### **"I'm Free"**

*Don't grieve for me, for now I'm free, I'm following the path God laid for me.  
I took His hand when I heard Him call; I turned my back and left it all.*

*I could not stay another day, to laugh, to love, to work or play.  
Tasks left undone must stay that way; I found that place at the close of day.*

*If my parting has left a void, then fill it with remembered joy.  
A friendship shared, a laugh, a kiss; ah yes, these things, I too will miss.*

*Be not burdened with times of sorrow I wish you the sunshine of tomorrow.  
My life's been full, I savored much; good friends, good times, a loved ones touch.*

*Perhaps my time seems all too brief; don't lengthen it now with undue grief.  
Lift up your heart and share with me, God wanted me now, He set me free.*
