus. Thursday will also be election day for our 1979 Homecoming Queen.

Friday Jan. 12 will be float judging day. All floats must be set up around Lake Ashmore and ready for judging by 10:30 Friday Morning. The judging will take place at 12:30. The first place prize will be a color TV

donated by Wendy's. The prize will be awarded at half time Saturday night and the winning float will be at the game. Rehearsal for the homecoming queen and her court will be held on Friday at 6:00 at the campus gym.

Saturday Jan. 13 is the big day. The game will be held at the Civic Center and a large student turn out is needed. During half time the homecoming queen will be announced and crowned by Miss A.S.C. Phyllis Talley. Also the banner contest winners will be picked along with a spirit award for the most active campus organization during booster week. The game starts at 8:00 sharp.

After the game everyone is attending the 1979 Homecoming Dance. The dance will be held in the Exhibit Hall at the North end of the Civic Center arena, and it opens into the arena

giving us plenty of room for the dance. After the game the court area will be roped off and no one will be allowed on the basketball court.

Providing music for the dance will be Songbird, an eight piece band from Charlotte, N.C. The band plays a wide variety of songs, with heavy emphasis on disco, (the Commodores, Brothers Johnson, Wild Cherry, etc.). Admission to the dance will be \$1.00 for students with I.D.'s and alumni with current alumni cards and \$3.00 for everyone else. The dance will begin promptly after the game. (Please note: NCAA regulations and Civic Center policies prohibit alcoholic beverages in the arena during the basketball game. However, coolers may be brought to the dance after the game is over.) Please plan to take an active part in booster week and come to the game and dance.

Songbird to perform at ASC Homecoming Dance

Inkwell Opinions

Regents Exam Changes Are Implemented

by Katie Daly

In the November meeting of the Board of Regents a new policy towards the Regents exam was adopted. The new policy which will go into effect as of July 1, 1979 is as follows: 1) The Regent's exam must be taken after the completion of 45 quarter hours. 2) Any student failing the exam must retake the exam by the completion of 105 quarter hours. 3) If a student fails to pass the exam by the completion of 105 quarter hours he or she may not take any course except the remedial English course 250 until he or she passes the exam.

Freshman students should be advised to take their three English courses in the first 45 quarter hours. The Regents also strongly suggested that if a student should fail any of these courses that he or she complete remedial work.

The Board also adopted a policy concerning the minimum requirements of getting into

school. This policy is statewide and applies to all schools within the University of Georgia system. Going into effect Fall Quarter 1980 the policy states that any freshman entering college must have one of the following three requirements to even be admitted into a school's special studies program. The requirements that a freshman must meet are:

1. A 1.8 overall high school grade point average.
2. A 250 verbal SAT score.
3. A 250 Math SAT score.

Another policy discussed by the Regents concerns the minimum verbal scores for admission to schools. The policy, which is a part of the desegregation plan, stated that a 330 minimum verbal score would be necessary for admission to school. Although not definitely decided upon, the policy will be statewide. If adopted, it will be implemented in Fall Quarter 1979.

FOR THE BIRDS

Dixon

Off To The Race Track

The College Union Board's Special Events Committee is giving Armstrong State College students a chance to go to the Kentucky Derby Races at a very small fee. The cost of the trip, lodgings, and gate tickets will be \$70.00 per person. Anyone interested needs to sign up as soon as possible in the Office of

Student Activities. The trips dates are May 3 through May 6. As you sign up a \$10 deposit will have to be made and \$50 more will have to be turned in by April 2. This equals \$60.00 and the other \$10 goes for the gate ticket the day of the race.

The bus will leave the campus of Armstrong at 9:00 P.M. on

the night of May 3 and arrive in Kentucky on Friday around noon. Coolers are welcome on the bus. Friday night we will be sleeping at the Red Barn. It is located on the University of Louisville Kentucky campus. Friday night will also have a free movie in store for the late night partyers. Those who plan to do any sleeping on this trip should bring their sleeping bags and hot water bottles. Saturday morning we will wake up and have a continental breakfast and then head for the race tracks for the

105th running of the Kentucky Derby. A large in-field party will be held on the track from 7:00 A.M. till 5:00 P.M. At 5:00 P.M. the race will begin. A gate ticket will cost each person \$10.00, but is good for the whole day. Be sure to bring your own coolers to the track. Showers are available so bring your toilet items.

Saturday night will be full of partying and little rest at the Barn. Sunday morning we will have another continental breakfast and then load on the

bus and return to Savannah. This trip is a once in a life time chance for you to go to the Derby with your friends and meet people from other colleges and universities. If this trip goes over well, then it could be an annual happening. Remember that the deadline for \$50.00 is April 2, and \$10 when you sign up and \$10 at the gate giving a grand total of \$70.00 for transportation, lodging, breakfast, gate ticket, and a free movie. Sign up at the Office of Student Activities.

Putnam County Pickers Are Coming

On Wednesday January 17, Armstrong students are in for a rare entertainment treat. Performing in the Fine Arts Auditorium will be the Putnam County Pickers and Allen Damron. That's right... Pickers. Don't let that name fool you. The Pickers showcased at the National Entertainment and Campus Activities Association (NECAA) Southeast Regional Conference this past October, and were selected by the conference delegates as the winners of the "Guaranteed Block." The Guaranteed Block is an agreement between the NEC member artist and NEC members schools, whereby the act selected by the delegates plays a date at each of the participating schools. What this means to Armstrong as a participant is that we get a top rated act at reduced prices as a result of the cooperative booking. You can therefore be assured that the Putnam County Pickers are top notch entertainment.

Making their home in rural Putnam County, West Virginia, "the Pickers are a synthesis of a wide range of styles, reflected in their repertoire which includes an uncanny blend of folk, rock,

bluegrass, country, swing, blues and ragtime." The group is as varied instrumentally as is its choice of material. It is not unusual for the foursome to combine conga, drums, harmonica, recorder, bango, mandolin, bass, six and twelve string guitars in a single performance.

Some of the Pickers credits include a date at "The Other End" in New York City, in which the audience "was electrified by their presence and performance," and a date in Addis Ababa, Ethiopia where the Pickers entertained ambassadors and foreign ministers from around the world. The Pickers have also played in Crete, Turkey, Greece, and in Germany while taking part in a USO tour of the Mediterranean area in early 1977.

Opening the show for the Pickers will be country-folk entertainer Allen Damron. Damron easily mixes his singing with his story telling or visa versa to provide a quite interesting show. One entertainment critic writes of Damron, "Any hayseed stereotype you might have of folk, the former club owner,"

formula race-car driver, hunting guide, scuba diver, school teacher and graduate psychology student dispels for good Quips about and quotes from Winston Churchill, Lady Astor, and W.C.

Fields plus a lesson in humanism related from the life of St. Francis of Assisi are not what you expect on a 'folk' show, but you get them from Damron." Allen Damron has been performing professionally since

1962 playing colleges and clubs all over the country. He has also headlined at every major folk festival in the U.S. Damron and the Pickers should provide the Armstrong students with an exceptional night of

entertainment and a change of pace from the disco and top 40's which permeates the local airwaves. The show begins at 8:00 P.M. in the Fine Arts Auditorium. Advance tickets are available at the Office of Student Activities and Crazy Jack's and are \$1.50 for ASC students and \$3.50 for

non-students. All tickets are \$4.00 at the door. For those of you who can't make the show or want a preview of Allen, he will perform two shows in the cafeteria at 11:30 A.M. and at 12:30 P.M. on Wednesday Jan. 17th, the day of the show. Admission for the daytime show is FREE! So, see you there.

Silverado To Appear

RCA Recording Artist Buzz Goodwin and Carl Shillo, otherwise known as Silverado will appear at Armstrong's Fine Arts Auditorium Friday night February 16. This excellent five piece band, fronted by Goodwin and Shillo is from Connecticut is returning to the Southeast as a result of its performance at the NECAA Southeast Regionals in Charleston, S.C. Silverado's latest album, "Taking It All In Stride," released first in 1977 was listed in Billboard Magazine as a recommended LP, and got airplay on stations from Maine to California, with heavy doses in the Northeast. A single off

that album "Hide Your Love" was a hit in New England, reaching the top ten in Southern New England. The band's repertoire includes a mixture of originals and tunes by artists like the Byrds, Ken Morrison, Loggins and Messina and others. At their showcase in Charleston, Silverado's medley of songs by the Byrds was outstanding.

Furthermore the band received a very high rating from Armstrong's delegation to the convention. So make your plans now (that's Friday February 16 in the FAA) to see and hear Silverado on concert.

Make Plans To Attend St. Patrick's Day Dance

St. Patrick's Day has always been an important day of celebration and partying for Savannahians and Armstrong students. Why not end this year's St. Patrick's Day celebration by coming to what will be the best dance Armstrong State College has ever had? Why is that? you ask. Aren't all dances the same? Well this one will be different, for providing entertainment for the dance will be the hottest dance band ever to come to Savannah and Armstrong Fat Ammon's Band. As a result of its strong showcase at the NECAA Regionals, Fat Ammon's Band has received more offers than it can possibly handle. Fortunately for us, they will be in this area around St. Patrick's Day and are available.

The Band is capable of playing anything from the latest disco tunes to the good ole rock 'n roll (complete with costumes and special effects) beginning in the late 40's, including medleys of songs by Elvis, the Beatles, the Beach Boys and many more, and climaxing the music of the 70's. In Charleston the set ended with the theme from "Star Wars," and band members were wearing the costumes of the characters from the movies.

We are certain you will be talking about this band a long time after their performance here. So, come and be a part of the greatest St. Patrick's Day celebration ever at ASC. The College Union Board is counting on you, both Greeks and independents.

SPORTS

Whelan's Wide World of Intramurals

by Mary Ellen Whelan

Another Fall season of intramurals is now history, but this quarter proved to be one of the most exciting seasons ever. Everyone's favorite flag football drew a record number of participants, created a terrific amount of team spirit, and ended with as much enthusiasm as it began.

In the mens league play, it took the longest game in the twelve year history of ASC intramurals for the championship team to be decided. The Colts used its stock pile of talent to win a close victory over the very determined

and talented Pike Team in the triple over time sudden death play. Winning both the league and championship titles, the Colts won the league with an impressive 9-1 record and the championship with a final 19-13 score over Pike. Pike took the second place in the league and tournament play, ending the season with a 7-1-2 record.

In the woman's league, Phi Mu came on strong in playoff competition to clench the title. Phi Mu claimed a place in the finals after defeating Dental Hygiene in a special game. Both teams had a chance to be seeded fourth in the tournament. Phi

Mu advanced to the championship after defeating the heavily favored P.E. Club, 15-4. Phi Mu managed to edge by Pi Kappa Phi 6-0 in an exciting championship victory. Pi Kappa Phi Little Sister's placed second

in the tournament defeating Pike Little Sisters in the first round of the finals. The P.E. Club won the regular season with a 6-0-1 record.

Winter quarter men and

women's basketball, women's polo, and men's soccer teams are now being formed. Contact George Bedwell in the Intramural Department about forming or joining a team.

Bowl, Pirates, Bowl!

by Lynda Broussard

The 78-79 Bowling Pirates will prevail successful this year because new talent and old experience. Under the new direction of Coach Al Harris, the Pirates show much enthusiasm and drive to be contenders for the National Title. After placing second in the Nationals last year, this years Pirates' desire to be National Champions is just as strong as last year's.

The returning old pro's of the team are Willie "toot" Tuten, John Ibarra, and Ralph "rat-man" Haynes. The second year men are Ed Kendriks, and Earl "the pearle" Rogers. The teams new arms this year are Ricky Van Brakle, Howie "gorilla" Atkinson, John Fogg and Bob "hay-babe" Habas. With good recruiting and steady practicing, this years team is

averaging 1,000 pins or better per game. High averages, good experience and attitudes, along with good discipline and coaching has developed this years' team into a colorful, versatile, and awesome bowling machine.

In last months Savannah International, the defending champion ASC Pirates placed fifth; however, ASC was the only college to have three bowlers to place in top individual standings. Bob Habas, showing drive and desire, placed 2nd in all events. Earl Rogers and Willie Tuten fired up to shoot 660 to place third in High Series.

After soundly defeating the Citadel last month, the ASC Pirates will travel to Charleston, January 12, to take on the Bulldogs again. Good Luck Pirates and Bowl, Bowl, Bowl!!

YOUR ADVICE AND OUR NAVAL COLLEGE PROGRAM COULD HELP A STUDENT THROUGH COLLEGE

Not all of today's qualified students can afford college. You can give helpful advice to many of them, by suggesting the Naval ROTC College Program.

Naval ROTC College Program is available at Savannah State College for Savannah State and Armstrong State College Students. It not only provides uniforms but books and \$100 a month living expenses the last two years of college and also gives students an exciting and responsible career after graduation. A career as a Navy or Marine Corps Officer.

To qualify for the College Program, students have to be strong academically, particularly in science and math. Extra-curricular activities help too.

You can play an important role by letting young people know about Naval ROTC College Program. Tell them that they can get complete information from the NROTC Unit, Savannah State College.

TELEPHONE 356-2206

Savannah Invitational Winners: (Left to right) Willie Tuten, Bob Habas, and Earl Rogers. Congratulations Pirates!

The Running Pirates

by Lynda Broussard

The Running Pirates, averaging 109 points, have a 8-1 record. It looks as if Coach Bianchi has put offense in high gear.

The recent road trip to Florida Memorial and Clearwater College was quite a success. The

Running Pirates ran over Florida Memorial 118-98 and Clearwater College 129-69. Aaron Hill blocked a school record 11 shots while scoring 23 points and 27 rebounds during the Clearwater game. Aaron also collected 16 points and rebounds coming off

the bench against Florida Memorial. Foy Ballance totalled 43 points and 36 assists. "Foy has been able to limit his low percentage passes and his performance reflects his self-discipline," Bianchi said. Joe Henry scored 24 of 28 floor

shooting shots and Mike Pringle poured in 38 points.

Presently there are five players with injuries. Luke Ludwinski and Jon Kruse sat out the Clearwater game and Terrell Jones left early after a bad sprained ankle.

High scorers for the Running Pirates are Mike Pringle averaging 21.5 and Joe Henry averaging 21.1. Foy Ballance has 106 assists and averages 16 points per game. Aaron Hill has 11.3 rebounds and Terrell Jones averages 13.1 points per game.

Armstrong Badminton Club Opens With Two Extramural Wins

The newly organized badminton club is in full swing and is open to men and women students, faculty and staff. The men were able to schedule two extramural matches against the Jewish Education Alliance and Georgia Southern College during early December. The functions of the club, however, will be more than just extramural competition. According to Intramural Director, George Bedwell, "We plan to offer

instruction, strategy discussions, intra-club competition and equipment information as well as extramural competition." The women's division of the club will be in full operation beginning with the Winter Quarter.

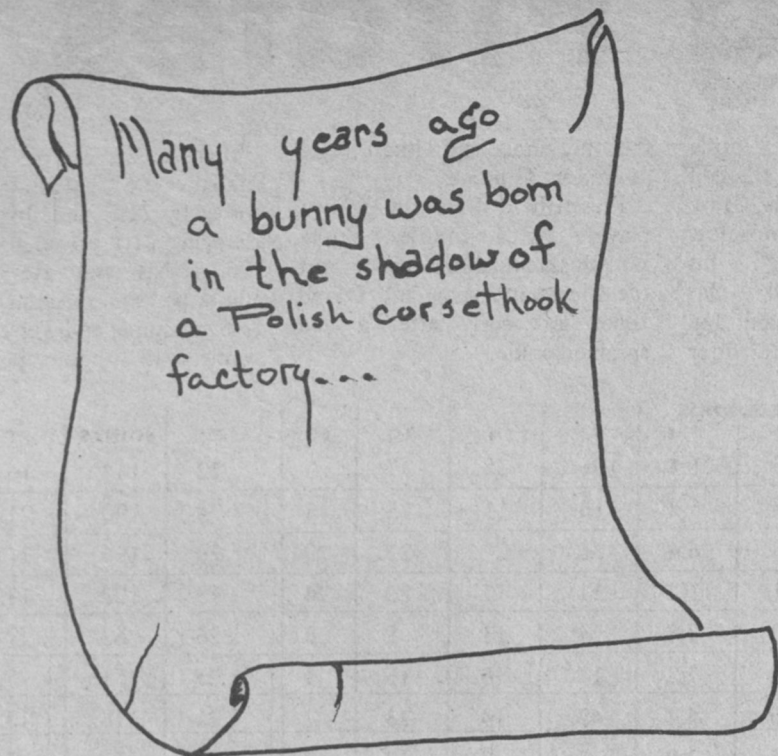

Mike Claire, Coach Bedwell, Eddie Aenchbacher, Greg Keck, Coach Lariscy and Steve Wheeler participated in the victories over J.E.A. and Georgia Southern. Anyone wishing to join the club contact Coach Bedwell.

Armstrong Wins Co-Ed Extramural Volley Tourney

Armstrong's hastily organized co-ed volleyball team ventured to Brunswick Junior College and swept, undefeated, to the tournament championship. The Armstrong State College team was made up of Amy Grimm, Patty Rountree, Mike Claire, Keith Ochs, Jim Hall and Greg Barker. The outstanding serves and spikes of Mike Claire and Jim Hall, the consistent all-around play of Keith Ochs and Greg Barker helped clinch each victory. Probably the main difference between Armstrong State College and the other

college teams was the outstanding play of the two women players. Patty and Amy were clearly the outstanding female players in the entire tournament. Keith and Jim were on the intramural championship team from 1978, Greg from Pi Kappa Alpha, Amy and Patty from the P.E. Club and Mike Clare, a transfer student on the Varsity Tennis Team and the current number one badminton player on campus. Mike's volleyball experience is extensive and he was once a member of the Jamaican National Team.
