Georgia Southern's online programs recognized for excellence in latest rankings by U.S. News & World Report

JANUARY 10, 2018

Georgia Southern University's online programs have again been recognized for excellence in rankings released by *U.S. News & World Report* for the best online programs among colleges and universities across the country for 2018.

Georgia Southern ranked just above the top 100 for [2018 Best Online Bachelor's Programs](#), tying with 10 other universities for the 115th spot out of nearly 350 ranked institutions. *U.S. News* considers students enrolled in these ranked programs likely to be working professionals in their 20s to 40s looking to advance or change their careers, so the rankings are determined by factors that weigh how these programs are being delivered and their effectiveness at awarding affordable degrees in a reasonable amount of time.

More than 260 schools were ranked for [2018 Best Online MBA Programs](#), and Georgia Southern University once again placed in the top 50. *U.S. News* ranked online MBA programs using categories such as student engagement, admissions selectivity, peer reputation, faculty credentials and training, and student services and technology.
