STATESBORO - The Georgia Southern Eagles will hit the field Thursday for the first of 15 spring football practices under new head coach [Tyson Summers](#). With the spring session upon us, the athletics department has finalized its policies and procedures in regards to practices and the public. While the practices will remain open, a few new procedures have been put in place.

1) Fans must enter the Beautiful Eagle Creek Practice Fields through the gate off Tillman Road.

Upon entry, fans will check in and receive a pass. All those entering must have a state- or government-issued ID and will sign in.

2) For safety reasons, fans will be allowed only in the marked areas. These areas will be painted and easily visible.

3) There will be no photos allowed at any time once practice begins. Fans are requested to leave their cell phones and cameras in their cars, but if they must bring them in, they have to remain in their pockets. Violation of this rule may result in being asked to leave the premises.

4) Fans are asked to not report on any facets of practice via social media during or after practice. This includes specifics that occur during any periods. Specifics include, but are not limited to, coach-to-player comments, player-to-player comments, coach-to-coach comments, description of formations, drills or plays, or any "live" updates on injuries

5) Practice dates/times/locations are subject to change based on weather or other factors.

6) The GS Football Program or Athletics Department reserve the right to change these policies and procedures at any time.
