Quotable from head coach [Emily Kuhfeld](#)

"We had such a good practice round yesterday, and I feel like that helped set up our understanding of getting the ball around this course today. I saw the team being more thoughtful and deliberate with their targets and distances today, and I am happy to see that improvement!"

"Ari is leading the way with very solid ball striking, and some very clutch up and downs. Ansley rebounded nicely from her first round and made five birdies in her second round today! I saw lots of good things out there today in these windy conditions, and am really looking forward to tomorrow."
