QUOTING COACH CALDWELL

"The beginning of the season our women's had the vision of being "All In" for the year. From midseason on every woman that has been training here has been living that vision. I could not be more proud of this team for the way they stepped up and competed this weekend and the energy they brought both days. Hard to highlight just a few women as everyone really brought it today. We are grateful for the opportunity to race this semester at home. We could not do that without the help of [Jared Benko](#), [Brandy Clouse](#) and many others at the RAC. We could not be doing any of this without you all. Thank you!"
