INDUSTRIAL ARTS GROUP HOLDS MEET

Plan To Bring Closer Association Between Industrial Art Teachers and Students Here on Campus.

The Industrial Arts Society, through the co-operation of the faculty advisors, held a joint meeting Wednesday evening, November 22, with the alumni who are teaching Industrial Arts. The meeting was held as part of a program to bring closer association among teachers and students here on the campus.

At this meeting each visiting teacher gave a short report of his work and gave a description of his shop. After each talk the problems presented by the teachers were discussed in open forum.

Those attending were: Tom Hodges, Pulaski; Graydon Pierce, West Bainbridge; Roland Warnock, Wacona; James Warren, Kibbee; Howard Waters, Waycross; Edison Wilcox, Dublin, and the members of the Industrial Arts Society and their advisors.

At this meeting plans were also discussed for the publication of an "Industrial Arts News Letter," to be issued quarterly. It is the purpose of this letter to facilitate a community of interest among industrial arts students and teachers.

It is planned to have a meeting of this type a regular feature of the Thanksgiving home-coming.

FRESHMEN GIVE ANNUAL DANCE

To Be Held In Gymnasium Saturday Night, December 16.

Bob Bidgood, freshman class president, turns master of ceremonies for a night next week-end, December 16. The occasion is the annual freshman dance sponsored by the under-pups for those supreme upperclassmen!

Dancing begins at eight o'clock in the gymnasium with music by "Santa Claus" Carpenter and his professors. Refreshments will be served during the thirty minute intermission beginning at ten o'clock.

The dance is financed by a contribution from each member of the freshman class, and it is the wish of every freshman that the upperclassman will attend and spend an enjoyable evening.

Teacher Education Program Presented

A program portraying the development of teacher education in Georgia was presented Friday night, December 1, in the college auditorium.

This program was similar to the programs that 191 Teachers Colleges in the United States have presented, or will present, this year. These programs are a result of a national movement promoted by the American Association of Teachers to celebrate a century of progressive teachers' education.

The national organization consists of six sectional divisions. Georgia, Alabama, Florida, South Carolina, and North Carolina compose the southeastern division. Dr. M. S. Pittman, president of Georgia Teachers College, is the committee chairman of this division.

During the spring and summer, various chapel programs have depicted this national movement of teachers training. The program Friday night was a culmination presenting the evolution of teacher education in Georgia to show the development.

Palmer's Lecture Appeals To Students

Dr. Carlton Palmer, nationally known art collector, who has spent twenty years in the collection of paintings and other objects of art, presented an art lecture in the college auditorium last Monday night illustrating it with the originals of some very interesting paintings. Among his collection which was shown here were portraits, still life, scenic landscapes, flower studies, and scenes of the sea.

Dr. Palmer declared that an artist must be more than a craftsman . . . he must get into the mood of the subject or scene . . . the artist must express some inner feeling . . . something that the ordinary observer fails to see.

REFLECTOR WORK MOVING RAPIDLY

Georgia Teachers College students are manifesting a great deal of interest in individual portraits for the 1940 Reflector, as evidenced by their fine spirit of co-operation with the staff in keeping timely appointments with the photographer.

The photographer, Mr. Malcolm Hemphill, representative of Gaspar-Ware Studios of Atlanta, has been taking pictures here since Monday, and will remain here through Wednesday, Dec. 6.

Approximately twenty-eight clubs will have a full page of pictures in the annual. Most of the clubs have decided to have informal group pictures rather than individual portraits.

The Reflector staff should be commended upon their fine spirit of co-operation with the editor in getting the year book ready for publication.

Plans Made For Band To Take Two Trips

Plans have been made for the T. C. band to take two trips this year instead of only one as has been done in the past years.

Besides the annual spring tour, the band will take a trip in early March. This tour will take the organization to fourteen high schools as far north as Madison. The regular spring tour will begin some time after the mid-term exams of the spring quarter and will embrace twenty-six schools in three days. This trip will take the band as far as Donaldsonville in Seminole county.

Definite progress has been made in Georgia as a result of the yearly tour by the T. C. Band. When these tours were first inaugurated there was only one high school band south

WILL PLAY RETURN GAME WITH CUBANS

Dr. Pittman Will Accompany Team On The Trip.

It will be High Blue Tide when the Teachers haul down the main sails and up anchor in the blue harbor of Havana for their first extra-continental contest with the University of Havana on December 9.

The Cubans have promised no set-up for the visitors and will not be beyond using a few swaying palms, possibly scattered among a grass skirt or two, with perhaps a revolution thrown in, to keep the Teachers' minds off the pig skin and goal posts. Seriously, the Cubans in their own climate will be hard to handle.

The Teachers have had several days' rest and recuperation after a hard season and are in good shape for their final game, so if nothing else, the fellows will be full of the winning spirit after their ocean voyage.

President Pittman will accompany the team. Dr. Pittman, who has made a study of the educational system of Cuba, is well known there and will furnish the team with the proper guidance for an interesting trip. Here's luck, good weather, and bon voyage to the Blue Tide.

COLLEGE CHORUS GOES ON THE AIR

To Broadcast Over CBS Hook-Up Sunday, December 17.

The College Chorus, under the direction of Mr. Ronald Neil, will sing Handel's Messiah in the college auditorium Tuesday, December 12, at 8:15 p. m. The chorus is fortunate in having as guest soloists for the program Mike Hecker, soprano; Marie Wood, contralto; E. Gordon Henson, tenor, and Stuart West, bass. The guest organist for the program Minna Hecker, Soprano; "This program is the most important one of the year," said Mr. Neil, "and we hope to make it an annual affair." It is the first time the club has had out-of-town singers as guests and an electric organ will be installed in the auditorium for the program.

The chorus will present this program again the following night in Graymont-Summit and on Saturday they will sing over WTOG in Savannah at 4:00 p. m. (EST), and on Sunday, December 17, they will sing with

BIBLE VERSE.

"And as ye would that men should do to you, do ye also to them likewise."—Luke 6-31.

Our College Chorus is really stepping out. We'll be "all ears" when they broadcast over CBS next week end.

It can't be long till Christmas holidays now. That exam schedule facing you on the front page is evidence of that. I know we all want to enjoy the holidays, so let's all work hard and make good on these exams and we'll thereby enjoy the holidays much more.

A CHALLENGE

The time of the year has come when pictures are being made or selected for the college annual. This is a very important duty of each student. The annual is, or should be, a representative of the entire school; this includes buildings, instructors, students, and various phases of campus activity. Without the co-operation of each student and faculty member, therefore, it is not the success that it should be.

Each student, must, however, not only be willing to co-operate, but must be given the opportunity for co-operation. Each year the Reflector contains some pictures of the various phases of college life, but here is where the trouble lies. Inasmuch as these pictures have given a pretty good cross section of the campus activities, they have utterly failed to give a general picture of the personnel of the school. The pictures have been limited to a very small minority. Ordinarily the George-Anne does not offer such open criticism, but in this case we are offering it as an appeal to the members of the present staff. See if you cannot get a more representative pictures of the student body in the many snapshots used throughout the pages of the Reflector.

This is definitely a challenge. Let's make this year's Georgia Teachers annual the most democratic the school has ever published.

Diggings

Due to a monocularity on the part of Ye Olde Reporter, again I sit by my faithful typewriter with only the obvious to confront me.

First of all—Flash! A thief on the campus! He stole the boys' neckties—anyway we can't see them wearing any.

How about this Olmstead-Bidgood situation, Frances? Looks like you're headed for trouble, Sonny.

The Dawson girls certainly do get over broken hearts quickly. Just ask Pafford or Robertson.

What's this about Little Breezy lending his girl for the Bachelor's dance? Nice of you, Herman—but who does that leave out?

New McLeod's on Lottie's Horizon; looks serious but what about the girl we left behind us?

Speaking of "clouds", they say that Doris Cloud of all is hanging over Tom Cox. It is a good thing that Tifton is so far away—else Tom might fall to a A- in one of his courses.

Jouett Davenport gets the brass-plated cupid this week for the crummiest answer. Mr. Ward's query, "How are you feeling?" inspired him to say, "Feel me and see."

Carolyn Morris and Sam Rumph—ain't love grand?

Third floor of East breaks into print again with a new culinary invention—onion sandwiches. We hope they stay there.

Speaking of odors, how come Eddie Najjar is sporting that new blue sweater. We hear there's a story behind it.

Glad to see that Allen's Eatin' 8 at least kept their pre-season form in the dietetics league.

Popular town these days, Sardis.

It's nice to see that Dabber and Mary Thomas have settled everything so peacefully.

Question of the week: What certain boy is being taken for a ride by what "Jitterbug Girl?" Answer on page 5.

Old Faithfuls and Unfaithfuls: Jimmy Thayer and Marjorie Forehand; B. H. and Gainey; Fran Harrison and Zeke; Joe Joyner and Frances Deal; Frances Hughes and Sonny; Frances Hughes and Bob Bidgood; Frances Hughes and Cecil Olmstead; Ye Olde Correspondent and Miss Veazy.

The Breen Family—Froggy and Ann—ain't done nothing dirty so we can't mention them.

Langley says he is doing right well in Farmer Life, thank you.

Get Talbert to tell you how he met the Admiral.

We wonder how long it will be before Curtis Crook will tell us who his great secret love is. Usually he keeps 'em guessing, but we think he'll soon divulge the secret.

"I'm leaving the game, boys, but I'll be back in a flash with a flush!"

From Sanford—Flash! Sophie has finally stopped walking around and singing, "Where, Oh, Where is My Wandering Boy?"

THINGS SPIRITUAL

LOY SCOTT

"Judge not, that ye be not judged. For what with judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

"Therefore all things whatsoever ye would that men should do to you, do ye even so to them." (Matt. 7:1-12).

An English essayist once divided the human race into two classes—"minus people" and "plus people." The minus people are those who leave us poorer, and the plus those who leave us richer. The one group is characterized by selfishness and fault-finding and other traits that detract from human happiness; the other group by generosity and appreciation and love. In such a classification there can be but one choice for the Christian who would follow his Master's example. We can give no more effective witness for Him than to live in such a way that others shall be richer in spirit because of their lives have been touched by ours.

How can any one enrich the life of his fellowman by being suspicious of his actions? I believe that Christ looked for the good that was in every man. If a person is suspicious and a chronic fault-finder he cannot see any good in anyone. A person afflicted with this adverse trait is obliged to judge, and most times the judgment will be false.

Every person will be "paid off" for what they say, think, and do. Therefore, it is advisable to look for the good in all people, and treat the other fellow as you would have him deal with you.

I thank God for every "plus person."

Bachelors Club Has Banquet and Dance

The Jaeckel Hotel and the Alumni building were the scenes of the Bachelors' banquet and dance which was held last Saturday night. The members and their dates were: Bobby Carroll, Mary Graham; David Bowman, Helen Connor; D. R. Barber, Joyce Jones; Willard Cartee, Billie Turner; Roy Rabun, Sara Godbee; Hugh Hodges, Myrtle Lariscy; Bill Chambliss, Kitty Dubberly; Nick Dunbar, Pat Padgett; Aubrey Pafford, Anne Breen; Bill Adams, Frances Hughes; B. H. Ramsey, Elizabeth Horn; Willard Clanton, Julia Meadows; Theron Anglin, Eula Beth Jones; Hendry Bagley, Elizabeth Miller; Joe Joyner, Frances Deal; Joe Pat Stanford, Martha Daniels; Jim Wrinkle, Kitty Gardner; Charlie Stanfield, Catherine Nelson.

The club's sponsors, Miss Marie Wood and Miss Ruth Bolton, and their dates were also present, along with Mr. Jake Ward and Miss Lillian Hogarth who were invited guests.

BUZZY BAG BITES By BAGLEY

With the home-coming game in the bag and a week of rest the Profs are preparing for the return game with the University of Havana. This game, if won, will give T. C. a split in games won and lost. It promises to be a tough one, for invasion of foreign soil is usually disastrous to T. C. The Profs are expected to leave, however, with a disease called victory of the brain. Cason who was missed in the last game with a bad ankle is expected to be ready to go. Ellison, with confidence secured in the last game, is in top running form. Barnes hasn't been out of action this season, and Hall is always ready to go. Much is depending on these boys as T. C.'s linesmen will again be "bucking" down in Cuba.

The win over Armstrong makes the Blue and White boys undefeated on the new football field in two years. This is a record worth holding next year.

At the Thanksgiving banquet we heard promises from respectful sources. It was not some small turkey talk but a great big gobble. We saw a large group of first year men stand up and we wonder how they will feel next year when they rise again.

The best spirit of the year was shown at the Thanksgiving game. The rivalry in the cheering sections show that the grandstands were full ? ? ? . It is certain that the best insurance against hostility of opposing cheering sections would be more seating capacity.

In the intra-mural league the Bugger Daggers have maintained their lead in defeating the Pi Nus 19-0 and Allen 51-0. With only one more game to play they have the championship on their fingertips. Only once has this team been scored upon and this was when Albert "Short Stride" Braswell intercepted a pass in the first play of the BD-DS game and ran for a touchdown.

The boxing team is hard at work, and to tell what a tough squad we will have we say—one of the freshmen was caught punching a football dummy when he could not find access to the punching bag. Road work has begun in earnest and as soon as the football season is over we expect to report on the heavyweights.

The Freshmen have jumped ahead in basketball practice while the varsity will get only a short workout prior to the Christmas holidays. The Freshmen are expected to have some good games with neighboring high school teams this year. Although the varsity team is expected to have a good season, much precaution should be used to keep the spirit of basketball going. Basketball plays an important place in varsity sports here on the campus and in past years enthusiasm has made a winning ball

Touch Football Season Enters Final Week

As our best touch football season draws near to the close the Bugger Daggers remain in the lead, having won six games and lost none. They have only one more game to play and if they win this one they will be the champions of the league.

Some wonder why the BD's have such a good team, but if they had watched every game they would know. Cliff Wells, the Carruth twins and Charlie Stanfield have intercepted many passes that counted for touchdowns. It is said that an opponent's pass has about a fifty-fifty chance of falling into the hands of one of these boys. Then there is that line which has held like the Rock of Gibraltar. Alford, Dunbar, Barnard, Patat, Jenkins and Whitley have blocked punts and picked up laterals for gains all season. Carroll and Bagley at ends feel natural when running for a pass or punt.

Until a few days ago the Pi Nu Fraternity had not lost a game, but the BD's took a definite lead when they beat this team 19-0. This was a hard fought game, but the Bugger Daggers proved too powerful and alert for them.

In the other games of the past week the Delta Sigmas won over Y. M. C. A., 7-0, and received a forfeit game from the N. Y. A. The Iota Pi Nu beat Warren 35-6, and the Y. M. C. A., 18-0.

NOTICE—We want a big send-off for the football team when the team leaves for Cuba. Cheer leaders, Coach Smith should not be the one to ask for it.

TEACHERS DEFEAT ARMSTRONG IN FINE HOME-COMING GAME

Teachers Bow To Appalachians

Playing out of their class the T. C. squad lost to the Appalachian Teachers in Boone, North Carolina. This was the one and only game of the season that the Profs were doomed for defeat before the starting whistle.

The weight and experience of the T. C. eleven was no match for the power plays of the North Carolinians. The Teachers backfield men were midgets compared with the size of the opposition, and the hard blocking N. C. squad gained ground in every play.

On the return trip the entire Teacher squad stopped over to see the Georgia-South Carolina game and from all reports by the football players the trip was an enjoyable one after leaving the high altitude in North Carolina.

Twenty-Seven Boys Report For Boxing

Twenty-seven boys have signed up for boxing, making the prospects for a good season seem bright.

Reports from Coach Russell say that there has been a promise of some new equipment. The carry-over of equipment from last spring is small because of the absence of a boxing team during the past season.

Only preliminary training is going on now and most of the boys are concentrating on jumping the rope and punching the bag. On December 4 "human punching bags" will be set up and real hard workout will begin. Bouts will begin in January and continue through February.

As yet the schedule has not been made out, but bouts will probably be scheduled with the freshmen of the University of Florida and the Union Baggers, of Savannah, before long.

Do not worry what people are thinking about you, for they are not thinking about you. They are wondering what you are thinking about them.

No man is happy who does not think himself so.

George Pafford Makes Score For Teachers.

The Georgia Teachers football team celebrated Thanksgiving Day by defeating Armstrong College 7 to 0 on the local field.

In the third period, before the home-coming crowd, which was the largest this season, Pafford, Teachers' tackle, intercepted a pass and galloped 75 yards for a touchdown. The pass was knocked down by "Gas-house" Parker, but before it hit the ground George Pafford had scooped it into his arms and was on his way for a touchdown with only one man in his way. Due to the alertness of Haygood Morrison this man was blocked out of the play and Pafford continued unmolested to a touchdown.

The extra point was converted off the toe of Rountree.

Other stars of the game for the Teachers were "Corn" Cox, who ran 65 yards on an end around play, but was stopped before he passed the goal line. Ellison's running and Rountree's defensive work were also outstanding. Herschel Hamil and Joe Joyner, who sang their swan song for the local fans, were especially noted for their fine playing at end and quarter-back respectively.

The Professors drew only 25 yards in penalties, while the Geechees drew 30. The average Tidesman punt was 35 yards and the Armstrong average was 30 yards.

This was the last home game for the Profs. The boys journey to Havana, Cuba, for a return game with the University of Havana team, and then hang up their uniforms until next season.

Mr. Russell Speaks To Boys Of Y. M. C. A.

Mr. Fielding D. Russell, head of the English Department, was speaker at the Y.M.C.A. meeting Wednesday night. He used as his subject, "Which of the Two Roads?" He told of the two roads that confront every college student when he enters college. One is a long road, barely traveled and the other a short, easy road which is worn by travel. Others appearing on the program were Maurice Boatright, Cecil Olmstead, and Bob Bidgood. About seventy-five boys were present at this meeting.

The second deputation team of the Y. M. C. A. has been organized and gave its initial program at the Methodist Church in Guyton yesterday. The first team had charge of the program in the Sylvania Methodist Church last night.

Y. W. C. A. Presents A Musical Program

Wednesday night, November 29, the Y. W. C. A. held its weekly meeting in the college auditorium. Frances Hughes conducted the program which consisted of a scripture reading and several musical numbers. Julia Meadows gave a vocal solo. A piano solo was rendered by Mildred Mangham.

The Y. W. C. A. and Y. M. C. A. held a joint morning watch program November 23 in the college auditorium. A very enjoyable Thanksgiving program was rendered.
