### ***"I Want What My Life Were With You"***

*I love what my life is with you grandmother,  
Though I can't always put my feelings into words.  
I love the times when for so many different reasons grandmother,  
Everything is just so right between us.  
All that matters to me, every dream I ever dared to have,  
Is here for me in the love we share.  
I love the way I feel about you grandmother.  
I love the way I love you grandmother.  
I love having you as my grandmother.*
