Wood on Wenger: "We are so excited that Anna has decided to join our program. I recruited Anna when she was in high school and know her very well. She is an extremely hard worker and great student. Anna will provide experience and stability at the outside position. She has a lot of range with her arm and is very physical. She has tons of playing experience at the Division I level, which will serve her and the program well. I am looking forward to see what type of production she can bring each night we play. With the addition of Anna, we will be very strong pin to pin, which is what we were in need of as a program. Anna will help provide leadership and help develop the young outsides we have."

Georgia Southern returns five starters and All-Sun Belt libero [Alex Beecher](#) to the 2016 roster. The Eagles open the campaign Aug. 26 against North Carolina at the Penn State Classic.
