TO THOSE I LOVE

*If I should ever leave you whom I love
To go along the Silent Way, grieve not,
Nor speak of me with tears, but laugh and talk
Of me as if I were beside you there.
(I'd come - I'd come, could I but find a way!
But would not tears and grief be barriers?)
And when you hear a song or see a bird
I loved, please do not let the thought of me
Be sad . . . For I am loving you just as
I always have . . . You were so good to me!
There are so many things I wanted still
To do - so many things to say to you . . .
Remember that I did not fear . . . It was
Just leaving you that was so hard to face . . .
We cannot see Beyond . . . But this I know
I loved you so - 'twas heaven here with you!
