For Body Composition Measurement

Informed Consent: Development of a Segmented Biological Impedance Spectroscopy Device

DEPARTMENT OF MECHANICAL ENGINEERING

COLLEGE OF ENGINEERING
You will be given a copy of this consent form to keep for your records. This project has been reviewed and approved by the CSL Institutional Review Board under the research number H8400.

1. You will be given a copy of this consent form to keep for your records. This project has been reviewed and approved by the CSL Institutional Review Board under the research number H8400.

2. You must be 18 years of age or older to consent to participate in this research. If you are under the age of 18, you must have your parent's signature. If you are a minor, you may not participate in this research.

3. There is no penalty for not participating or declining to participate in this research study.

4. The data collected as part of this study will be used for research purposes and will be stored in a secure database.

5. The data will be used to help researchers understand how different variables affect the outcomes of the study.

6. The data will be stored in a secure database.

7. A data entry protocol will be followed to protect the confidentiality of the data.

8. The data will be stored in a secure database.

9. The data will be used for research purposes.

10. You have the right to ask questions about the data collected as part of this study. You may also request a copy of the data collected.

11. You have the right to withdraw from the study at any time, for any reason. If you choose to withdraw from the study, your data will be deleted from the database.

12. You have the right to ask questions about the data collected as part of this study.

13. You may request a copy of the data collected.

14. You have the right to withdraw from the study at any time, for any reason.

15. You have the right to ask questions about the data collected as part of this study.

16. You may request a copy of the data collected.

17. You have the right to withdraw from the study at any time, for any reason.

18. You have the right to ask questions about the data collected as part of this study.

19. You may request a copy of the data collected.

20. You have the right to withdraw from the study at any time, for any reason.

21. You have the right to ask questions about the data collected as part of this study.

22. You may request a copy of the data collected.

23. You have the right to withdraw from the study at any time, for any reason.

24. You have the right to ask questions about the data collected as part of this study.

25. You may request a copy of the data collected.

26. You have the right to withdraw from the study at any time, for any reason.

27. You have the right to ask questions about the data collected as part of this study.

28. You may request a copy of the data collected.

29. You have the right to withdraw from the study at any time, for any reason.

30. You have the right to ask questions about the data collected as part of this study.

31. You may request a copy of the data collected.

32. You have the right to withdraw from the study at any time, for any reason.

33. You have the right to ask questions about the data collected as part of this study.

34. You may request a copy of the data collected.

35. You have the right to withdraw from the study at any time, for any reason.

36. You have the right to ask questions about the data collected as part of this study.

37. You may request a copy of the data collected.

38. You have the right to withdraw from the study at any time, for any reason.

39. You have the right to ask questions about the data collected as part of this study.

40. You may request a copy of the data collected.

41. You have the right to withdraw from the study at any time, for any reason.

42. You have the right to ask questions about the data collected as part of this study.

43. You may request a copy of the data collected.

44. You have the right to withdraw from the study at any time, for any reason.

45. You have the right to ask questions about the data collected as part of this study.

46. You may request a copy of the data collected.

47. You have the right to withdraw from the study at any time, for any reason.

48. You have the right to ask questions about the data collected as part of this study.

49. You may request a copy of the data collected.

50. You have the right to withdraw from the study at any time, for any reason.

51. You have the right to ask questions about the data collected as part of this study.

52. You may request a copy of the data collected.

53. You have the right to withdraw from the study at any time, for any reason.

54. You have the right to ask questions about the data collected as part of this study.

55. You may request a copy of the data collected.

56. You have the right to withdraw from the study at any time, for any reason.

57. You have the right to ask questions about the data collected as part of this study.

58. You may request a copy of the data collected.

59. You have the right to withdraw from the study at any time, for any reason.

60. You have the right to ask questions about the data collected as part of this study.

61. You may request a copy of the data collected.

62. You have the right to withdraw from the study at any time, for any reason.

63. You have the right to ask questions about the data collected as part of this study.

64. You may request a copy of the data collected.

65. You have the right to withdraw from the study at any time, for any reason.

66. You have the right to ask questions about the data collected as part of this study.

67. You may request a copy of the data collected.

68. You have the right to withdraw from the study at any time, for any reason.

69. You have the right to ask questions about the data collected as part of this study.

70. You may request a copy of the data collected.

71. You have the right to withdraw from the study at any time, for any reason.

72. You have the right to ask questions about the data collected as part of this study.

73. You may request a copy of the data collected.

74. You have the right to withdraw from the study at any time, for any reason.

75. You have the right to ask questions about the data collected as part of this study.

76. You may request a copy of the data collected.

77. You have the right to withdraw from the study at any time, for any reason.

78. You have the right to ask questions about the data collected as part of this study.

79. You may request a copy of the data collected.

80. You have the right to withdraw from the study at any time, for any reason.

81. You have the right to ask questions about the data collected as part of this study.

82. You may request a copy of the data collected.

83. You have the right to withdraw from the study at any time, for any reason.

84. You have the right to ask questions about the data collected as part of this study.

85. You may request a copy of the data collected.

86. You have the right to withdraw from the study at any time, for any reason.

87. You have the right to ask questions about the data collected as part of this study.

88. You may request a copy of the data collected.

89. You have the right to withdraw from the study at any time, for any reason.

90. You have the right to ask questions about the data collected as part of this study.

91. You may request a copy of the data collected.

92. You have the right to withdraw from the study at any time, for any reason.

93. You have the right to ask questions about the data collected as part of this study.

94. You may request a copy of the data collected.

95. You have the right to withdraw from the study at any time, for any reason.

96. You have the right to ask questions about the data collected as part of this study.

97. You may request a copy of the data collected.

98. You have the right to withdraw from the study at any time, for any reason.

99. You have the right to ask questions about the data collected as part of this study.

100. You may request a copy of the data collected.
I, the undersigned, verify that the above informed consent procedure has been followed.
