George-Anne

By Doug Kidd Asst. Sports Editor

"[It's been] 351 days that we've lived with [the championship game loss]. I know exactly how long it's been," said Georgia Southern head coach Paul Johnson at the post-game press conference after Saturday's 38-21 victory over the University of Massachusetts.

After last year's disastrous 55-43 title game against the Minutemen that ruined GSU's bid for an undefeated championship season, the Eagles had been wondering for the last year whether the game in Chattanooga was lost because of their numerous mistakes or because UMass was the better team. On Saturday, GSU proved that they were indeed the better team, rushing for 470 yards, including a I-AA playoff record 333 by Adrian Peterson, while holding UMass to just 81 yards rushing.

"You have to be at your best to beat [GSU] at their place down here," said Minutemen coach Mark

was frustrated the entire day, needing 28 attempts to gain 104 yards.

"They're certainly better on defense [compared to last year]," said Whipple. "I don't think there's any question about that. Watching the [game] tapes and everything else, we said we were going to have to play our best game coming in here and even that might not be enough. And we didn't. [but] credit to Georgia Southern because they took some things away from our gameplan and did a good job."

The passing game struggled for GSU all day, with quarterback Greg Hill completing only one pass for six yards, and in fact was the leading receiver with a 24 yard reception from Chris Johnson on a trick play in the fourth quarter. But the running attack answered. Adrian Peterson responded with the best rushing total in I-AA playoff history, gaining 333 yards on 32 carries and a school record-tying five rushing touchdowns.

"I thought [Eagle QB Greg] Hill was the best player in the country com-

Whipple. "We knew their record here and the one advantage that I thought we had coming in was that we weren't afraid or fearful. We had a lot of confidence, and our kids were prepared. But we weren't at our best today, they were better than US.

After Massachusetts defeated SoCon member Furman in overtime last week in the first round of the I-AA playoff, there were some quotes printed by the Boston media that didn't sit too well with the GSU staff. "There was a lot of hype coming into the game and a lot of talk. I think that anytime when the other side talks as much as they talked, it gives you a little more incentive to play a little harder. I think that they were trying to convince themselves they could win or something," said Johnson. "I told our guys that no-

WHO OWNS THE SOUTH? Apparently not UMass as the Eagles, led by fullback Adrian Peterson's record-setting 333-yard, 5touchdown performance, rolled to a 38-21 victory over the Minutemen in an exciting clash of the titans on Saturday.

body has ever won a football game GSU got on the board first as UMass talking, that you have to go out on the field and win it. And I'm proud of our guys for going out and winning the game."

The game was a defensive struggle in the first half, as the Eagles held a slim 10-7 lead going into halftime.

quarterback Todd Bankhead was tripped up by his own offensive line and fell in the endzone for a safety. From there, the teams traded touchdowns from their own Payton award finalists, as UMass's Marcel Shipp scored on a two-yard plunge and

in the first half with a three yard run. Peterson then ran the two point conversion in for GSU's three point halftime margin.

half," said Johnson. UMass's

GSU's Adrian Peterson answered late Bankhead agreed: "[GSU's] defense came up big when they had to." The all-time UMass passing leader was the only offensive option working for the Minutemen, as "Our defense did a great job of he completed 21 of 33 passes for keeping the score close in the first 316 yards and a touchdown. Shipp, despite scoring two touchdowns, ing in," said Whipple. "But if I had a vote, I would go the other way today [with Peterson]. [Peterson] was the player of the game. He was fantastic."

"[Peterson's] a great back, he just kept on running hard," said Minutemen senior linebacker Matt Dawson. "He's real strong, broke a lot of tackles...he's a great back. He pretty much ran all over us."

Peterson broke the game open in the second half with three touchdown runs of 25 yards and another for nine yards, all while being bothered with a chest cold. "I think he was as disappointed last year [with the championship game loss] as anybody. He's always ready to play but I think he was even a notch higher today. You could tell he was ready to go," said Coach Johnson. "There's no words to describe him. If he's not the best player in I-AA football ... "

Legends co-owner banned from county

By Vanessa Keber News Editor

Eugene Reagan "Trey" Britt, co-owner of Legends Bar and Grill, was banished from Bulloch County for the entire length of his probationary period, according to published reports. This following his guilty plea for burglary in a Bulloch County Superior Court hearing that took place Thursday, according to reports. The sentence included 10 years, of which 180-240 days will be served in jail, and the rest pro-

bated. Also included in the sentence

were \$7,500 in fines plus fees, according to reports.

If Britt is found to be in

Bulloch county at any time while carrying out this sentence, he will be arrested, Sgt. Wendell Bunch of the GSU Police Department said.

"If he is found in Bulloch county at any time he is arrested and put in jail," Bunch said. "Then he would face another charge-violation of sentencing-and would go to court again."

Trey Britt declined to comment on the situation.

Britt and the three other men involved (William David Powell, Rocky Nelson Duncan Jr. and Eric Franklin Squires) were all sentenced in the hearing, according to published reports.

Burglaries victimize students over break

By Shawntineal Hughes Assistant News Editor

Police reports show that there were six reported cases of burglary within two days. Four of these burglaries occurred in Campus Courtyard.

The shocking evidence linking all of the Campus Courtyard burglaries is that there was no forced entry, according to Officer David Heaton who responded to the calls. There was a suggestion that it was an inside job and a master key could have been used.

Everything was still in place, other than the stolen goods, and there were no finger prints," Webster said. "The police officer said that everything had been ripped off."

Two of the victims had their apartments rekeyed. One is trying to have his apartment rekeyed as soon as possible.

"Be careful, be cautious of everything, especially your keys, because they can easily be duplicated,"Cameron Turner, one of the victims, said.

Turner had a desktop computer, jewelry, four hard-back books, one notebook, one bookbag, a TI-83 calculator and a suitcase stolen, according to reports.

"BE CAREFUL, BE CAUTIOUS OF EVERYTHING, ESPECIALLY YOUR KEYS, BECAUSE THEY CAN EASILY BE DUPLICATED,"

-- CAMERON TURNER, VICTIM

GSU junior Lisa Hermus had her trunk stolen, which officials believe was used to place the majority of the stolen items in.

Detective James Winskey of the Statesboro Police Department said that burglaries occur all the time during holiday breaks.

According to Turner, the detective advises students take anything valuable home over breaks, even if they are short breaks. He said that you cannot trust anyone including apartment management, friends or maintenance.

GSU freshmen Cara Webster, Christin Smith and Beth Chavis are three roommates who also live in Campus Courtyard and had items missing. A computer, VCR, math book, TI-83 calculator, bookbag and jewelry was taken from their apartment.

They said that detective Winskey also gave them advice.

"He told us that if we cannot take our belongings home with us over the breaks, at least try to hide them," Webster said.

Nathan Scott, GSU freshman, had a Sony play station, a stereo and many of his play station games stolen from his Campus Courtyard apartment, according to reports.

CAMPUS NEWS BRIEFS Changes in the making for 'Playas Ball' By Satchel B. Jester students that will be participating in the festivities so the proper

Guest Writer

To change the aura of the annual "Playas Ball" from unwanted to welcomed, students, officers and members of several African-American organizations including the Black Student Alliance, NAACP and the Dyverzion Dance Team are meeting to plan activities for this year's "Playas Ball."

The event, which takes place in the spring, is marked by 2,000 or more African-American students who come to Statesboro for the three-day event.

The main goals of the executive planning committee for the event are to satisfy both Bulloch County officials and the thousands of party-goers that will attend the celebration by mixing levels of safety with levels of freedom, committee members said.

"We are anxiously planning activities to send this year's "Playas Ball" over the top of all African-American events at GSU this year," Aubree Ragin, BSA Program Coordinator, said.

Plans that are being discussed for this year's event include heightened security at the events, as well as a "ticket system" in which party-goers will have to purchase advance tickets for activities. This will help planners zero in on the number of

nors.

amount of security is on-hand, committee members said. This will preserve a sense of safety and security for both party-goers and Statesboro citizens, committee members said.

Party-goers that come in from out-of-town will be allowed ing to purchase tickets at events by showing a valid college ID from Ttake their school.

Some African-American students on campus, including student members of BSA, argue that planning "Playas Ball" activities will take away from the entire purpose behind the event, which they believe is to have a weekend of spontaneous, no holds-barred partying. However, some African-American students argue that having planned activities will make the celebration more enjoyable.

"I enjoy it ["Playas Ball"] a lot," senior education major Kiana Littleton said. "We just need more planned activities so that everyone will be able to have fun and stay out of trouble."

In the past, the three-day event has only included about one or two organized events for attendees to participate in.

Tentative plans for this year's event include a unity concert, a midnight pool party and a Greek picnic, the committee said. -Satchel B. Jester is a member of the planning committee for

this spring's "Playas Ball.".

GSU volunteers aid Red Cross blood drive Special to the G-A Kappa Kappa Gamma, Kappa Sigma

The spirit of giving was strong among Georgia Southern students as they helped make the American Red Cross blood drive last Wednesday a success, with 114 students showing up; 98 of them able to give blood.

Sponsored by the GSU chapters of

Richard J. Claveria, M.D. ORTHOPAEDIC SURGERY

and Public Relations Student Society of America, the six-hour drive had a steady flow of students and some faculty and staff, many of which were first-time do-

The campus and the community has increased the number of pints of blood donated from 1,700 four years ago to almost 3,000 this year so far. Because of this, the Statesboro division of the Red Cross is reliant on the students at GSU for a portion of the blood they receive, Mims Monroe, co-chairman of blood drives for the American Red Cross in Statesboro,

meet our goal."

Monroe went on to say that the need for donors is especially important around the holiday season because of the increased number of accidents and emergencies.

Along with students, community volunteers, including Kathryn Grube, wife of GSU President Bruce Grube, helped out. Participating in her second blood drive, Grube said she just recently joined the Red Cross.

2000 because they will keep a copy of everything to ensure that they get the proper classes.

"No, I am not worried," said Geri Turner, a senior marketing major graduating this spring. "I will keep a copy of my schedule like I always do and I know everything will be all right."

Georgia Southern's computers, like computers all over the world, might experiencetechnical problems because of Y2K. The problem occurs in older computers that are programmed to read only the last two digits of the year. Therefore, this New Year's Eve, when the date rolls over to 2000 the computers could possibly only recognize the '00 and think it is 1900. If this happens it would result in the loss of all the information stored in the computer's memory.

Spine Care

412 Northside Drive E. Suite 500 Statesboro, GA 30458 (912) 489-7746

"The students are very important, very cooperative and enthusiastic," Monroe said. "I'm impressed with the attitude of the young people. Seldom do we not

"Volunteering in general is something that everyone should do," Grube said. "The Red Cross, in particular, is an easy cost-free way for people to help others. Turnout has been great, especially with first-time donors. We're hoping once the fear has passed, they'll come back and be lifetime donors."

UMass coach suspends self for one game

he Associated Press

AMHERST-Massachusetts asketball coach Bruiser Flint can he a tough disciplinarian-even with himself.

Flint said Wednesday he has suspended himself for one game for using profanity on his postgame radio show after the Minutemen lost to Marshall 65-55 on Monday night.

"I always tell my players that when they do something wrong, there is a price to pay," he said. "Obviously, my language on the radio the other night was inappropriate."

Flint and UMass athletic director Bob Marcum met and agreed that Flint would sit out Thursday night's game against Boston University. Associate coach Geoff Amold will coach the team.

"Coach Flint initiated a meeting in which he admitted a mistake and apologized," Marcum said. "... From this point, we move on."

Boy calls 911 after being locked in store during theft

The Associated Press

e

BRIDGEPORT-A 9-year-old boy who hid inside a store to steal dozens of packs of highly prized Pokemon cards called 911 when he ound he had no way to escape, police said.

"I've heard stories of kids stealng other kids' cards in school, but I didn't think it would come to this," said Leo Rossitto, owner of Factory Bedding & Furniture Outlet.

In addition to furnishings, the store also sells sports and other collectible cards.

The boy, whose name was not released because of his age, hid in the store Monday until it closed about 5 p.m., police said. He then gathered about 44 packs of cards and \$600 cash, but was unable to get out because the front and rear doors were barred.

Police said the boy tried desperately to escape, even poking a hole in the wall but gave up and called for help about 5:50 p.m.

"He did a lot of damage trying to get out," Rossitto said.

Officers called Rossitto at home to have him unlock the store.

The boy was charged with criminal attempt to commit third-degree larceny, third-degree burglary and second-degree criminal mischief. He was released to his great-grandmother and referred to Juvenile Court.

Our Opinion Remember to lock up before the holidays

With finals and winter break quickly approaching, everyone needs to remember to exercise a little common sense before going out of town, or even leaving to run to the grocery store. After the recent string of burglaries during Thanksgiving break, both on and off-campus residents need to make doubly sure to secure their doors and windows with locks or other devices. It's smart to get into the habit of locking things up now, especially since everone's busy shopping for gifts and stashing them in closets and under beds. Burglars are aware of this, and look forward to you taking for granted your supposedly "safe" neighborhoods and residence halls.

Every time you leave your dorm room unlocked to run across the hall to the bathroom or down to the lobby for a snack, you leave all of your personal effects up for grabs for whoever cares to take them. Need proof? Check out the police beat on page two in any given issue of The George-Anne and note at least one case of this unfortunate yet common occurrence.

If you live in an apartment complex, the same rules apply. Make sure to have a discussion with your roommates expressing your concern that the doors and windows remain locked unless there are people in the apartment. During parties, it is a wise idea to put all valuable items such as VCRs, jewelry, portable stereos, CDs, etc. into a locked closet or bedroom. When leaving for the break, determine who the last person to leave is, and make sure that they lock all windows, sliding glass doors, and other doors before leaving. Check all door and window locks now for defects, so that you can have your landlord replace them before the break.

Automobiles, too are targets for burglars. The easiest thing you can do when leaving your vehicle anywhere for any amount of time is to lock the doors. Rolling up the windows is also a must, as anyone can reach into your locked car through an open window and take your belongings. If you have a detachable face for your car stereo, use it. Also, don't leave valuable items such as CDs, jewelry, etc. in clear view of the windows.

If everyone were to follow these safety precautions, perhaps the number of burglaries and thefts would decrease and everyone might be able to rest easier.

STUDENT PUBLICATIONS

News, Editorial Advisor Robert Bohler **General Manager Bill Neville**

For many Eagle fans, it doesn't matter what else happened all year long. We got our revenge, and we did it with style.

We have all heard about the comments from the UMass player. You know, the "we own the south; we own Georgia Southern" one. But we proved that no one owns us.

Here are my favorite things about the game:

1. The students: It seems that everyone was there. There were people there who went to a Div. I-A schools. And here they were in Statesboro to downs. He got 75 yards on 8 carries.

stop him? Come on. I remember the Wofford game. We felt some disappointment because at halftime Adrian hadn't gotten a hundred yards yet. How many fullbacks have those kinds of expectations on them? How many fullbacks get 333 yards in one game? And on top of all his athletic abilities, AP is a nice guy, even a little shy.

3. Edmund Coley: I know; he works for The George-Anne. But Coley really had a great game filling in for Adrian. Peterson would take a break and Coley would get a few first was too early to tear them down. If we had, UMass would have thought we believed it to be an upset to beat them. If we had tore them down, we would have to buy new ones. Yes, we encouraged people last week to leave the posts alone. Notice that we didn't say anything about not tearing them down this week. You figure it out.

5. T-shirts: I don't know about the rest of the world, but usually I considered bookstore prices too high and merchandise too shoddy. But the T-shirts for the game were great, and I sincerely thank the bookstore and

"Southern" back-and-forth cheer were started by the crowd. And a hard as we tried we could not get the cheerleaders to get "Whose House" "Our House" started up. A woman on the radio show said that of all the teams we've played UMass was the one who needed to know whose house it was.

3. Security on the field: Do they really think they are the reason wa left the goalposts alone? No, we left them alone because the timing wasn' right. Next week the time may justbe right.

Teachers...leave those kids alone

Since beginning my university studies I have only been able to nail down two certainties: 1) There is a God, and 2) He doesn't have an attendance policy.

However, unlike God, several professors on this campus DO have an attendance policy, which leads us to Einstein's theory of "education relativity." Now, according to Einstein's theory of education relativity, an education's worth is related to its attendance policy.

By using the infamous "Pritchard Scale," you can even determine a teacher's worth by their attendance policy.

Those that use positive reinforcement by adding points to grades (e.g. having daily quizzes) for those who show up to class have a higher worth than those who use negative reinforcement (e.g. ten points off for every missed class, three missed classes and you get an automatic "F," etc.).

Taking this theory to a macrocosmic scale, it can be further extrapolated that the number of teachers on campus that have negativelyreinforced attendance policies is inversely proportional to the university's overall worth.

In other words, the more negatively-reinforced-attendance-policy-

three instructors.

THE REALITY IS THAT SINCE THIS IS A "TEACHING" UNIVERSITY, TEACHERS, NOT STUDENTS, SHOULD BE PUNISHED OR REWARDED FOR THEIR LECTURES.

ing, I am a revisionist."

Secondly, it undermines the basic foundation for success in pursing higher education: self-motivation. Higher education is not a right, but a privilege. That said, students who need to be forced to go to class ought not to be here.

at least ten years behind what is be-

On the face of it attendance policies seem to be birthed out of good intentions, professors want you to succeed, and success begins in the classroom, yada, yada, yada. The

reality is that since this is a "teaching" university, teachers, not students, should be punished or rea p warded for their lectures.

If you can pass a class, or even get an A in a class without showing up you shouldn't go-there are better ways to spend your time. I person ally know of six separate instances where students have had "A" averages in classes, but received "F because they didn't show up. That i shameful (note to Dr. Grube: and why many students transfer up to Athens).

Great Britain is in the midst of huge educational reform. They'r trying to implement a watershed policy of basing teachers' pay of merit. Those whose students succeed get huge salary bonuses (upward of a \$10,000 bonus each year), while those whose students don't, get no salary increase, and can get their pay docked. It's about darn time. Those who really work hard (the majority of the professors here) ought to ge paid a heckuva lot more than the average "lecture-and-test" professor

The British are some of the fines educators in the world, and maybe in ten years we'll have such forward thinking here. Until then, you better hurry 'cause you don't want to be late for class.

'Ballyhoo' will make you think

By Sam Siegel A&E Editor

Theater and Performance's newest production, "The Last Night at Ballyhoo," is a great story about a Jewish family in - Atlanta. It is set in 1939, close to the same time that Hitler started his rampage in Europe; it is also an age when the South was not an accepting place for different religions.

This is a story about a wealthy group of people trying to fit into their place in the world when there was no room for them in polite society. It is a story of outcasts trying to deny who they are in order to gain acceptance in the world that they have worked so hard to qualify themselves for.

It is also about society within the groups and how the Jewish people separated themselves from one and other. It has a powerful message about coming together and being a group at harmony with one and other.

The Levy/Freitag family has gone through many hardships. The fathers of Lala and Sunny have both died (apparently from working too hard) and the sisters Rita and Boo now live together in a mansion on Habersham Road, a very exclusive neighborhood in which they are the only Jewish people, save the one other family that lives at the "tacky end of the street."

This family has lost the knowledge of what it means to be Jewish anymore: they don't have a Menorrhea, and they do have a Christmas Tree (Hanukkah Bush). They don't even know some of the most basic vocabulary (Sunny can't pronounce Shabbat Shalom), but someone comes into their lives and shows them how to be who they are again.

oride

ed by

The story ends with the family sitting around a table celebrating the Sabbath: they rediscover who of theater in they are.

just how hostile the world was to these people at this time. This too doesn't come across well. There are country clubs to this day in Atlanta that are anti-semitic. There is a specific reason that the Levys and Freitags are afraid of and angry at their heritage: they feel a need to belong and there is no place in the world for them.

Theater and Performance made a valiant effort in putting on this play. It is apparent that they worked hard to understand the plight of the characters in this

situation. However, it is also obvious to some people (like myself) who grew up in this situation that this group perhaps wasn't very familiar with the intricate and amazingly complex Jewish culture. The importance of some

of the rituals and words is underdone, and so is the family's hardship. This view, however, is based upon a rehearsal (which is all that I was able to see) and may

be better portrayed in the finished product. Even with

the difficulties, this is a beautiful piece

What has to be understood is a group of people trying to make the best of their lives.

> The acting was wonderful, especially of the characters like Joe Farkas (Nicholas Middlekauff), who has the Brooklyn accent and gestures down to a science, and Boo Levy (Jennifer Kirk) who did a tremendous job acting as a woman who struggles with her self-hatred.

Even though this play has some minor problems, I strongly encourage everyone to see it if for no other reason than this: it makes you think.

ARE YOU OUT OF YOUR MIND? Boo Levy (Jennifer Kirk) admonishes her sister-in-law Reba Freitag (Melinda Hendrix).

AND THE FLIRTATION GOES ON: Peachy Weil (Jordan Ellis) asks a very nervous Lala Levy (Liz Hess) to the dance at Ballyhoo, one of that it captures the most important social events of the year.

TO THE BALL, SCARLET! Lala Levy (Liz Hess) wears her dress (which reflects her obsession with Scarlet O'Hara) to Ballyhoo with Peachy Weil (Jordan Ellis). Little does Lala know that she has a surprise waiting for her later in the evening.

et's look at the situation.

past weekend to get here.

two weeks away

With its 38-21 victory over Massachusetts last Saturday at Paulson Stadium, GSU assured itself of reaching the semifinals for the seventh time in the program's history. The Eagles will host Illinois State on Saturday, Dec. 11th, after the Redbirds beat Hofstra 37-20 to advance past the quarterfinals.

After falling behind Hofstra 7-0 early in the first quarter, Illinois State roared back to score 37 unanswered points on their way to the victory. Illinois State, 11-2 this season, was led by quarterback Dusty Burk, who completed 31 of 37 passes for 350 yards and two touchdowns. The freshman, who took over for injured Payton hopeful Kevin Glenn in midseason, has led the Redbirds to the best season in school history.

Illinois State finished the regular season at 9-2 and ranked fifth, before garnering the sixth seed in the I-AA playoffs. The Redbirds, whose only losses this season have come on the road against Division I Minnesota and a one point loss to South Florida, beat fellow semi-finalist Youngstown State 31-28 on Oct. 30th for the Gateway Conference championship.

contest.

Burk leads an explosive, yet diverse, offense. Despite rushing for nearly 2,700 yards, the Redbirds do not have a 1,000 yard rusher, instead, settling on a running-back-by-committee approach. Willie Watts, the Redbirds leading rusher, has gained 770 yards through 13 games with five touchdowns. Avieon Cason has added 560 yards and nine scores while Walter James has chipped in with 453 yards and five rushing touchdowns. Burk has added 434 yards and four scores from the quarterback position.

Burk, who has completed 153 of 242 passes for 1,729 yards and sixteen touchdowns, spreads the ball around in the passing game as well. Ricky Garrett has caught 51 passes for 765 yards and five touchdowns. Cason (44-381-1), Scott Preusker (39-358-2), Steve Kostro (27-443-4), Jacob Niete (25-224-3), and Jon Laurenti (20-244-2) have all contributed to the Illinois State passing attack.

game struggled, with Illinois State gaining just 166 yards on 37 carries. Cason finished with 59 yards on ten attempts while Burk added Youngstown State hosts Florida 54 and Watts 41. Illinois State the Hofstra rushing attack, limiting

Luke Renfroe

THIS IS MY HOUSE: Peterson and the Eagles will have to take out one more opponent at home to advance to the national championship in Chattanooga, Tenn.

each catching seven balls for 90 Against Hofstra, the running and 88 yards respectively. Kostro added four catches for 94 yards, with touchdowns of six and 34 vards.

The Redbird defense did stop

however, with Garrett and Cason on 29 attempts. Hofstra did complete 31 passes for 323 yards. Georgia Southern will be ready for the Redbirds, with an offense that has averaged over fifty points per game this season. After fullback Adrian Peterson ripped the yards rushing, just three shy of the UMass defense for 333 yards, it I-A record of 31 held by two-time

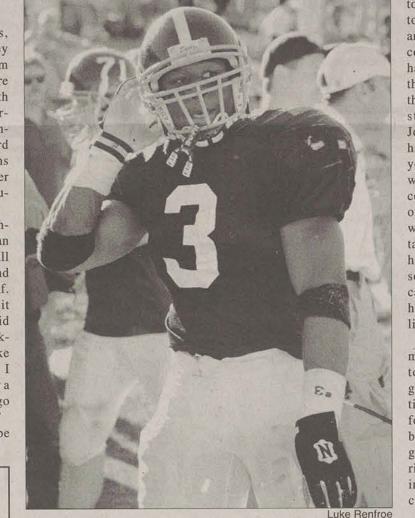

post-season yards in just six playoff contests. For the year, Peterson has gained 2,274 yards and scored 34 rushing touchdowns in thirteen games. Peterson is now at 28 straight games with at least 100

Peterson destroyed several records as GSU defeated UMass The A-Train's 333 yard, 5 TD performance not only rewrote GSU records, but set NCAA marks as well

It's a national championship. Even with our victory yesterday, we still don't have the hardware. This victory **By Doug Kidd** neans nothing if the Eagles don't finish Asst. Sports Editor he deal and win the only game that

Just when GSU coaches, natters: Chattanooga. With that in mind, players and fans thought they UMass has returned to Amherst with had seen everything from heir collective tails tucked between their Adrian Peterson, the sophomore egs and Adrian Peterson was the bus fullback surprises them all with Iriver. So, up next is Illinois State. Anhis most dominating perforother victim travels to 'Our House' to mance as a college player, rushttempt to do what the yankees could not. ing for a I-AA playoff-record However, we would be very unwise to be 333 yards and five touchdowns in the Eagle's 38-21 victory over aught looking ahead against a team that lefeated a very good Hofstra squad this defending champion Massachusetts.

Despite playing with a bothersome chest cold, Peterson ran over the Minutemen defense all

told by head coach Paul Johnson to take a breather every now and then. "He's had that chest cold all week and was having a hard time breathing. I don't think he wanted to come out in the first half, and I saw him struggle a little bit," said Johnson. "At halftime, I told him that when you get down, you have to come out. Don't wait for someone to come, just come out and we'll send someone in. I told [Peterson] 'If you wait around, nobody's going to take you out.' In the second half we were able to give him playoffs against North Carolina some breaks, enough for him to catch his wind. You don't want him beside you [on the sideline] long though." Sophomore Edmund Coley made it a little easier on Johnson to keep Peterson out of the game, taking his rare playing time and making it count. The former quarterback proved to be a good change-of-pace back, gaining 75 yards on eight carries, including a 34 yarder late in the third quarter on GSU's clinching touchdown drive. "I thought Edmund Coley did a great, great job when he spelled Adrian," said Johnson. "Edmund doesn't get to play a

whole lot, but he's a very good player in his own right. [I was] just looking at the stat sheet and he had 75 yards on eight carries. So you figure that we had 408 yards from the fullback [position]. If you do that, you ought to have a pretty good chance to win."

A team also has a great chance of winning when a player scores five touchdowns in a single game, as Peterson did Saturday. The five rushing scores tied the GSU record held by Gerald Harris in the 1986 A&T and the mark Peterson set last year against The Citadel. Peterson's 333 yards broke the I-AA playoff record of Northeast Louisiana's Greg Robinson, who had 250 yards against Alcorn State in 1992. Peterson also established the school's single-game rushing mark, eclipsing the 280 yards set by Joe Ross against Marshall in 1989. "I just wanted to come in here and go all out and play hard and see what comes out [in the end]," said Peterson. "Every time I got the ball, I would look for a seam and make a cut and get down the field. I ran well today."

\$

HEMPSTEAD, N.Y.--Dusty Burk stole the show from Hofstra's quarterback sensation Giovanni Carmazzi by throwing for 350 yards and two touchdowns as Illinois State moved into to the semifinals of the Division I-AA playoffs with a 37-20 victory over the Flying Dutchmen on Saturday.

Burk, a freshman who replaced injured starter seconds left in the quarter. Kevin Glenn midway through the season, was 31of-37, including touchdown passes of 6 and 34 yards to wide receiver Steve Kostro.

The first Mookup put the Redbirds ahead by 10 points in the second quarter; the second came late in the third quarter and increased the to lead 17 points.

"WE'RE EXCITED, WE PLAYED WELL, WE PLAYED WITH A PASSION. WE KNEW WE'D HAVE OUR HANDS FULL, BUT WE CONTROLLED THE CLOCK AND PUT UP POINTS."

-ILLINOIS STATE COACH TODD BERRY

Illinois State (11-2), enjoying its best season in chool history, plays next at second-seeded Georgia Southern, who beat 1998-champion Massachusetts 38-21 on Saturday. The Division I-AA Na-Monal championship is Dec. 18 at Chattanooga, Tenn.

"We're excited, we played well, we played with a passion," Illinois State coach Todd Berry said. "We knew we'd have our hands full, but we controlled the clock and put up points."

Hofstra, which entered its quarterfinal game against Illinois State allowing just 15.6 points per game, finishes at 11-2.

With Hofstra's Carmazzi getting all the pregame publicity, it was Burk who guided the Redbirds' offense to 540 yards. In the first half, the 6foot-195-pounder from Tuscola. Ill., was 23-of-27 for 302 yards.

After a 44-yard run in the third quarter, Burk left for the rest of the series when he landed hard on his shoulder. But Ryan Spielman stepped in and threw a 6-yard TD to tight end Tom Bardwell to put the Redbirds ahead 30-13.

"This was my most satisfying game," Burk said. The coach sent in good plays and when the coach is on his game, we're on our game. It was fun."

Carmazzi, who threw for 2,909 yards and 23 TDs entering the game, was 28-of-35 for 291 yards and two TDs. He had second-half TD passes of 35 yards to Jimmy Jones and 11 yards to Bill Morales, with the score to Morales cutting the Redbirds lead to 30-20 with 3:42 left in the third quarter.

Burk's 34-yard TD pass to Kostro came with 12

Carmazzi left the game for good with 11:06 left when he sprained his left knee after being tackled on a short run. Carmazzi said the injury is not serious, but he

> did not want his career to end this way.

> > "It's pretty disappointing to go out this way when you don't play your best, Carmazzi, who set 11 school records, said.

"I felt confident we could move the ball, but we just didn't do it. We didn't have enough.'

Added Hofstra coach Joe Gardi: "We were outcoached and outplayed, I don't know what else to say. I was impressed with their quarterback, and our defensive backs on their wide receivers was not a good matchup. They made the plays."

Illinois State, champions of the Gateway Conference, had an easy time moving the ball against the Flying Dutchman, but didn't take control until late in the first half.

The Redbirds took a 10-7 lead on Willie Watts' 4-yard TD run with 8:38 left in the second quarter, and then the Redbirds converted two Hofstra fumbles into TDs in a 66-second span for a 24-7 halftime lead.

First, the Redbirds' Tim Beshel recovered a fumble by Jones at the Illinois State 22. Burk hit passes of 43 yards to Kostro and 25 yards to Aveion Cason to move the ball to the Hofstra 12. Four plays later, Burk hit Kostro on a 6-yard TD pass with 2:47 left

On the ensuing kickoff, the Redbirds recovered a fumble by Robert Thomas at the Hofstra 15, and three plays later, Watts scored from 5 yards out with 1:41 to go in the half.

Eagle baseball signs seven in early period Special to the G-A earned a 5-0 record with a 0.68

, STATESBORO, Ga.-Seven ERA in 31 innings. high school student-athletes have signed early national letters-of-in- a third baseman for Wheeler High tent to attend and play baseball at School in Marietta (Ga.), earned USU, first-year head coach Rodney MVP honors for the East Cobb Hennon announced Wednesday. Outfielder Matthew Hammond joins pitchers Jared Comstock, Jeff deRijke, Dennis Dove, Brian Rogers, Michael Thigpen and Scott Polbert, newcomers in the Eagle program, who will enroll at GSU next fall. * "We feel extremely good about the group of student-athletes we were able to sign early," Hennon said. "We worked hard as a staff, most notably Coach Tidick and Coach Teague, to successfully address our future needs, particularly on the mound."

deRijke, who also saw action as

cover your butt.

Enclosed Room 2023 or 2022 Williams Center (top floor)

Hammond batted .406 with 12 home runs while driving in 58 runs or the Savannah Chain Club last summer, earning team MVP honors. As a standout at Bryan County (Ga.) High School, he also earned the Redskins' top player award after his sophomore and junion seasens.

Comstock recorded a 7-5 mark and a 3.27 earned run average for Gainesville's (Fla.) P.K. Yonge High School last season. He also posted 113 strikeouts in 79 innings of work. While playing a fall schedele as a member of the Central Florida Renegades Club, Comstock

Astros summer league squad which captured the World Championship in 1998.

Dove won six of eight decisions during his junior season at Irwin County (Ga.) High School. In 65 innings of work on the Indian's pitching staff, he struck out a teamhigh 56.

Rogers, who earned top pitching honors teaming with deRijke on the world championship East Cobb squad, also serves as a key member of Marietta (Ga.) Harrison High School's pitching staff. He led the Hoyas with a 2.33 earned run average while posting a perfect 4-0 record. Rogers also fanned 31 hitters while walking just six in 36 innings of action.

Thigpen, the Eagle's only lefthanded signee of the fall, recorded a 4-4 record and a 3.92 earned run average for Vidalia High School last spring. In 47.1 innings of work, he allowed 39 hits while striking out 42.

As Madison (Ga.) County High School's top pitcher in 1999, Tolbert turned in a 5-3 record for the Red Raiders. In addition, he registered 96 strikeouts in just 65 innings of action.

Mets still waiting for **Olerud's decision** The Associated Press

NEW YORK, N.Y .-- The New York Mets' attempt to re-sign John Glerud might last into January.

The Mets are likely to offer the free agent first baseman salary arbitration mext week, which would give them more time to talk with him.

By offering arbitration, the Mets chuld negotiate with Olerud through Jan. 8. Players who aren't offered arbitration can't re-sign with their former toums from Dec. 8 through April 30.

"I wouldn't be surprised if he comes back, and I wouldn't be surprised if he spes to Seattle," Mets general manager Steve Phillips said Friday.

Olerud has spent the past three sea-

sons with the Mets, but Seattle general manager Pat Gillick--Olerud's former GM in Toronto--would like to sign him for the Mariners. Olerud lives in Washington and would be able to commute to Safeco Field for home games.

"I still think the decision won't be based on finances," Phillips said. "It could be tomorrow. It could be 10 days from now."

Phillips is not sure if Olerud and his agent will ask the Mets to modify their offer, saying, "The ball is in their court."

"I have to wait for guidance from their side," Phillips said. "If there are other things that need to be addressed, we'll listen. If not, it's time to make a decision."

Keeping elves from helping themselves.

By Kathy Bourassa Staff Writer

Friday night in Statesboro's apartment communities usually involves loud music, beer and heavy son for burglaries. Hours may pass without seeing or hearing anyone. But rest assured, somebody is watching - someone on Santa's "Naughty" list.

Often thieves "case" an area before deciding upon targets. By parking a car and watching or getting a closer look by walking around a premises, they gather clues about

whether an apartment is occupied last week, a stranger. Several people and whether tenants are inside. may work together to increase the They notice unlatched windows, take and provide a lookout. They 🍡 sliding glass doors, blinds that nor- may or may not live or party at the mally remain open that suddenly complex. In Statesboro, there is a traffic. When holidays arrive and close for a week. They pay attenpattern of several apartments getmost students go home, 'tis the sea- tion to everything. They may knock ting "hit" on a single night in one on doors to check whether you're location, and a few more in a difhome. If you answer, they ask for ferent complex a day or two later. directions or other trivial informa- Cars are broken into in the same tion. If not, they figure opportunity manner. friend, someone you partied with

Holiday safety tips

•Place bars in sliding windows and doors to prevent them from opening from outside. *Lock windows and doors in apartments and cars. Some window locks can be unlocked with a butter knife, so consider purchasing effective, easy-to-use, inexpensive window locks wherever hardware is sold. *If you know someone who is staying here, ask them to become familiar with cars in the parking lot and pay attention to any that arrive when others have gone. •Watch for unusual cars. How many college students drive full-size vans? Call the police and let them check whether it's legitimate if you think it's suspicious. •Be aware of sounds like breaking glass or people walking in little-used areas. •Let your apartment manager know how to reach you. Limit telling others about your plans, however. Set lights, radios, and televisions with a timer, an inexpensive item available at Radio Shack. •When using a timer with a radio, tune to an all-talk station. It's hard to distinguish from "real" conversation. Turn off your morning alarm. *Ask your apartment manager AND a friend to watch for advertisements and to remove them from doors or cars. . Lock bicycles or take them indoors. Write your name and date of birth on paper and insert it into the neck for easy identification if it does get stolen. •Turn off computers. Take small and popular items with you: jewelry, game systems, etc. Start keeping blinds closed several days before you leave. •Be creative. One student used a blanket, shirt, tennis shoes, a cap and a stack of other laundry to build a "dummy" that appeared to be a person sleeping on his couch. •Call the Statesboro Police Department at 764-9911 if you see or hear anything suspicious. They'd rather waste time on a false alarm than file a bunch of paperwork over stolen property. Besides, police presence sometimes proves to be an effective deterrent. Enjoy your visit home with the awareness that you've Scrooged the elves! Statesboro Police Chief Malone contributed to these suggestions

You Want To Begin Investing. But You Can't Afford Much Per Month, And Inflation Is Eating Your Savings Account For Lunch.

When you can only afford to invest a few dollars every month, you'd better make sure those dollars are working hard for you. Try Series I Bonds. You can get started with as little as \$50. They're guaranteed to stay ahead of inflation for up to 30 years, and their interest is fully exempt from state and local income taxes. What's more, you can purchase I Bonds where you bank, work, or through the new U.S. Savings Bonds EasySaver⁵⁴⁴ Plan. And they're backed by the full faith and credit of the U.S. Treasury.

So visit us at www.savingsbonds.gov, or write to I Bonds Investor's Guide, Parkersburg, WV 26106-1328. Because inflation is getting hungry for dessert.

For more information about 1 Bonds, visit our website at www.savingsbonds.gov

HEALTH Education Office

Georgia Southern University Health Services is available to students for consultation, examination, diagnosis, and treatment to illnesses and injuries.

Location: The Health Center is located on Forest Drive across from Watson Hall and near the Lakeside Cafe.

Operating Hours: 8:00 a.m. to 5:00 p.m., Monday -Friday during the semester with limited services and hours during semester breaks.

Eligibility & Costs: All GSU students are eligible to use the Health Center. Students enrolled in four or more semester hours prepay the health fee (currently \$66.00 for fall & spring and \$30.00 for summer) at the beginning of each semester while students taking less than 4 semester hours may choose to prepay the health fee. Although the health fee allows students unlimited visits throughout the semester, there are usually additional costs incurred each visit for prescriptions, x-rays, lab tests, and immunizations. Payment for these services is due at the time of the visit.

A valid Georgia Southern University identification card is required to access services at the Health Center

Staff: The highly-qualified staff of Health Services include a physician, nurse practitioners, nurses, clerical staff, a radiologic technologist, a laboratory technologist, and a health educator. The relationship between patients and our staff is strictly confidential. Please contact us any time for more information.

The first PUSH pageant at GSU since 1996 ended with Haley Gindlesperger of Kappa Delta being named Miss PUSH America 1999.

"We were going from scratch," Matthew Woodcock, the chairman of PUSH, said. "We know what we can improve on next year."

The PUSH Pageant, meant to raise money for handicapped people, was held on Dec. 2 in the Russell Union Ballroom by Pi Kappa Phi fraternity. Seven students from five sororities (Alpha Omicron Pi, Kappa Delta, Alpha Delta Pi, Kappa Kappa Gamma, and Phi Mu) competed for the title.

Monica Squires of Alpha Delta Pi and Holly Tydings of Phi Mu were finalists in the competition.

Since 1977, more than eight million dollars has been raised for the organization. Woodcock said that was the most money any fraternity has raised for PUSH. After the contestants were introduced,

the masters of cemenony, Justin Barnette, song dedicated to the current president of Pi Kappa Phi and Katie Stephens, Miss GSU 1999 of ceremony took over the festivities. While there were technical difficulties with the sound, Stephens kept the audience in their seats by joking around with them.

"This whole pageant has been done by a group of guys," she said to the audience.

The talent competition started soon after the difficulties were fixed. The performances were a combination of singing, dramatic monologue and ballet.

"This is probably the most difficult part for them," Barnette said about the competition while asking the audience to give them a round of applause.

After a ten minute intermission, the pageant resumed with Deidre Hadden, Miss PUSH America 1996, performing a song for the audience.

The evening gown competition followed. While the three judges were deciding on three finalists, Stephens kept the audience alive with a comical

Woodcock and the other fraternity members who had organized the show.

"They did a fantastic job," she said.

All seven contestants came out on stage in their gowns for the announcement of the finalists. They were all asked one question each with the topic ranging from who they most admire to who they would want to meet the most. While the judges

made their decisions on the finalist, Woodcock took the time to recognize all the sponsors and to tell the audience about the other contributions PUSH has made.

Becky Smith

AND THE WINNER IS ... Haley Gindlesperger was crowned Miss PUSH America 1999. The PUSH pageant was sponsored by Pi Kappa Phi and raised money for PUSH, an organization benefitting handicapped and disabled persons.

One sure way to get your name in the paper is to drink and drive.

R.I.P.

Just don't do it!

More to December than just Christmas **By Melissa Denby** Staff Writer

As Christmas break draws near and, unfortunately, finals, too a season of celebration begins (not just because you didn't fail all of your classes). This season is generically thought of as Christmas, and it's assumed everyone is celebrating Christmas. Here's a little bit of history on other traditions celebrated this season and maybe something about your own tradition that you didn't know.

Hanukkah

Hanukkah is more than just an Adam Sandler song. It is the Jewish celebration of the "Festival of Lights". Hanukkah begins of the 25th of Kislev (Dec. 4) and goes through the 2nd of Tivet (Dec. 11) by the lunar calendar. The Syrians, under the ruler Antiochus, enslaved the Jews and defiled the Jewish temple by putting a statue of Zeus in the sanctuary.

A Jewish group known as the Maccabee or "the hammer" started a revolt, conquering the Syrians. After kicking out the statue of Zeus, the Jews rededicated their temple to God.

The Jews relit the menorah in the temple, which is a candle that symbolized the presence of God. They only had enough oil to keep the candle lit for one day though. Miraculously, the menorah shone for eight days until more oil was brought.

Kwanza

The tradition of Kwanza celebrates African American heritage. Kwanza was founded in 1965 by Professor Maulana Kerenga and means "first" in Swahili. It is celebrated from Dec. 26 until Jan. 1. These seven days

principles of (Unity), (Self-Determinasponsibility), erative Econompose), KUUMBA IMANI (Faith).

Throughout tional greeting of said with the reply cipal of Kwanza is represent the seven Kwanza: UMOJO **KUJICHAGULIA** tion). UJIMA (Re-UJAMAA (Coopics), NIA (Pur-(Creativity), and

Kwanza a tradi-"Habari Gani" is of whichever princelebrated that

day. This tradition is not a religious holiday and was purposely placed after Christmas. Kwanza celebrates African culture and looks back toward the roots of African Americans.

Christmas

Christmas is probably the most widely celebrated and has a cornucopia of origins as the basis for every part of the tradition. Christmas trees have several legends, one of which says St. Boniface chopped down an oak tree to stop some pagans from sacrificing a child under it. A fir tree grew up in it's place and represents the body of Christ.

Santa's origins are also pagan and widespread, from Germany's St. Nicholas, to Dutch SinterClaus. Our Santa today was fabricated by the Coca-Cola Company as an advertisement(you'll notice that Santa wears red and white, which are the Coke colors). But the true meaning of Christmas is to celebrate the birth of Christ.

No matter how you celebrate this season, it is a time of family, friends and good spirits.

At these prices, it's too bad we don't sell cars.

Maybe one day we will sell cars, food and everything else you need. But right now, it's great deals on textbooks every day. You can save up to 40%, and you'll get your books in 1 to 3 days. Not that you would, but don't sweat using a credit card. VarsityBooks.com is 100% guaranteed secure. Try saying that about a new SUV.

SAVE UP TO 40% ON TEXTBOOKS.

THE SINGLE GUY

Holiday Rambling

FIRST OF ALL, OUR WORLDWIDE MASCOT IS A

FAT GUY IN A FURRY RED SUIT THAT COMES

DOWN OUR CHIMNEYS, EATS OUR COOKIES,

DRINKS OUR MILK AND DUMPS SOME TOYS IN

OUR SOCKS. I'M SORRY, BUT COULDN'T WE

HAVE DONE A LITTLE BETTER THAN THIS?

The Single Guy

mas time in the south. And what better way to bring in a little Yuletime cheer than to commentate and speculate.

While I can't tell you what the big guy has for you, there is a lot to say about this coveted holiday.

First of all, our worldwide mascot is a fat guy in a furry red suit that comes down our chimneys, eats our cookies, drinks our milk and dumps some toys

in our socks. I'm sorry, but couldn't we have done a little better than this?

Now, I don't mean to be too picky, but let me say we do really want some guy who works one day out of the year and

spends the rest of his time at the north pole "making toys" with some elves giving stuff to children? Especially when we know he shops at Wal-Mart like the rest of us.

And where would Christmas be without Wal-Mart? From Tater-Twisters to Tinker Toys, you can find more things to buy that your dad will never use than a Home Shopping Network yard sale.

And why is there always some lady that is buying her son his first computer-- where he will go on in some chat room to meet the girl of his dreams that is really a fat forty-year old scanning in Victoria Secret catalogs.

One more thing, have you ever tried to find mistletoe at Wal-Mart? You have a better chance of finding any of your GI Joe accessories from when you were a kid. It doesn't help that no one knows

Well, Jingle Bells and shotgun shells, it's Christ- what it looks like, especially the GED graduate trying to help you by giving you directions to the shoe department.

> Mistletoe truly is either one of the most underused or avoided traditions of December. I mean really, here is your one chance to give that lovely specimen in your biology lab a little DNA, and your not packing any berry. As if the birth of Jesus isn't enough reason to show off your "peace

on earth."

But in reality, if your luck with mistletoe is similar to mine, the only enforcement of this treasured tradition was by your aunt who still listens to Bel Biv Devoe's Christmas album. She also wonders how

Egg Nog is sold to minors.

Egg Nog truly is one of the biggest oddities of the Christmas season. It is the one drink set aside for a holiday. And where does it come from anyway? I assume it has egg in it, but what the hell is nog? Not exactly romantic evening material.

But isn't that what this great time of the year really is about? Letting it all hang. Outrunning Jimmy Stewart shouting "Merry Christmas" and realizing the real gifts aren't under the tree, but in the hands placing them there.

So, have a great break and I will see you in three months after we have lived off of beanie-weenies and bottled water because of Y2K.

If you need to reach southern's single guy, you can e-mail him at singleguy_gsu@yahoo.com.

Rip Us Off.

That's right - you heard right. Rip us off. Get something for nothing. Say hello to a friend. Find a roommate. Get a job. Find a home for a litter of kittens. Buy a wombat. Or sell your Beamer (right, like you expect us to believe that you - and not your folks actually have the title to that BMW). Regardless of your purpose (or even if you are a congenital liar like the Beamer owner), Georgia's liveliest classified ad section is for you. Students, faculty and staff can have their 20-word action ads published for nothing (non-commercial listings only, please). Fill out the little rectangles below, and send your ad to G-A Action Ads, POB 8001, GSU or drop them by our offices in the Williams Center, Room 2023. You MUST include your name and P.O. Box number to qualify for a freebie. Remember, keep it short: students, faculty and staff must pay 20¢ per words for those which exceed the 20-word limit. And, please no telephone calls... at this price we don't take dictation.

1.2.5	YOU MUST COM	PLETE THIS PART TO	O QUALIFY FOR FREE	BIE

REMATCH OF THE MILLENNIUM: Students showed up in record numbers for the rematch between GSU and the 1998 national champion University of Massachusetts. (top left) Edmund Coley (11) stepped in for Adrian Peterson with 75 yards on eight attempts. (middle left) Excited fans wait to rush the field with signs expressing the sentiments of many Eagle fans. (Above) Peterson ran for 333 yards and got five touchdowns in the 38-21 victory over the Minutemen. (above tilted) All photos by Luke Renfroe unless otherwise indicated

REVENCE...HOW SWEET IT IS: The scoreboard said it all as the Eagles advance to round three of the Div. I-AA playoffs against Illinois State next Saturday. (top right) Fans showed their pride with flags and a rush to the field to celebrate with the team. (center) GUS kicked some Minuteman butt, too. (middle right) QB Greg Hill (10) was the team's leading receiver off of a trick play in the second half. (above tilted) Adrian Peterson had a remarkable day despite having a cold. (above)
